## Queer Feelings

"Some time ago, I was very irregular," writes Mrs. Corn Robie, of Pikeville, Ky. "I suffered a great deal, and knew I must do something for this condition. I suffered mostly with my back and a weakness in my limbs. I would have dreadful headaches. I had hot flashes and very queer feelings, and oh, how my head hurt! I read of

and of others, who seemed to have the same troubles I had, being benefited, so I began to use it. I found it most beneficial. I took several bottles . . . and was made so much better I didn't have any more trouble of this kind. It regulated me."

Cardui has been found very helpful in the correction of many cases of painful female disorders, such as Mrs. Robie mentions above. If you suffer as she did, take Cardui—a purely vegetable, medicinal tonic, in use for more than 40 years. It should help you. Sold Everywhere.

The New Hupmobile Two-Passenger Coupe

## The Great Essential! In Any Motor Car

Be Sure You Get It. The New Hupmobile has Developed Its Highest Degree

The first requirement in any motor car is, of course, reliability of performance. You cannot have too great a degree of reliability in the motor car you own.

We are stating a simple truth especially well known to garage mechanics when we say that no car built today, whatever its price, surpasses the Hupmobile in this respect.

In the new Hupmobile, this celebrated Hupmobile attribute is carried to still greater heights.

You can safely trust this Hupmobile to carry you across the town, or across the continent at a moment's notice, and with motoring satisfaction unalloyed.

Fifteen minutes in the new Hupmobile will convince you that these fundamental virtues which have always

been so pronounced in every car bearing the name, have been still further developed.

Note the coasting, skimming quality, —the even greater rapidity of acceleration,—the greater power.

In flexibility and smoothness of power propulsion, this new Hupmobile sets new high standards. This is equally true of its ease of riding, and its control.

Hupmobile engineers have not altered a hair's breadth from Hupmobile principles. They have simply applied and extended those principles with infinite care and fidelity.

In this new Hupmobile, you undoubtedly have the highest expression of reliable performance, joined with brilliant, smooth performance, within several hundreds of dollars of the Hupmobile price.
