## COLONEL LINDBERGH AND AMBASSADOR'S DAUGHTER ANNE, MARRIED IN NEW JERSEY

Famous Aviator And Miss Anne  
Spencer Morrow United At  
Quiet Ceremony

SPRING SURPRISE ON  
NEWSPAPER MEN

Young Couple Leaves By Motor Immediately After Ceremony For An Unannounced Destination; Orders To Prepare Lindbergh's Plane At Roosevelt Field For Flight Believed To Indicate Beginning Of An Aerial Honeymoon Today; May Go To Morrow Summer Home At North Haven, Maine; Ceremony Without Usual Frills, Miss Morrow Not Being Attended By Bridesmaids And Lindbergh Dispensing With A Best Man; Ambassador Morrow Makes Formal Announcement Of Wedding Newlyweds Drove Past Unsuspecting Newspaper Men Following Ceremony And Disappeared

Englewood, N. J., May 27.—Miss Anne Morrow and Col. Charles A. Lindbergh were married at 4 o'clock this afternoon at the Morrow home here.

The couple left immediately in a motor car for an unannounced destination.

Only the immediate members of the family attended the ceremony. Miss Morrow was not attended by any bridesmaids and Lindbergh had no best man; it was said by the secretary of Ambassador Dwight W. Morrow after the ceremony.

The secretary said he was not authorized by Ambassador Morrow to reveal where the newly-married couple would spend their honeymoon.

The ceremony was performed by the Rev. Williams Adams Brown, of Union Theological Seminary, a close friend of the Morrow family.

Was Unexpected.  
The announcement came so unexpectedly as to catch friends of the family and newspapermen off guard. There had been signs of unusual activity at the Morrow home all day, but there was no intimation that the ceremony was to take place this afternoon.

It has been rumored for several weeks that the arrival of Ambassador Morrow from Mexico City would be followed closely by an announcement of the date and place for the wedding. Most friends of the family, however, believed elaborate preparations would be made and that a large number of prominent guests would be invited to the ceremony.

The Ambassador, however, remained as silent as his son-in-law about the wedding plans. When met at the train yesterday, he gave no intimation that the wedding was so near at hand; meeting all questions with the familiar words of the flyer, "I have absolutely nothing to say."

It was considered possible that Lindbergh and his bride may be en route to the Morrow summer home at North Haven, Me., a secluded island retreat where many heretofore had believed the wedding might be held.

Formal Announcement.

The announcement of the ceremony was made in the formal manner which the ambassador promised soon after the engagement was made known. Almost three hours after the couple had been married the ambassador instructed his secretaries to phone the various New York newspapers and press associations and make only this statement:

"Mr. and Mrs. Dwight M. Morrow announce the marriage of their daughter, Anne, to Col. Charles A. Lindbergh, at Englewood, on May 27. Only the immediate members of the family were present."

The secretary who called the United Press consented to add that the couple had left the Morrow estate immediately after the ceremony in a motor car, but so far as could be learned at the time of the announcement, no one knew their immediate destination nor who accompanied them, if any one.

Despite the efforts of the Morrow household to keep secret the whereabouts and destination of the couple, it was believed by aviator friends of the bridegroom at Roosevelt Field that they had hidden themselves somewhere within the metropolitan area for the night preparatory to leaving on an aerial honeymoon trip early tomorrow.

### Seiners Notice

There will be no lawful seining in this County until July 1st and through August, and then only carp, catfish and suckers may be taken. State sanitary laws will exclude all seining in the two Flat Rivers.

## Senior Play Tonight

The graduating class of the Roxboro High School will present "A College Town" at the High School auditorium tonight, at 8:15. This promises to be one of the very finest features of the commencement exercises and the entire town and community are invited to attend.

## LIQUOR, CAR AND MAN CAPTURED

Pontiac Car And Eighteen Gallons Of Whiskey Captured; One Man Escapes

Early this morning Sheriff M. T. Clayton received a phone message from Virginia officers warning him to be on the lookout for a Pontiac car occupied by two young men which was being chased by them for violation of the liquor law. Upon receipt of the message Sheriff Clayton proceeded to speed down Highway No. 13 and upon his arrival at Clayton's store he found that the Virginia officer had captured one of the young men and was holding him and the car, together with eighteen gallons of whiskey which was delivered to Sheriff Clayton. He brought the young man, Puryear, his car and the whiskey to town and gave him a hearing before Moe Goodman. A cash bond of \$500 was given by the young man and the car is still being held, as well as the whiskey. The other occupant of the car escaped, and his name was not learned.

