MONEY IN OLD CLOTHES
 Our second hand clothes sale has kept up better this summer than any previous summer and we feel that it is largely due to the space which the News papers of our State so kindly gave us in June, but I fear that our people are forgetting us once more and we are asking you to remind them once more to send us clothes.
 We are simply overwhelmed with boarding pupils this term and are having to buy double decker beds in order to house them. We must provide work for each of these boarders, for we take only those who need to be self supporting. It all depends upon the quantity and quality of clothes which you send us this winter, and we urge you to send all you possibly can and as often as you possibly can.
 Also will you appeal through your columns for Auto Knitters which were used during the war by the Red Cross and others to knit for the

soldiers. We have not the money with which to buy these machines, but if they can be given to us, each one will make it possible for a boy or girl to become self supporting. Please act promptly for our need is very urgent.
 Gratefully yours,
 Crossmore School, Inc.

Roxboro Tobacco Market
In Full Blast

To our Farmer Friends:
 The tobacco market is in full blast now with all buyers and Companies represented. Prices have advanced since the opening day, and all grades of color tobaccos, with good body and texture are selling at TOP NOTCH figures.
 Common tobaccos, which, unfortunately, predominate so far, are selling as well, if not better, and no pile is overlooked. So you can bring your tobaccos on when ready, and we can assure you that you will get as much for it as any market in this section.
 We will endeavor to keep you posted from week to week as to the conditions prevailing, and you can rely upon us to take care of your interest, as heretofore.
