ONE DEAD IN HEAD-ON COLLISION

MR. KINCH BROACH KILLED

Cars Driven by Mr. Robert Baynes and Mr. Frank Bradsher Collide.

Last night at 7:30, on the Bushy Fork road near Horners, two cars collided, head-on collision, and killed Mr. Kinch Broach. The car containing Mess. Frank Bradsher, driven by Mr. Bradsher, Kinch Broach, Daniel Clayton and brother and a Bowles boy, and car driven by Mr. Robert Baynes with Mr. Algie Warren met with the distressing accident above mentioned. The Bradsher car turned over and was completely demolished. Mr. Broach lived only about 3 hours; Mr. Bradsher was seriously hurt, bruised ribs, while Mr. Daniel Clayton received several bad cuts in the face necessitating about 8 or 10 stitches. The other occupants, including those in the Baynes' car were not hurt.

Drs. B. E. Lov and A. F. Nichols attended the party but Dr. Love informs us that Mr. Broach was virtually dead when they reached the scene of the accident.

ROXBORO GRADED

SCHOOL NOTES.

At a meeting of the Parent-Teacher's Association on last Thursday a sum of thirty dollars was raised to be used in purchasing a victrola for the Roxboro Graded Schools. This sum was added to the twenty dollars carried over from last year for this purpose. The victrola is to be used as a laboratory for a course in music appreciation to be given in each class in the high school. A large selection of classical records will be purchased and under the instruction of Miss Poole the history and composition of operatic music will be studied while the music itself is learned by use of the best records in opera, orchestra, and violin music.

At the same meeting of the Parent-Teacher's Association it was voted that a prize of a ten dollar gold piece be awarded to the high school boy making the best declamation of the year, while another ten dollar gold piece prize is to be awarded to the girl rendering the best reading.

The play ground equipment offered to the school by the Women's Club has been moved onto the school grounds and the great demand for its use by the school children is testimony of how useful it may be when placed advantageously.

Two literary societies have been organized in the Roxboro High School, one composed of the members of the senior and junior classes and the other of the eighth and ninth grades. The names have not yet been decided on. However, committees are at work and the societies promise to afford profitable experience in oratory, debating, readings and the study of arts.

TRIAL OF CO-OP CASES.

In the cases of E. W. Tuck, Henry Holt, and William Jones, which were heard before Judge Devin in Durham at 12 o'clock Monday, October 29th, the Judge continued the Restraining Order against these men, ordering them not to sell or dispose of any of their tobacco to any person or persons other than the Association.

The statement is authorized by local counsel that in all contested cases, there is suit pending in the Superior Court of Person County for liquidated damages, for tobacco sold out for the year 1922 and 1923, and counsel fees. In all cases adjusted by agreement, either the money is paid, or judgment is entered in the Clerk's office, where it becomes a lien upon the real property of the grower and if the grower has no real property, the Association can retain from his check when he delivers tobacco, sufficient amount to satisfy the judgment and costs.

New cases have been brought against Newton Davis, C. P. Grinstead, and Radford Gentry. It is understood that about six other cases would be brought today.

Have you bought your ticket for the Chautauqua? Season tickets \$1.50, good for every performance.

DEATH OF LITTLE VIRGINIA BROOKS

On last Friday morning little Virginia Brooks, daughter of Mr. and Mrs. N. V. Brooks, died at their home on North Main Street. Virginia was nearly twelve years old, and was the pet, not only of the family, but of the street as well. She was a remarkably sweet and amiable child, was a member of the Edgar Long Memorial church and Sunday School and took an unusually active interest in church work for one of her age. The funeral services were conducted at the home Saturday evening at 2 o'clock, conducted by her pastor, Rev. J. B. Hurley, assisted by Revs. W. O. Sample and R. E. White. The floral offerings were beautiful, a token of the great love for the child.

WILL WORSHIP WITH THE METHODISTS SUNDAY NIGHT.

The congregation of the Baptist church here will worship with the Methodist congregation on next Sunday night. This will be the last service by Rev. J. B. Hurley, the pastor, before leaving for Conference. Mr. Hurley is just rounding out his four years and it is probably his last service as pastor. Not only with his own congregation, but with the town generally, Mr. Hurley is universally loved and it is with profound regret that the town sees him take his departure.

HALL BROTHERS.

DEATH OF DR. WHARTON.

Dr. R. G. Wharton died at his home in Ruffin on last Friday night. His daughter, Mrs. W. A. Sergeant, received the message Saturday morning. Dr. Wharton was a prominent citizen, a physician of note and dearly loved by his large number of patrons. He was a graduate of V. M. I., Adjutant of 52nd Virginia Regiment. Mr. and Mrs. Sergeant left Saturday morning for Ruffin to attend the funeral services.

A LOYAL CO-OP.

Mr. R. M. Allen favored us with a call one day last week. He had made a delivery of some tobacco to the Co-op Association and was decidedly well pleased with his advance. He delivered 1046 pounds and received a check for \$153.10, averaging \$14.63, with no charges to come off. Mr. Allen is a thorough co-op and can not understand why every farmer in the County does not belong and encourage the association.

