

VIRGINIA HIGH SCHOOL vs CLUSTER SPRINGS

Virginia High School defeated Cluster Springs High School in a thrilling game of basket ball on the Virginia court Friday night, the final score being 24 to 13 in favor of Virginia. The game was a riot of thrills, spectacular plays and demon like work of both teams. Powell of Virginia was the brilliant star of the game, caging 14 of his teams points and playing a stellar game in the field. Wilbourne, Wilkins and Crowder also starred for Virginia. W. B. Vaughn was the outstanding star of Cluster Springs and his brilliant playing was one of the big features of the game.

Virginia would like to schedule games with other Halifax teams, any team that wishes a game should communicate with C. J. Walton, coach for the team.

NOTICE

We will on Saturday, Dec. 15th, 1923, sell to the highest bidder for cash all our horses, mule colts, corn, feed, farming tools, household and kitchen furniture. Sale begins at 10 o'clock, A. M., at our home. G. H. & J. A. BRANDON.

Farmers of Alamance County saved more than \$3600 over the retail price of explosive by cooperating in the ordering of a carload of Sodatol through the Agricultural Extension Service. They will use this material in blowing stumps reports County Agent W. K. Scott.

FURNITURE FOR LESS MONEY.

My stock of furniture is very complete, and while I am handicapped for space to show it, still, I have it and

my prices are just the same as old—a little bit cheaper than the other fellow. Come in and take a look. E. D. Cheek.

ADVERTISING NO EXPERIMENT.

(From The Philadelphia Record.) "Advertising is on the threshold of its golden age." That's the opinion expressed by Francis H. Sisson, vice president of the Guaranty Trust Company, of New York.

"That day has long passed, if, indeed, it ever existed," said Sisson, "when advertising, under proper conditions, can be considered as an experiment or a speculation. It has long since become a demonstrated factor as a business builder and a clearly proved educational force. That it may not always, in all hands, operate with 100 per cent efficiency is no more a proof of its failure than an unsuccessful operation on the human body by a horse doctor would be a proof of the failure of surgery. Its call is for skilled men, broad men, who have thoroughly mastered the tools with which they must work, whose sense of public psychology is sure and true and whose vision of National opportunity is as broad as the world."

Frequent Headaches
"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of R. F. D. 1, Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of
Theford's Black-Draught
and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."
Theford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural. Try Black-Draught.
Sold everywhere.

Miller & Rhoads
THE SOUTH
deserves a splendid store like this

WE are now ready to serve you in our new store, bigger, better and greater than ever. What a delightful place to shop! Almost double the room we had before. Everything in the new addition is new. New fixtures, new stock and new departments, including Men's Clothing. And, besides, there are many new features to make your shopping trip comfortable and pleasant as well as profitable.
We want you to come in and see for yourself what a beautiful new store it is. Make it a trip of inspection, if you like, and shop at your leisure. You will find it a big, airy, well-lighted and roomy store. Something to rest and delight the eye on every side. Everything is orderly and in its place. Counters are easily accessible, yet nothing is thrust obtrusively in your path. There is no uncomfortable crowding in the aisles.
At noon, when you are a little tired and hungry, take an elevator to the top floor. There you will find a most restful and welcome sight—a magnificently furnished dining-room. Enjoy your midday meal or afternoon tea among delightful surroundings, far above the noise and bustle of the street. Then rest awhile in the comfortable and luxuriously furnished foyer, adjacent to the dining-room. It is a convenient place to meet your friends, too.
We have spared no pains to make this new store a most attractive place. Fixtures and furnishings throughout are beautifully conceived. Dark walnut is the decorative scheme on the first floor, while the second floor is tastefully done in French grey. The upper floors are richly finished in heavy oak.
Altogether, we think it is just such a splendid store as the South deserves. We want our friends in Richmond and the Virginias and Carolinas to consider it their store, because it was their good-will and confidence that made it possible.
When in Richmond, don't fail to stop in at Miller & Rhoads. There is always a friendly welcome awaiting you.

Wide, roomy aisles, high ceilings, airy, well lighted—a beautiful store where you can shop in perfect comfort.
The Colonial Room, fifth floor cafe, is a delightful place to have your noonday meal or afternoon tea while shopping. Delicious, well-cooked food is served at reasonable prices.
Our Department for Woman's Apparel is a continual bazaar of fashion, a year-round style show. Like a mirror of fashion, it reflects the modes of New York, Paris, Newport and other places of fashion.
One of the most comfortable corners in the store—the Shoe Department. A good place to buy comfortable shoes, too, and a good place for style tips.