## BRUMMITT RULES AGAIN ON SCHOOLS

Holds That It Is Duty Of  
County To Provide Maximum Of Teachers

Raleigh, May 29.—Attorney General Dennis G. Brummitt yesterday issued his second ruling on the Hancock school bill passed by the 1929 General Assembly. Like the one issued six weeks ago, the new ruling is regarded as placing a liberal interpretation upon the law, which from its passage until the Attorney General's first ruling was greatly feared by the school people of the State.

In yesterday's ruling Mr. Brummitt undertakes to divide the taxes which county commissioners may levy for school purposes into two classes, those it is the duty of the commissioners to levy and those they may levy in their discretion.

The Attorney General places in the former class taxes for the maximum number of teachers allowed under the "teacher load" provisions of the taxes and also for the additional five dollars per month on account of experience allowed teachers for the first four years of their service.

In the last paragraph the Attorney General warns that all budget making is subject to the power of review of the State Board of Education, but that board has already decided not to use that power this year except in exceptional cases, if at all.

### New Law Firm

His friends, and they are many, will be glad to know that Mr. Jno. A. Bailey has formed a partnership with Mr. Cooper A. Hall and will practice his profession here.

## DEATH CLAIMS TWO GOOD OLD WOMEN

Mrs. John H. Day And Mrs.  
Cecile Cozart, Old Friends,  
Die Same Day

Last Saturday death claimed two of Roxboro's oldest and best loved women. Mrs. John H. Day and Mrs. Cecile Cozart. Mrs. Day died at the home of her son, Mr. Andrew Day, at 8 o'clock. For more than two months she had been confined to her bed, and death was not a surprise. She leaves two sons, Mr. E. T. and J. A. Day. Funeral services were conducted from the home at 3 o'clock Sunday afternoon. Elder J. A. Herndon of Durham having charge of the services. Her body was laid to rest in Burchwood cemetery.

On the same day at 3:30 p. m., Mrs. Cecile Cozart, who lived just across the street on Webb Avenue, was called to her reward. These two Godly women were staunch friends, and during their illness would converse across the street, inquiring as to their condition. Mrs. Cozart was a faithful and devout member of the First Baptist Church of Roxboro, indeed, the Pastor says she was one member he could always count on being in her accustomed seat, not only on Sunday, but at the mid-week prayer services as well. The funeral services were conducted from the church, led by her Pastor, Rev. W. F. West, and interment made in Burchwood cemetery.

## Commencement Started Sunday Morning; Forceful Sermon By Dr. Ben Lacy

### Notice!

To all owners of Real and Personal Property of Person County

The law requires that you list your property during the month of May for Taxation. Only a few days left. If you have not already done so see the list taker in the Township in which you reside at once and make your return.

The legal penalty for failure to list will be invoked upon each person who neglects to make return of his property for taxation. J. S. WALKER, Tax Supervisor.

## Mr. H. L. Crowell Named Commissioner

Mr. A. C. Gentry, formerly a member of the County Board of Commissioners, having been appointed Clerk of Court, appointed Mr. H. L. Crowell to fill out his unexpired term. Mr. Crowell was sworn in and at a called meeting of the board was elected chairman.

Mr. Crowell is one of the best known men of the County, recognized for his moral worth and business ability, and his appointment will meet with general approval.

### Edgar Long Memorial

Now that commencements, recitals, etc., are over, and we have enjoyed and appreciated them very much, let us again turn our thoughts toward the sanctuary of the Lord, and fill the houses of worship in Roxboro next Sunday. We have seen during the past few weeks that there is much talent in the town. If God could just get a chance at it. It would make a world of difference to the people in this section. Let's not allow our church enthusiasm to wane, but make it grow and increase as the summer months approach. Unless you have an excuse that is acceptable to God you should be in your place every Sunday. He expects it of you and your church expects it of you. Sunday school 9:45; sermon and communion at 11 and 4:00. The Epworth League at 7:15.