If you miss it you will regret it—the Chautauqua, Roxboro November 9th, 10th, 11th and 12th.

Mr. R. L. Duncan Averaged \$51.00, Clear Check, for 612 Pounds.

Sales were good last week, over a quarter million pounds sold on the market at an average of \$23.64, with many averaging in the fifties. And mind you, these averages were not for just a small load of select tobacco, but represented real loads, an entire curing.

At the Planters Mess. Ashley and Chambers reports some of the best sales of the year. Mr. W. A. Clayton sold one barn of 694 pounds for \$299.64. Mr. R. L. Duncan sold 612 pounds for \$312.36, averaging for the entire load over \$51.00.

Mess. R. I. Satterfield sold at the Planters Tuesday getting \$74.00 for their best grade and \$60.00 for their second best. The load, a two horse load, brought them a clear check for \$789.78.

The sale at the Planters on Tuesday amounted to 14,000 pounds and averaged \$28.80 per hundred.

At the Winstead Warehouse they report sales as entirely satisfactory, in fact offer as evidence the following sales:

J. S. Scott sold 486 pounds for \$176.22, making an average of \$36.00.

Dunn & Carver sold 944 pounds for \$371.46, averaging \$39.00 per hundred.

The Hyco Warehouse had large sales every day and report the most satisfactory week of the season.

SCHOOL NOTES.

We were very much gratified at the large number of Person County teachers in attendance upon the District Meeting in Raleigh last week. The 19 counties composing the North Central District were well represented, and the number of teachers present was almost as large as the regular old Teachers' assembly. The name has been changed to N. C. Teachers' Association, and this body will meet in Winston-Salem next March. Make your preparations now to attend.

While our spellers did not get to go to Winston-Salem they were among the very last who won out, and we are exceedingly proud of them. Teachers begin now to train your spellers for next year. Please do not fail to be present at the meeting next Saturday, if you are absent you will be marked and reported. We will meet promptly at 10 o'clock and study the Elementary Course of Study as laid down in N. C. Education. Familiarize yourselves with the Introduction, also the Guiding Principles, pages 23-35. Then take up the grade which comes first in your division. We will have a full supply of Public School Law on hand and want every teacher to get one and study it. Also bring one dollar and twenty-five cents for your subscription to North Carolina Education.

Mrs. J. A. Beam.

CARD OF THANKS.

We wish to express our thanks and appreciation to the many friends who so kindly ministered to us in the recent illness and death of our wife and mother. The offers of aid in nursing, the beautiful floral designs, and the many expressions of sympathy and love we shall ever cherish. They helped greatly to brighten the darkness of our time of sorrow. May He who promised to reward even the giving of a cup of cold water in His name reward and bless those who have so kindly befriended us.

Mr. R. W. Crumpton and Children.

CARD OF THANKS.

We wish to most gratefully thank the host of friends for the kindness shown us in our recent bereavement. Each and every member of our family appreciate the kind, and thoughtful sympathy, and the many services rendered during the illness and death of husband and father.

ARMISTICE DAY RED CROSS DAY

SEVENTH RED CROSS ROLL CALL

The Chairman Calls On Every Citizen of Person County to Join.

Armistice Day brings with it the seventh Red Cross Roll Call. Representatives of Person County Chapter will canvass town and County for members on Monday, November 12th, and has the right to expect the hearty co-operation and support of every one to keep up its organization.

Disaster is sufficient reason for a Roll Call in any chapter and no locality is safe. The Red Cross has never failed at such times but preparedness must not give way to unpreparedness.

Our local Chapter has given valuable assistance to ex-service men and their families, has contributed generously to European and Japanese relief, besides maintaining a Public Health Nurse for a year. It's future activities depend on your support, so do not fail to respond to the Roll Call.

Mrs. deVlaming, Chairman.

TOBACCO SELLING HIGHER.

To Our Patrons and Friends:

We are glad to inform you that tobacco is selling higher than it has this season and we advise that you get your tobacco ready and try us with your next load.

Much has been said by others of their great advantages as to our force of long experience, etc., but if you will try us with a load we will convince you at sight that we have the best force that ever ran a warehouse. We have with us Mr. Geo. Fitch the best judge of tobacco and knows where to start every pile. The buyers have confidence in his judgment and will get you more for your tobacco. There is Dave Connor and E. D. Jones as our salesmen with warehouse experience and know how to get the last dollar on every pile of tobacco, then our clerks are the best to be had.

Our buyers are anxious and willing to pay for tobacco and we assure you that we will get for you the highest market price obtainable. Try us with your next load and we will convince you that we get the highest market prices, and that you will receive a hearty welcome.

Yours for Business,

THE INDEPENDENT WAREHOUSE CO.,

South Boston, Va.

Don't forget that we pay cash for ALL tobacco we sell.
