

Alamance County farmers shipped 6,700 pounds of poultry on Friday Sept. 11. Cash was paid to the 111 farmers contributing to the shipment and they asked that the work be continued, reports County Agent Kerr Scott.

A farmer in eastern Carolina will make 75 bushels of corn per acre on land that had not one pound of purchased nitrogen put on it this year. Such is the value of legume crops.

Harvest pecans carefully for a full crop this year.
