

TINGEN FAMILY REUNION.

Apex, N. C.,
Sept. 4, 1924.

Mr. Editor:

Will you please publish in your next issue the following notice:

There will be a family reunion held at my father's home on the 3rd Saturday of this month. Dinner will be served on the grounds, picnic style. All family friends are cordially invited to attend and as many as will may bring along a basket.

There will also be a musical program arranged and in order to furnish the people with seats we have secured the church building for this part of the program. We are looking forward to this occasion with fond anticipations and hope to meet many of our old friends and acquaintances and truly hope all may have an enjoyable time.

Yours very truly,
Obe Tingen.

DEATH OF LITTLE

C. G. WESTBROOKS, JR.

On Wednesday morning, August 29th, the death Angel visited the home of Mr. and Mrs. C. G. Westbrook and claimed for its own their baby, C. G., Jr. We can not understand why this little baby was taken away, but we do know that the Lord doeth all things well.

Little C. G. is happy around the throne with Jesus. He can not come back to us but we can go to him. The only comfort we can leave with the sorrowing parents is, prepare to meet him in a better world. The funeral services were conducted at the home by Elder B. F. McKinney and the little one was laid to rest at the family burying grounds.

May heavens richest blessings rest on the bereaved family and friends.
—C. L.

HAVE THE CARBON CLEANED AND VALVES GROUND ON YOUR FORD,
and WE WILL REFILL THE MOTOR WITH OIL

FREE
Offer For Thirty Days Only

Until October 1st every Ford car that we grind the valves and clean carbon on, we will refill the motor with one gallon of high grade Texas Motor Oil, without cost. This means that the total cost of this work will only be \$3.00 (any parts used will be at list price in addition to the labor charges) this includes inspection of the ignition system. Regular charges will be made after October 1st.

HIGH GRADE MOTOR OIL

Texas Motor Oil, medium, is one of the best grades of oil on the market. During the five years we have been using it as a standard for all Ford cars sold or operated by us, we found it to give a maximum efficiency with a minimum carbon accumulation. This is Texas Company's best grade oil. We do not use any substitute.

INSPECTION FREE

Take advantage of our offer now. If you do not know whether your car needs this work, drive it in our shop for free inspection. If it is needed we will advise you.

DON'T FORGET THAT THIS OFFER WILL ONLY LAST UNTIL THE FIRST OF OCTOBER 1924.