You will find a welcome at all these services. "Come thou with us and we will do thee good."

T. A. SIKES, Pastor.

Prof. G. C. Davidson, who has just closed his second year as Superintendent of Roxboro City Schools. An educator of note and a power for civic righteousness in any community.

## Still Captured In Allensville Township

Sheriff Clayton is making things a little bit unpleasant for those who have chosen to follow the trade of whiskey-making. A trip was made by him to Allensville township yesterday afternoon which resulted in the location of a still which was being lined up for ready action, nearly everything being in complete readiness for a run to be made. The operators caught a vision of the Sheriff just a little too early and made a hasty getaway. The outfit was brought to town and no more liquor will be made in it.

## Large Crowd Hears Sermon; Forty-Three Members Of Senior Class

TIMELY ADVICE TO ALL

Sunday morning, May 26th, marked the first exercise of the closing of the 1928-29 term of the Roxboro High School, when Dr. Benjamin Lacy, President of Union Theological Seminary, Richmond, Va., preached the commencement sermon. The auditorium was well filled with an audience of patrons and friends of the school, who followed Dr. Lacy all the way through his message in almost breathless attention. It was indeed a rare treat to listen to this man of God, who is gifted with unusual talents, as he painted in words of charming eloquence, on the minds of the graduating class, as well as on the visitors, the imperative need of courage and the fully dedicated life, filled with "superb daring and endeavor."

The graduating class is composed of forty-three fine young boys and girls and as they marched in single file into the auditorium with their tasseled caps and flowing gowns, presented an inspiring picture. Dr. Lacy emphasized the great reality to them, that the occasion could indeed be called a commencement, pointing out to them the fact that if life's fair dreams are ever to be realized they must continue to carry on, and that at each turn in life's highway, determine to impart a wholesome influence to life's associates, and that they were just commencing to enter the great responsibility.

## Next Poultry Sale On Tuesday June 4

The fourth poultry sale will be held Tuesday, June 4th, on the courthouse yard. The price of hens remain the same as last sale while broilers are off a little. A larger truck has been secured which can carry 80 coops at a load. This will relieve any congestion that might occur with a smaller truck, hence there should be no delay in getting prompt attention on arrival.

Cards are being mailed out on the different routes in the county stating price paid. It is advisable to have your poultry here not later than three p. m., as the truck may have to leave at that time to make train connections at Hillsboro.

## GREEN FLASH AND YELLOW BIRD GET READY FOR TRIPS

Trans-Atlantic Hop-Off Expected To Be Early This Morning

WEATHER REPORTS GOOD

Old Orchard, Me., May 28.—After a week of impatient waiting for favorable flying weather, the American and French transatlantic aviators tonight were in receipt of weather reports which pointed to take-offs for Europe early Wednesday morning.

Unless the flyers receive unfavorable reports late tonight from Dr. James Kimball, New York meteorologist, the American monoplane "Green Flash" will begin its flight to Rome, and the French monoplane "Yellow Bird" will start for Paris.

## MISSOURI AVIATOR HANGS UP A RECORD

Barney Zimmerly Reached A  
Height Of 24,600 Feet To  
Break World's Mark

East St. Louis, Ill., May 28.—Ascending to a height of 24,600 feet above Parks' airport here today in a 690-pound low-wing monoplane, Barney Zimmerly, of Marshall, Mo., broke the world altitude record for light airplanes.

His mark is unofficial pending a check of a barograph of the National Aeronautic association by the bureau of standards in Washington.

The height recorded by Zimmerly's altimeter, exceeded both the record of 22,500 for single-seat planes, held by Paul Baumert, German flier, and the record of 19,862 feet for planes weighing less than 881 pounds, held by Captain G. DeHavilland, of England.

The first international long distance telephone circuit in America was established in 1882.

## TEST PILOT ALOFT TO SMASH RECORD

Herbert J. Fahy Hopes To Surpass  
Mark Established By  
Martin Jensen

Los Angeles, May 28.—Herbert J. Fahy, a test pilot, winged his way through the skies today in his second attempt to hang up a new solo endurance flight record.

