LARGE CROWD SEE THE NRA PARADE

Old Man "Depression" Buried, We Hope Permanently; Merchants Cooperate

MRS. GEORGE A. DUNCAN IN CHARGE

The NRA parade last Saturday was quite a success, and enjoyed by a large crowd. The parade was headed by the Boy Scouts, followed by a band, and then came Mr. Perkins driving a beautiful span of horses hitched to an old time hearse, in which was supposed to rest the body of old man Depression. The merchants were well represented by numerous floats, all decorated in keeping with the occasion.

After the parade there was supposed to be exercises, speeches, etc., in the court house, but the crowd seemed to shy off when they returned to the front of the court house. So few being present these exercises were called off.

Mrs. Duncan, and her assistant, Miss Edna Cole, have arranged for a canvass of the housewives of the town and County, and this drive is on this week.

Farmers Cool Off As Weed Prices Improve

Heavy Sales Yesterday With Little Open Dissatisfaction Expressed By Growers At Any Place

SUPERIOR QUALITIES BRINGING MORE THAN BEFORE THE HOLIDAY

No Disorder At Wendell Where Sales Stopped Monday

Heavy sales with little open dissatisfaction expressed by growers was reported from the Carolinas tobacco markets yesterday.

In several markets, prices advanced slightly with superior grades commanding a better price than they did during the first day of the market re-opening.

Averages still far from the 17-cent a pound parity prices which had been sought, but are above those commanded before the voluntary marketing holiday. With the coming of better grades to market the payment of better prices is expected.

In Washington last night S. Clay Williams, president of the R. J. Reynolds Tobacco Company, gave out a statement in which he said that the unexpectedly low price Monday was due to the fact that much of the tobacco offered had been damaged.

No Disorder at Wendell. Sales were orderly at Wendell, where they were interrupted Monday by bitter farmers. There was not a trace of the disturbance that marked the preceding day's sale and farmers were better satisfied. Few tags were turned. About 275,000 pounds was sold.

That farmers want to turn their tobacco into money without further delay was indicated at Wilson where it was stated the receipts were greater than on any previous day in the history of the market. Sales were run at top speed but reports stated that a dozen baskets were unloaded for every one sold.

At Kinston also the greatest rush in the history of the market was reported. Streets in the warehouse district were choked with farmers' vehicles and weed was piled up in baskets outside warehouses to remain until room could be made on the inside.

Over two million pounds was offered for sale at Greenville. Tabulators last night had not footed up the total. Official sales there Monday were over a million and a half pounds at an average of \$12.82.

Prices were reported as ranging materially higher at Rocky Mount with offerings of well over 1,000,000 pounds. Official sales yesterday when the market reopened amounted to 1,069,372, an all-time record at Rocky Mount with the average price of \$13.75.

DRY FORCES MEET AND NAME CANDIDATE

Mr. W. R. Wilkerson Named As Candidate For The Convention

TO PUT UP ACTIVE FIGHT

At a called meeting of the dry forces Mr. W. R. Wilkerson was unanimously chosen as a candidate for the Convention to be held as per an act of the recent Legislature. The committee showed good judgment in selecting a candidate, for Mr. Wilkerson is one of the best known and most popular men in the County; he has been chairman of the board of education for many years and has taken an active part in every moral issue which has been before the people.

While the sentiment is very much divided in this County it is by no means certain just how the election will terminate. While it can not be said to be a question of "wet" or "dry," for there are many prominent citizens of the town and county who will vote to repeal the eighteenth amendment but are dry as a bone when it comes to prohibition. However, the dries think that this election is only the beginning of the end.

Our motto: "The union of all for the good of all." Come join with us in melody and sentiment of our club song.

"With joy we meet, each friend to greet,
From mountain and from sea;
Hand clasped in hand, as one we stand
In faith and loyalty.
We love our work, no task we shirk,
We serve where needs are found;
A good deed done, is for each one,
To make more joy abound.

Afre with zeal, we seek the weal,
Of Nation, State, and Home;
That all may share in our welfare,
And none be forced to roam.
Always we seek to lift the weak,
To help the strong grow wise;
To fill our hearts with love and peace
That we, with them, may rise.

Let Carolina womanhood
Arise in all its might;
With purpose strong, to right the wrong,
And make earth's pathways bright.
God guide us in our work and play,
God keep us brave and true;
Our efforts bless, and bring success,
To all we strive to do."

Robbers Break Into Hurdle Mills Store

Sometime during Monday night or early Tuesday morning Mr. Dan Whitfield's general store at Hurdle Mills was broken into and a quantity of merchandise taken out. These were very astute thieves because apparently they left no clue of any sort. The robbery was not known until opening time on Tuesday morning when it was found that the front door had been forced open in spite of the fact that it was double locked. Upon examination it was found that goods valued at around hundred and fifty dollars had been removed from the store. No trace as to the identity of the robbers has as yet been uncovered.

MR. CARLTON ADDRESSES ROTARY CLUB

The Vocation Service Committee, with J. A. Long as chairman, gave the Roxboro Rotary club a very interesting program at its regular meeting Thursday evening. Mr. L. M. Carlton, attorney, was the principal speaker of the evening and made an excellent talk on "Legal Ethics." He traced its history from many years and gave illustrations of underhand methods which unethical lawyers use to get business. He stated that the basic principle of right action is the test of all ethics. He explained that it was the duty of the attorney to defend rather than criticize the judge. His talk was interesting and entertaining and thoroughly enjoyed by everyone.

Mr. George Walker, a new member, was presented to the club by Dr. B. E. Love. His presentation was instructive and highly interesting. He explained to Mr. Walker the principles and fundamentals of Rotary and the responsibilities of each member.

James Abbit, a high school student, was a guest of the club.
