

Plan Summer Meetings For The Farm Folks

Raleigh.—A state-wide meeting for farmers and their wives and one for the boys and girls have been scheduled for the last two weeks in July by the agricultural workers of the North Carolina State College.

The annual farm and home week or meeting of the State Farmers and Farm Women's Convention will be held at the college during the week of July 22 to 29, announces Dean I. O. Schaub. This meeting, last year, attracted some 2,000 men and women during the four days. The annual short course for farm women was held during the week with about 600 registered for the instruction. This summer, the dean expects this enrollment to be increased because of the growing popularity of short course work. Certificates are awarded to those women who attend four short courses in succession.

Another feature of farm and home week this summer will be the state-wide gathering of county leaders interested in forming a state-wide organization of farmers for putting into operation a long-time program of agricultural development in the State. The college officials will have the aid of Governor Gardner's Agricultural Advisory Board in this program and some interesting developments should occur, says Mr. Schaub.

The state-wide meeting of 4-H boys and girls will be held during the week of July 29 to August 2. It is planned to have at least one delegate from each organized club in the State. Plans for this short course are being prepared by L. R. Harrill, state club leader, and Miss Martha Creighton, district home agent. Last year, 625 young folks were present with their parents greatly outnumbering the boys. This summer, an effort will be made to have more boys to attend.

C. M. T. Camps

Write Mr. I. L. Holleman For Full Information

Dr. B. E. Love and Dr. G. W. Gentry, of Roxboro, are performing constructive and patriotic service to the Nation in freely giving their services in making physical examination of local boys seeking admission to the C. M. T. Camps, announced Mr. I. L. Holleman, County Chairman of the M. T. C. Association's enrollment committee.

Their voluntary action is gratefully acknowledged by all interested in the C. M. T. C. Campaign, and is especially appreciated by their parents and friends.

Pointing out facts derived from the last complete survey of the physical fitness of American youth, made during the World War, which showed nearly half of the Nation's manhood suffering from bodily effects, Mr. Holleman says:

"I must urge the advantages of enrolling for C. M. T. Camps, if for no other reason than to discover actual conditions of health.

"The majority of physical defects discovered by war-time examinations could have been corrected by timely treatment," he declared. "It would seem, from this experience, that the best gift a father can give his son is an annual visit to the doctor. If this were done, much suffering in later life might be avoided.

"Parents can obtain this free service and advice for the correction of defects for four years if their sons attend the C. M. T. Camps. In addition, the boys get, without charge, thirty days' training under expert in-

structors, all railroad fare, food, clothing, laundry, use of athletic equipment, and other essentials furnished free.

If interested please fill in the following blank application and return: Mr. I. L. Holleman, Roxboro, N. C.

Please send me information as to how I can enroll in one of the six Military Training Camps to be held this summer.

The Government pays necessary expenses. Camps are to be held in 1929 at Fort Barracoas, Fla., Fort Bragg, N. C., Camp McClellan, Ala., Fort Mcuirie, S. C., Fort Oglethorpe, Ga., and Fort Screven, Va.

Candy Party

On March 15th, quite a number of people gathered in the home of Mr. and Mrs. Charlie Long at McGhee's Mill and had an old fashioned candy party. There were about forty people present and after the candy was served they engaged in a guessing contest. Mr. Leonard Wilkins being the successful prize winner, which was twin dolls. Many interesting games were played until around eleven o'clock at which time the visitors left for home each one wishing for another such occasion. Those present were: Mrs. R. D. Long, Thomas Bass, Clarence Tingen, Mr. and Mrs. W. H. Bray and family, Mr. and Mrs. Early Mimms and family, Mrs. Ed Zimmerman, Ruth, Nora, Alma, Guy, and Eddie Zimmerman, Miss Cecil Wilkins, Linwood, and Garland Wilkins, Misses Lucy and Roxie Rubin Moore, Mr. C. A. Long, Rodney and Aubrey Monday, Misses Mae and Louise Ramsey, Mr. George Ramsey, Mr. Garland Henderson, Mr. Burrell Chisenhall, Mr. Clem Bray, Mrs. Jim Louis, Lotis, Alzo and Woodrow Louis.—F. L.

Mr. I. J. Day spent Sunday with his brother, Mr. John Day on Timberlake route one.

Mr. and Mrs. Nancy Day spent Saturday evening in the home of Mrs. Eanes.—Cor.

In Memory Of Mrs. Robin Brooks

Whereas, it pleased Almighty God who doeth all things well and who never slumbers, but rules in heaven and earth, called from our midst Mrs. Robin Brooks, February 27th, 1929. She was always loving and kind to every one and always tried to welcome one with a smile. She was a kind and gentle wife and to know her was to love her. Her troubles are ended here and we feel that she is blessed and is at home with her Saviour there to ever live, and rest. She can never come back to live with us, but we can meet her up there with our Saviour who will give us a home. (The funeral was held in Lambeth Memorial church of which she was a faithful member. The funeral was conducted by Rev. L. V. Coggins. May the good Lord comfort her husband and loved ones left behind.—Wilma Long.

It required seven years and two months to produce the millionth Model T Ford motor. The millionth Model A Ford motor was produced in slightly over fifteen months.

About 400 additional acres will be planted to peanuts in Scotland County as a result of a recent meeting of those who grew the crop last season.

Twenty-four major tornadoes occurred in the Middle West in 1927.

Sweetad-oh-line

"KIDS," I said. "Why it's not my fault your house is always full of neighbor kids."

"Maybe you think it isn't," he complained, "but ever since we've had the house all lighted up, the kids have stayed at home—and had their friends come over. And if you want to hear the worst quartet in the world, come over to my house between 8 and 10 any evening in the week."

The old boy sounded peeved. But he was secretly pretty pleased that his house was being used as a meeting place for the youngsters. I tell you, you have to make things attractive for kids these days. And it's worth the effort.

"it's the Champion"

Have you tried the new improved "Standard" Gasoline?

If not, in fairness to yourself you should. Especially if you are looking for new records in all 'round motor efficiency.

This super-performance fuel is making friends by the thousands. Everywhere there is a warm chorus of praise from both motorists and dealers who are passing on the information that "it's the Champion."

Test it for yourself. It has everything you want: start and acceleration—like a wild colt on the getaway and pickup; power—the uncomplaining, swift power of unleashed lightning. No "talking back" on the hills. No carbon. And it burns clean to the last drop. No crankcase dilution. A pure, clear, white gasoline. On sale at the big red "Standard" pumps with "Standard" globes. Insist on the genuine. Made and guaranteed by the Standard Oil Company of New Jersey.