Carrying 435 gallons of gasoline, said to be enough to keep his plane aloft for about 40 hours, Fahy left the ground at 4:43:05 a. m., hoping to remain in the air long enough to surpass the mark of 35 hours 33 minutes and 21 seconds made by Martin Jensen at Roosevelt Field, N. Y., last February. Fahy carried sandwiches, two quarts of black coffee, a quart of orange juice and smelling salts, the latter to ward off drowsiness.

### An Old Gourd

Mr. B. S. Glenn and Mr. Ned Moore happened in our office at the same time last week, and were discussing old family relics, when Mr. Glenn told about an old gourd in his possession. It belonged to his grandfather, and was secured in Sampson county. The gourd holds a little more than half a bushel, by actual measurement, and is about one hundred years old. But, said Mr. Glenn, he wanted the list takers to remember that it was not worth anything like a thousand dollars.

### Returns From Hospital

Friends of Mr. Ralph Cole will be glad to learn that he has returned from a Durham hospital where he had a successful operation for the removal of his tonsils.

### Announcement

I wish to announce to my friends and the public in general, that I have bought the American Cafe, opposite Crowell Auto Co. Main Street, Roxboro, and am prepared to furnish you something good to eat day and night.

## TARIFF BILL AS AMENDED PASSES HOUSE, 264-147

Measure Carries Increases In  
Import Duties On Farm,  
And Factory Goods

REJECT GARNER MOTION

Washington, May 28.—The tariff bill, written by the ways and means committee Republicans and designed to afford additional protection from foreign competition to thousands of products of American farm and factories, was passed by the House today by a vote of 264 to 147.

The measure carrying substantial increases in import duties on articles embraced in every section of the seven-year old Fordney McCumber law, and provides a reorganization of the tariff commission and the granting of increased power to the President in the matter of changing rates. It goes to the Senate, where the finance committee plans to hold extensive hearings before reporting it for consideration on the floor.

With plans under way for an all-summer recess, it was the opinion of Republican leaders tonight that the proposed legislation would not be taken up by the Senate itself for several months.

Passed by a margin of 117 votes, the bill was given the final House stamp of approval four months and three weeks from the day the subject was tackled in public hearings and after more than 100 amendments proposed by the way and means committee had been given further approval in bloc.

Garner Motion Rejected.  
Before the final vote a motion by Representative Garner of Texas, the minority leader, to return the bill to the ways and means committee, was rejected by 254 to 157 vote.

Garner had requested that the (Continued on last page)

## \$2,500 Double Indemnity Policy Pays \$5,000

Roxboro, N. C., May 23, 1929.  
Mr. S. P. Satterfield, Agt.  
Jefferson Standard Life Ins. Co.,  
Roxboro, N. C.

Dear Mr. Satterfield:  
I am in receipt of your check for \$5,000.00 in settlement of claim for the accidental death of my son, Carl Stephens, recently killed by a railroad train running over him. I was the beneficiary in the policy he carried with you for \$2,500.00. This policy carried the double indemnity feature for death by any accident, so instead of receiving \$2,500.00 as was entitled to, I as beneficiary, was paid \$5,000.00.

I have been a strong friend to life insurance all my life and I think all of my boys carry life insurance with you in the Jefferson. I shall advise my family and friends to carry no other.

I greatly appreciate the way you have handled this matter. While the accident happened in Virginia you have been courteous, prompt and willing to serve at all times.

Again thanking you, I am  
Yours very truly,  
MRS. G. STEPHENS.

## Roxboro Defeats Bethel Hill In Exciting Game

Last Saturday Bethel Hill, probably the strongest and best school team in the County, found their Waterloo when they went up against the Roxboro town team. It was an exciting game from start to finish, in fact at the ending of the eighth frame it looked as if the Bethel Hill boys had things tied up, but the Roxboro boys came back in the ninth in their strongest manner and clinched the game with the score 9-7. James Clayton, pitcher for the Roxboro boys, was at his best and was the star of the game, with Long, R., and Sikes adding to their fame.

### Off On Long Trip

Mr. S. B. Davis left last Friday for Dallas, Texas, where he will attend the International Convention of the Rotarians. At the close of the convention which will be May 31st, he will visit the plant of "The Texaco Company," located at Port Arthur, Texas, and will also visit other points of interest in the Southland and will be gone several days.
