

\$100 Cash Offer Ends Saturday

PRICES CONSIDERABLE HIGHER THIS WEEK

Sales Light Last Week, Owing To Bad Weather, 53,830 Pounds

AVERAGE FOR WEEK \$14.03

Last week was a bad week for the farmer, the weather was bad and prices were worse, but things took a decided change for the better on Monday and Tuesday's sales were equally as satisfying. Some of the houses averaged better than \$17.00 for sales the first of the week. Last week sales amounted to only 53,830 pounds, and made an average of \$14.03. Of course, this is too low, but if you noticed reports from the other markets you saw that prices were even lower on a number of them than in Roxboro.

The offerings have been of the poorer grades and you really can not tell just what good tobacco is going to do, but the general opinion is that prices are going to get better right along now. Any way, you can rest assured prices are going to be just as good here as they are on any of the markets, and our word for it, when they are not we will tell you about it.

Notice For Hurdle Mills Community

At 7:30 p. m., Friday, Oct. 11th, there will be a meeting at Hurdle Mills school in the interest of a Parent-Teacher Association. Prof. G. C. Davidson will talk on the purposes of the association. There will be a singing by some of the high school students and a reading by a visiting girl. Let all the parents, especially, come that we may do more for the good of our community and school.

Mr. E. Y. Pleasant Dead

Mr. E. Y. Pleasant was carried to the hospital last week at his home in Rocky Mount, N. C., where he died last Sunday morning. He had been ill for some time, though his condition was not thought to be so serious.

Mr. Pleasant was a native of Roxboro, where he was well and favorably known. He had been living in Rocky Mount for a number of years, where he was engaged in the undertaking business. He is survived by his wife, who is the wife of Mrs. Pleasant, and six children. Funeral services were conducted from the home on Monday afternoon.

Olive Hill P. T. Assn.

The regular monthly meeting of Olive Hill Parent-Teacher Association will be held Thursday afternoon, Oct. 17th, at 2:30 o'clock in the school auditorium.

It is requested that all who are interested in the school and its achievements will attend this meeting, and help make plans and discuss the work of the Association for the coming year.

The officers of the Association are as follows: President, Miss Luna Satterfield; Vice President, Mrs. Maurice Daniel; Secretary, Mrs. S. J. Dickens; Program Committee, Mrs. T. C. Wagstaff.

Pitt Wins From Duke

The foot ball fans here were very much surprised at the showing made by Duke in the Duke-Pitt game last Saturday. While few of the ardent Duke followers really expected Duke to win, they were quite sure there would be no runaway proposition. The new stadium was opened with this game, and it was almost filled to capacity, that being 35,000. It is said this stadium is one of the very best in the country, and this game shows that it is quite too large for when Duke gets going in athletics, as it will in a very few years, it will be taxed to its utmost to care for the crowds.

Has Your Subscription Expired?

Look at your label, for quite a number have allowed their subscriptions to The Courier to expire, and many more will expire during this month, October. We trust every one will renew promptly—give your subscriptions to one of the contestants, but do it at once, for we will have to cut off every delinquent just as soon as we can get to the list—which will be very soon after the close of the month. Renew today, and do not miss a single issue of our splendid serial story now running.

BETHEL HILL FAIR GOES OVER FINE

Over 1,000 Visitors View Exhibits; Community Booth For State Fair

SCHOOL EXHIBITS GOOD

Weather conditions were very threatening the first of the week but the day of the fair was fine and around 1,000 or more people saw the exhibits. Many thought the Fair exhibits to have improved in quality and arrangement. There was much evidence of improved selection and grading of produce. The work of the school children was of high quality, neat and attractive. Every department was good and the conduct on the grounds was excellent so far as the writer knows.

If there is any one who has not received his or her premium or is dissatisfied in any respect please notify Fair officials and proper adjustment will be made.

The people of Roxboro and surrounding territory have shown splendid co-operation.

ATHLETICS DEFEAT CHICAGO CUBS IN SERIES OPENER

Howard Ehmke Twirls Himself Into Hall Of Fame By Winning Series Opener

50,000 FANS WITNESS GAME

Wrigley Field, Chicago, Oct. 8.—Ehmke, regarded as a victim of Age and headed on downward path, mowed down 13 Chicago batsmen, including Hornsby and Wilson, with his strike-out scythe; blow from batted ball and error by Dykes in ninth frame prevented him from emerging with a shut-out over the National Leaguers; home run by Fox brought first blood in initial game and gave Athletics edge; Charley Root pitched effectively for Cubs until he made way for a pinch hitter; more than 50,000 fans crowded Wrigley Park to see thrilling and dramatic contest.

With a twirling masterpiece that astonished the baseball world in general and the Chicago Cubs in particular, Howard Ehmke, long lean right-hander, slow balled the Philadelphia Athletics to victory over the National champions today, 3 to 1, in the opening game of the World's Series.

At the age of 35, when he was supposed to be well on the downward path and a second string man at best in the A's cast of stars, Ehmke baffled the battling Bruins, justified the unexpected faith of the veteran Connie Mack and brought his triumph to a climax by smashing the World's Series records for strike-outs.

