Freak in Tobacco

Mr. J. T. Horner of Route 1 was showing a freak in the way of a tobacc leaf here last week. The lenf was so formed as to make a serfect pocket, and Mr. Horner and a showed what nature would do when Pecahont as guano was used. He said Mr. W. T. Pass sold the firtilizer and then the tubaces grew so that all you had to do was to sell it with the old reliable Hyon, and the pocketbook was already for use.

More Good Corn

You may go out in any direction out choose and you will see field ofter field of good corn, but when you see the price agre of Master Workam Winstead on Route 5, you Wa'do not know who to using to win that Fifty D there we are giving away, but we do know whoever mensures more corn from an acre than he does is going to count many bushels to the acre.

Rev. and Mrs. W. F. West, and Master Billy, who spent the moeth of August visiting the folks back home in Georgia, have returned, much to the delight of the congregation of the First Baptist Church. Rev. Mr. West conducted his usual services at the First Baptist Church Sunday morning and evening and gave his congregation two of the finest sermons he has delivered. At the morning service his subject was, "Solving the World's Problems," and at the evening service, "Modern Idolatry." He severely arraigned our courts for failure to properly function, showing by statistics how the world had came to disregard the laws of the land. Really, two more ing opening the schools have had powerful sermons have not been

Plenty of Money

Mr. Hugh F. Houston, representing the Carolina Mortgage Company, of Raleigh, N. C., was a Roxboro visit t last week, and contrary to most of our visitors, said they had plenty of money and was anxious for the good people of Person County to have a me of it. No red tape or castly strings tied to the proposition, but simply straight mortgage loans: Read their advertisement in another column, and call on Mr. J. S. Walker for further information.
