IN MEMORY OF
 LITTLE YATES GREEN
 Yates Green, six months old infant son of Mr. and Mrs. C. A. Green, succumbed to an attack of pneumonia just before dawn of February 14th. He was ill about five days and was treated with the latest care but the claims of death could not be stayed. May mother and father and those who loved him be enabled to live a life sublime that they might meet their little darling in Heaven.

MRS. E. M. O'BRIAN

PROGRAM EPHEBUS
CLEMENT FIELD
 Sunday, Feb. 21. Services at Clement 11 a. m. Sunday School at 10 a. m.

The unrest of the world is wearisome to both mind and soul. Our lives are often weakened by fretful care and inner disquiet. We lose in efficiency and miss our aim by a certain nervousness of spirit that reflect the rush and confusion of the world's life around us. We are so busy doing things that often we do not stop to ask, "Why?" What mark am I trying to hit. The church has something for you, larger than business, more attractive than social life. If our church must glow—glow—go, then we must help to make it so. Only the active church can fulfill its mission. Come, make the church what it ought to be. Everybody welcome.

L. V. COGGINS, Pastor.

HELENA HIGHS TO
PLAY ALLENSVILLE
 The Helena High School quintet will play the Alleensville High School at Winstead Warehouse Friday night February 19 at 8 o'clock. This will be the first time these teams have met in the championship contest and the outcome will be awaited with great interest by both schools. The previously scheduled game for these teams was postponed on account of weather conditions.

The Helena and Alleensville girls will play the same evening. Both teams have a splendid record this season and no doubt they are the two strongest girls' teams in the County. The Helena girls have lost only one game in two seasons.

PIEDMONT FIELD TRIALS
 The Piedmont Field Trial Association will hold its Spring Puppy Trial here on March 12th, with headquarters at Jones Hotel. The drawing will take place Thursday March 11th at 8 p. m. in the hotel. There will be only one puppy stake run this year, this being an open stake for all puppies whelped on and after...

How Doctors Treat Colds and the Flu
 To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calolabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calolabs a day, three times with a swallow of water, that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please, no danger.

Get a family package containing full directions, only 15 cents. At any drug store.