When the towering, angular Ehmke, in an exciting ninth inning finish, fanned Pinch Hitter Charley Tolson for the third out with two men on bases, he choked off the last of three Cub threats in dramatic fashion with his thirteenth strike out victim of the game.

Subscriptions Have Double Value In Votes And Apply On \$100 Cash Prize Also

IT IS HERE

We want to announce that the new Chrysler '26 Sedan, for the Courier Campaign is here and is on exhibition at our garage. We want to congratulate the lucky winner of this car, for, no matter how much work you have put in on this contest you are indeed fortunate, for it is worth months of hard work. Come in and see it, and then you will work just a little harder. Money can not buy a better car—some are higher, but none are better. It will be given the First Prize winner in COURIER \$3,500 Greater Circulation Campaign on the night of October 26th.

We take pleasure in congratulating in advance, the winner of this beautiful prize.

JACKSON MOTOR CO.

Strong Finish Of Big Prize Race Is Predicted And Big Week Is Indicated By Drive Members Activity—Members Who Mean To Win Big Car Are Leaving No Stone Unturned In Their Quest For Subscriptions—Big Race Ends Two Weeks After Present Offer Expires—Get The Winning Votes Now!

"They are going to finish strong." Here's why we think so: Reports from the outside sections are to the effect that the communities and towns are getting behind their favorites this week and urging them on to greater efforts and giving encouragement with the support of their subscriptions. Again the added Cash Prize for extra effort put forth this week is a great inducement and is appreciated by one and all alike. All are anxious to come in for the Cash Prize. Not alone for the prize itself, but for the knowledge that the extra votes that will be secured on the business turned in this week will go a long ways toward placing their names in the winning column when the big count takes place.

\$100 Extra Cash Prize. If \$100 in extra Cash Prize for twelve day's extra effort isn't sufficient inducement for one to put one's best effort for a period twelve days nothing is. And remember if you were the lucky Candidate on last week's Extra Cash Prize of \$50.00 given for the Candidate who turned in the most money for subscriptions for that week. You will have all the better chance this week on winning the \$100.00 Cash Prize, if you put forth every effort this week it is possible to win the \$100 Cash Prize in one week's work. One of the earnest workers will receive that much for the short period of twelve days for securing the largest amount of money for both new and old subscriptions. Not so bad is it? That isn't all either. Double the regular schedule of votes will be credited upon all subscriptions that are turned in this week. Subscriptions have two-for-one value this week.

Double Votes. While the number of extra votes credited upon subscriptions is not as great as the preceding extra vote offers, it is such that if a member exerts himself or herself to the fullest extent getting subscriptions and have them apply under the present Cash and Double Vote Offer, the additional votes will place him right in line for some of the very best things on the list. One thing is certain, with the value of the prize list at such a high figure and with the extra prize to spur one on, it is needless to say that one and all will make a determined effort to outdistance all competition this week. Some perhaps have not cared to show their real capacity for getting subscriptions up to this time. These will leave no stone unturned in their quest for subscriptions now while their efforts will be rewarded so bountifully.

End Drawing Near. After this present week, just two weeks remain until the race ends and the votes will be counted. Then the victors will receive the rewards for their efforts. Two big handsome new automobiles will be presented their new owners. Just who these fortunate members will be may be decided by the votes obtained now under the big Cash offer. Go to it, members, good and strong this week, and secure enough extra votes on your subscriptions to land the prize for which you have been striving so valiantly. Get that "gasoline" money now! This week!

If You Expect Good Fruit You Must Give The Tree Close Attention

LAST CHANCE TO USE PARADICHLOROBENZINE

By H. K. Sanders

Peach trees should be treated at once for borers. Oct. 16th is the latest date recommended by the Experiment station for using paradichlorobenzine around the trees. This long named chemical when properly applied according to directions will kill the borers, thus preventing them from eventually killing the tree.

These borers at the base of the tree will kill a tree in about three years unless they are destroyed twice a year. The borers can be dug out by a careful hand who will take pains and look for the places carefully, but this chemical will do the work easier and by far better.

Level the ground around the base of the tree and make a small ring about an inch wide and an inch from the bark of the tree. Apply one ounce per tree four years old or older, and for young trees three years old, apply about half an ounce per tree. On two year old trees, do not try to use this medicine as it will likely kill the tree.

Pile dirt on the medicine five inches high, gently tamp the dirt so as not to force the medicine against the bark of the tree, and in six weeks take a hoe and tear down the mound level with the ground. Next April, repeat the treatment.

Mrs. M. D. Giles Dies

Mrs. M. D. Giles of Reidsville, N. C., died at Leaksville hospital September 7th. Mrs. Giles was formerly Miss Lula Royster of Northern part of Granville County, and was from one of the best families in the county. She leaves three brothers, H. A. Royster of Granville; R. W. Royster, of Reidsville, and E. M. Royster, of Goldsboro.

In Durham Hospital

Mrs. E. G. Cole was carried to the hospital in Durham last week and underwent an operation for appendicitis. Her condition was such that it would not permit them to administer an anaesthetic. We are glad to know her condition is favorable and that she is getting on very well.
