### ENTIRE TOWN JOINS IN CELEBRATION OF ARMISTICE DAY

American Legion Boys Lead Celebration Of Fifteenth Anniversary Of Armistice

### LARGE CROWD PRESENT

With the Lester Blackwell Post of the American Legion leading the celebration Roxboro and Person County observed the fifteenth anniversary of the close of the World War on Armistice day, which was last Saturday. The exercises opened with an assembly of all the ex-soldiers in front of the courthouse at 9:45 a. m. The soldiers formed into ranks and paraded through the main part of town. After the parade everyone assembled in the auditorium of the courthouse to hear Mr. I. T. Valentine, speaker of the occasion. Mr. R. A. Whitfield, Commander of the Lester Blackwell Post, presided over the meeting. Invocation was by the post's chaplain, Rev. J. F. Herbert. The chairman, in a few words, welcomed the ex-service men to the celebration of such an important event. During the course of the program the children of the ex-service men gave several selections in song which recalled to the soldiers and to the remainder of the audience the war time. This group was directed by Miss Katherine Hatchett, music teacher in the Roxboro City Schools. It was a very touching part of the program.

One of the most beautiful and impressive events was the service held at the eleven o'clock hour when Dick Puckett, one of the local boy scouts, blew taps on his bugle in commemoration of the boys who died in France; this was followed by a thirty-second period of silent prayer and was taken up by Rev. A. J. McKelway, pastor of the First Presbyterian Church. The speaker, Mr. Valentine, was late in appearing and so Rev. W. F. West, pastor of the First Baptist Church, was called on to pinch-hit for him. He made a plea for peace and righteousness on the part of ex-soldiers and everyone else. Miss Rachel Long, small daughter of Mr. Kenneth Long, very touchingly read "In Flander's Field," an immortal poem of war-time.

Before Mr. Valentine arrived Mr. B. I. Satterfield and Rev. V. E. Duncan had been called in to help Mr. West pinch-hit for him. Mr. Valentine came and his address was well worth waiting for. He recalled many of the valiant deeds of glorious North Carolinians in many wars and especially the bravery and courage of them in the last war. He pleaded with the Legionnaires to lead upright lives and set the example for those who are growing into young manhood and womanhood now. His remarks were enjoyed by his audience as evidenced by the close attention and applause accorded him. Just before he spoke Miss Lucile Collins, talented teacher of expression, of Spring Hope, N. C., read to the audience a selection which recalled many forgotten memories.

After the exercises the Legionnaires repaired to the Pioneer Warehouse for dinner and it was one to brag about for many days. Here is a complete copy of the program for the entire day:

1. Assembly
2. Parade
3. Exercises in the Courthouse
4. Dinner
5. Baseball game (cancelled)
6. Dance at the New Hotel Jones, 8 p. m.—11:59 p. m.

### P. T. Association To Meet Monday

The Parent-Teacher Association will meet in the Central School Monday afternoon, Nov. 20, at 3:30. Please note the day and hour and plan to come. An interesting program is being arranged and your presence is earnestly desired. The banner will be given to the room having the most parents present, and an additional prize will be given to the room with the greatest percentage of parents who are paid members. Can we not make our attendance as gratifying as on the day of our parents' visitation?

### Person Red Cross Chapter To Start Annual Roll Call

Notwithstanding the extraordinary burden created by economic depression the relief needs of victims of one hundred twenty disasters in the United States and abroad were met by the Red Cross in its regular stride.

Other regular services such as First Aid, Life Saving, Public Health Nursing, Home Hygiene, Nursing Service, and Junior Red Cross work will go forward just the same since we are so determined to make this our biggest and best Roll Call.

Mr. J. Howard Young, Chairman of the Roll Call for the Person County Chapter calls upon the people for their wholehearted support in the annual Roll Call, which chiefly finances the work of the society.

"Roll Call is an emergency within itself for it largely determines the ability of Red Cross to meet the many emergencies of the year. The need is particularly great this year and I know our people will generously respond Nov. 30th."

### Business Woman's Club Organized

A new organization, the Business Woman's Club, was organized on Monday night at the New Hotel Jones. This club is composed of the ladies who hold positions with local firms and its organization is somewhat along the lines of the other civic clubs of the town. We are happy to announce the formation of such a club for the younger ladies and wish for them success in their every venture. They organized with twenty-five members and elected these officers:

- President, Miss Hazel Price.
- V.-Pres., Miss Wilma Walker.
- Sec.-Treas., Miss Myrtle Riley.
- Pianist, Miss Mary Riley.
- Chairman, program committee, Miss Winnie Wilburn.
- Project committee chairman, Mrs. Zula Lawson.
- Chairman membership committee, Miss Mamie L. Barnett.

to John Shields Harvey, Jr., the wedding to take place in the winter.

Miss Henry is one of the most popular and charming young women of Durham, where she is active in all social and civic matters.

