DR. BRADSHAW DIES SUDDENLY

THIS MORNING ABOUT 8 O'CLOCK

Dr. Bradshaw Was One of Roxboro's Leading Physicians and Universally Loved.

Dr. W. A. Bradshaw died this morning at 8 o'clock. The news spread like wild fire, and was on the tongue of every one you met. He had not been sick at all, having been about his duties yesterday and was down town last night talking and joking with his friends. Early this morning he complained of having a pain in his side, and continued to grow worse, but would not consent to have a physician called. However, continuing to grow worse a physician was called, but death came in a few moments after he arrived. The cause of death we hear was acute indigestion.

Dr. Bradshaw was about 48 years of age, and had been practicing his profession here since young manhood. He was universally loved, and, as stated by one of his friends this morning, was a "martyr to his profession," for no one ever called to be refused by him. No man in Roxboro, or Person county, will be missed as Dr. Bradshaw, for he was "a friend to man."

The funeral services will be held tomorrow, Thursday, afternoon at 2:30, at the home.

CO-OP PAYMENT.

The Tobacco Growers Co-operative Association made another payment to its members on the 1923-24 crop. This payment, we see it stated, brings the payment on this crop to seventy five per cent of the bankers valuation.

TO THE VOTERS OF PERSON COUNTY.

I am a candidate for Sheriff of Person County and respectfully ask the vote of every one who wants to see the laws honestly and fairly executed. If elected I pledge myself to give justice to the poor as well as the rich. I respectfully solicit the votes of the good women who all stand and vote for purity in all laws and law enforcement.

Your support is respectfully solicited.

Better known as Billy Chambers,

OLD VETS OFF FOR CHARLOTTE.

Col. John H. Burch and seven Old Vets left Monday morning for their reunion in Charlotte this week. We hope they will have the time of their lives. Year by year these faithful old soldiers are growing fewer in number and nothing we can do for them is too good.

MR. HARVEY TO BE TRANSFERRED.

Mr. J. Shields Harvey, who has been the grader of the Tobacco Growers Co-operative Association, has been transferred from Roxboro. We have not been able to learn who will succeed Mr. Harvey, but we do say whoever he may be, has a hard job if he proves to be equal to his predecessor. Mr. Harvey is a well rounded gentleman, a fine judge of tobacco, and as honest and clean as a hound's tooth. While his transfer will necessitate his being out of Roxboro for several months we are glad to say that it will not affect his residence, as he says he expects to finish his days, be they few or many, in the good town of Roxboro.

INTERESTING CO-OP MEETING.

The Person County Tobacco Growers Association had an interesting meeting on last Saturday, having with them Mrs. Elizabeth Kelly, field worker of the Tobacco Growers Association and Miss Hattie Berry, representing the Cotton Growers Association. TO CANADA OR BUST—

Such was one inscription on a tin Lizzie which Mess. Robert Burch, Edwin Eberman, Kenneth Oakley and Landon Harvey had inscribed on the machine. These boys, full of adventure and pluck, purchased at a cost of forty dollars one of the faithful Lizzies and struck out for the northern cities, including towns in Canada, if Lizzie held out. At last accounts they had reached Richmond and reported Lizzie as doing fine. Edwin Eberman will leave them at Pittsburgh, where he will resume his studies in one of the colleges, the other boys proceeding as far as Lizzie will take them. It would not be surprising to see them come back afoot—unless dad or some other good friend, lends a helping hand.

INDEPENDENT MARKET OPENS OCTOBER 1st.

The Independent, the auction, market will open in Roxboro on Wednesday, October 1st. The houses have made all preparations for the opening and are expecting the best year the market has enjoyed for some time. This is the logical point for the farmers who sell on the auction plan to sell their tobacco if they are in reach of the market, for statistics show that there is no market which does more for the farmer, or pays a bigger average.

Mr. and Mrs. J. W. Copley have just returned from their wedding trip. They will make their home for the present with Mr. and Mrs. R. E. Hamlin.

DURHAM KIWANIANS HERE LAST THURSDAY NIGHT.

The Durham Kiwanians held their regular meeting here last Thursday night, Dr. R. L. Felts, president, presided. There were about 75 members present, and quite a number of Roxboro citizens as invited guests. The stunt program was full of fun and brought forth many hearty laughs. After this the serious side was shown, several speeches were made by members of the club, and were responded to by Roxboro citizens.

A vote of thanks was tendered the ladies of the Episcopal church, who served the dinner, for the excellent manner in which it was served.

As one of the invited guests we beg to say we hope these splendid gentlemen will come again, for rarely have we attended a meeting more enjoyable.

DEATH OF MR. THOS. GRAY.

DURHAM COMING TRIP POSTPONED

ON ACCOUNT OF WEATHER AND ROADS

Will Visit Roxboro on Tuesday, Sept. 23rd, Four Hundred Strong, With Brass Band.

Owing to the weather and road conditions the "Get Acquainted" trip by the citizens of Durham had to be postponed. Durham will come, about 400 strong, with brass band, singers, etc., on Tuesday, September 23rd, and Roxboro will give them a rousing reception, extend the glad hand in real true old fashioned manner. Remember the date, Tuesday, Sept. 23rd at 11:55, A. M. Everybody from the town and County are cordially invited to meet them.

The purpose of the trip will be to enable Durham people to get acquainted with their neighbors in Roxboro. The officials of the get acquainted trip make it plain that this is the sole purpose. "We are merely going to Roxboro, meet the good citizens in it, rub shoulders with them, tell them about their neighboring town of Durham, and return home," a leading Durham citizen said today. No effort, it is said, is going to be made to induce the people of Roxboro to buy in Durham when they can just as easily buy in their home town.

It is hoped the people of Roxboro will make a memorandum of the time, next Tuesday at 11:55, and give our Durham friends a warm welcome. Among the organizations from Durham taking part in the trip include The Chamber of Commerce, Real Estate Board, Merchants Association, Rotary, Kiwanis and Lions Clubs.
