Many Roxboro Folks Are Showing How to Avoid Needless Suffering

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed a burden.

E. M. Green, says: "When I turned in bed, my back hurt so badly I hardly got any rest. Mornings my back was sore and stiff and sharp twinges shot through my kidneys. I had spells of dizziness, when I swooped and spots flashed before my eyes. My kidneys acted too freely. I purchased Doan's Pills at the Davis Drug Co. Doan's soon got to the seat of the trouble and I felt like a different person."

EMINENT SURGEON CLAIMS CANCER CAN NOW BE PREVENTED

"Cancer is a great human menace. It is increasing by leaps and bounds. If anything, it is increasing more rapidly in the United States than it is in the British Isles.

Continuing the Doctor says: "What we should do then, if we would avoid cancer, is to eat whole-wheat bread and raw fruits, and vegetables, shunning all meat, first that we may be better nourished, second that we may more easily eliminate waste products and thus adequately drain the house in which our cells live.

It is a difficult task to change the food habits of a nation or to induce the people to take sufficient exercise each day. Sir Arbuthnot says, however, that "whoever will correct his diet to a reasonable extent, take reasonable exercise and keep his digestive tract absolutely clean, need have no fear of cancer."

For All The Family

"We use Black-Draught in our family of six children and find it a good liver and bowel regulator," says Mrs. C. E. Nutt, of Mineral Springs, Ark. "I have taken it myself in the last two or three years for indigestion. I would feel dizzy, have gas and sour stomach, also feel a tightness in my chest. I'd take a good dose of

when I felt that way, and it would relieve me, and I would feel better for days.

"My husband takes it for biliousness. He says he has never found its equal. When he has the tired, heavy feeling he takes Black-Draught night and morning for a few days and he doesn't complain any more.

"I sure do recommend Theodore's Black-Draught."

Your liver is the largest organ in your body. When out of order, it causes many complaints. Put your liver in shape by taking Black-Draught. Purely vegetable.
