Dear Santa Claus: Please bring me a wrist watch, a big doll, some apples, negro toes, English walnuts, raisins and some candy. I must close.

Dorothy Ann Snipes.

Roxboro, N. C. Dec. 10, 1928.

Dear Santa Claus: I am a little boy in the fourth grade. I want a watch and chain, a harp, a little wagon full of blocks, also oranges, apples, negro toes, and candy. Please don't forget my little sister Eleanor. Bring her a doll that can go to sleep and say mama, also some oranges, apples and chocolate candy, because she loves chocolate candy. Well, I must close. With love.

Stedman Snipes.

Roxboro, N. C. Dec. 15, 1928.

Dear Santa Claus: I will write to you and tell you what to bring me. I want you to bring me a little fiddle, a set of banjo strings for my little banjo which you brought me last year, a little lantern and some confectionaries. I guess that is enough. If I ask for too much the other little boys and girls will not get anything. I sure did appreciate what you brought last year. Your loving little boy.

Bassel Avereette.

Roxboro, N. C. Dec. 13, 1928.

Dear Santa Claus: Wonder what you are doing these days. Packing up all those pretty things to bring to us little children Christmas. I have been real smart when mama would mention your name to me and tell me if I didn't be smart Santa wasn't going to bring me anything. But Santa, sometimes I forget. I am a little boy four years old. I do not go to school. Now I must tell you what I want you to bring me and close. I want a little tricycle and a little gun, little school truck and lots of good things to eat. Be sure and bring me a little sack of Negro toes. Well, I must close for tonight if I do not I will ask you for too much. I am afraid I might ask for more than you can bring. With much love to Santa.

Paul Bradsher Tingen.

Roxboro, N. C. Dec. 13, 1928.

Dear Santa Claus: I am going to tell you what I want you to bring me. I am a little girl two years old, but I am trying to be real smart so you will bring me something very nice. Now I want you to bring me a doll that can say "mama" and can open and shut her eyes, also a little bed for her to sleep in, for I am afraid for her to sleep with me, because I might misbehave and I want you to bring me a little rocking chair to rock her in. But please don't forget to bring my two little brothers and little sister something too. Please bring me lots of fruits. Well, I guess I better close for tonight, for I am getting sleepy and guess you are too. Much love to Santa Claus.

Back in the city when the heat and the hot winds come, then is the time to go down to the sea where cool breezes blow straight off the blue and flashing water... but wherever you go... along the Coast, along the Delaware shores, past the Virginia capes, by the many miles of Carolina's islands... you'll find the familiar red "Standard" pumps with the "Standard" globe to service you by land or by sea... day and night... always dependable.
