COOLIDGE VETOES POSTAL SALARY INCREASE BILL

Washington, June 7.—The postal salary increase bill was vetoed by President Coolidge today with the declaration "that government extravagance must stop."

It was returned to the Senate with a message objecting to the legislation because it made no provision for raising the approximately \$68,000,000 from the postal revenues.

Approval was given by the President to the provision added to the bill to regulate campaign expenditures and the statement was made that he would approve that section if it stood alone.

The measure as sent to the President yesterday carries a rider to the cable corrupt practices bill, providing for limitation of expenditures in behalf of Senatorial and House candidates.

The postal pay provisions are estimated by proponents of the legislation to entail an expenditure of \$64,000,000. Postal clerks, carriers, inspectors and supervisors and assistant postmasters would receive raises averaging about \$300 each.

BAILEY BROTHERS OFFICERS MUST GIVE BIG BONDS

Greensboro, June 9.—Two hundred and eighty-five thousand dollars is the total amount in bonds that will be required of 49 persons formerly connected with Bailey Brothers, manufacturers of tobacco in Winston-Salem until the concern went into bankruptcy.

The men were indicted by a federal grand jury here last Tuesday, on charge of using the mails to defraud in connection with a big stock selling campaign put on before the company went to the wall.

Bail in the sum of \$10,000 each will be required of Fred Bailey, C. B. Bailey, Frank R. Bailey, P. S. Bailey, M. D. Bailey, Jr., Reginald Bailey, M. D. Bailey, Sr., and Tom Taylor. The other 41 will be asked to furnish bond of \$5,000 each.