### Enviably Reputation

No doubt you will see the attractive looking advertisement that The Newells, Jewelers, has in this issue. This firm has been in business here for many years and they have won an enviable reputation in these years of service to Roxboro and Person County. We urge you to go to see them when you are in town.

### Longhurst School Community Meeting

### Will Attempt To Organize Person Unit

Mr. J. W. Johansen Will Be Here Tomorrow To Help Organize Unit

### POULTRY SALE NOV. 20

Mr. John B. Mann, field representative of the Crop Production Corporation at Columbia has written the delegates that Mr. J. W. Johansen will be in Roxboro Thursday morning, November 16, at 9:00 o'clock to confer with them regarding the organization of a local unit for Person County where worthy farmers may have an assured place to file applications for crop production loans in 1934.

At this meeting it is proposed to apply for a charter, and elect officers and a Board of Directors for the loan association in order that the members will be ready for business after the holidays. This local unit is organized on the same plan as the Federal Land Bank, and has the same directors at Columbia as the Land Bank.

We are expecting the tobacco acreage contracts at an early date. As soon as the contracts arrive the committeemen who assisted in the drive for the tentative agreement will be called together to have the contract explained to them in order that they may have the proper information to take to the signers of the agreement. When this is done the committeemen will meet the signers at certain designated places to have the contract executed.

The Thanksgiving-poultry sale will be held Monday morning, November 20th.

From reports received this week where corn or wheat has been grown in rotation with lespedeza, twelve farmers give an average of 29.52 bushels of corn per acre after two years of lespedeza turned under compared to a yield on similar land without lespedeza turned under of 19.02 bushels per acre. For wheat, five reports show that an average of 22.2 bushels were made after two years of lespedeza on the land, compared to a yield of 10.05 bushels on similar land without a rotation, or lespedeza turned under for soil improvement.

On the rounds last week, the farm agent found six lespedeza seed pans at work harvesting lespedeza seed for next spring seeding. This is as it should be. When you have your own seed in your own barn next February, you will come nearer seeding this important soil builder on your grain land than you would if you had to order the seed in these times.

### Roxboro Plays At Bethel Hill Friday

On Friday, Nov. 17th, at three o'clock, Bethel Hill and Roxboro gridlers will clash on the J. H. Merritt field at Bethel Hill for what will probably be one of the best games of the year.

Last year the game ended in a scoreless tie. Both teams are evenly matched, and it is uncertain which will be the victor. The Roxboro players are out to defeat the Hilltoppers, and if Roxboro should win, it will be the first time in a number of years.

Last week Bethel defeated Yanceyville 45-0, and several of the best players were hurt and may be unable to play against Roxboro.

### Low Prices

Our tobacco farmers are interested in low prices, as well as high, and if you will read the advertisement elsewhere of Harris & Burns you will find prices that will interest you, because they are below the present actual values. Your dollars will do full duty if you spend them with Harris & Burns at this real money-saving sale.

### Very Interesting Today

If you were short of cover last night, and turned over and over trying to get warm, you will be interested in the blanket sale which Harris & Burns is staging this week. You will save money by attending this sale.

### NOTED PIANIST AND ENTERTAINER COMING

Harold Loring Will Present An Entertainment At The Central Graded School

### TUESDAY NIGHT, NOV. 28

Harold Loring, interpreter of Indian music and legends, will present an entertainment in the Central school building on the night of Nov. 28. Mr. Loring was commissioned by President Theodore Roosevelt in 1910 to go among the American Indians and study their lives, customs, and to bring back with him an interpretation of their music. This program which he is going to present is based on the study which he made at that time. He has devoted his entire life to this work and his program is one of high-class entertainment, one well worth the time of every person in Person County.

Mr. Loring won the respect and friendship of the old-time chiefs, gained their confidence, and was permitted to enter in to the lives of the first Americans as have few other white men. For the first time the wild, weird beauty of these songs, true to native primitiveness, was caught by a white man. It is this that he brings with him when he comes to entertain us on Tuesday night, Nov. 28, at 7:45, in the Central Graded school building. Mrs. Aruthr Schulhoffer is chairman in charge of the sale of tickets. Admission will be 25c for adults and 15c for anyone who is attending either grammar or high school.

### Boy Scouts Notice

The Roxboro Boy Scout Council will have their regular monthly meeting Tuesday night, Nov. 21st, 7:30 p. m., at Hotel Jones. Full attendance of members will be expected.

### Meeting Postponed

### ROXBORO MARKET IS GOING STRONG

Monday's Sale Was The Largest For The Season In Pounds And Price

### MARKET AVERAGED \$19

Monday saw the largest sale of the season for the Roxboro market, and notwithstanding the heavy sales the prices were unusually good, the market averaged for the entire sale at all of the houses \$19 a hundred. A number of piles of wrappers sold for better than \$70, with the common grades very strong.

We are really proud of our market, and candidly believe every farmer who is selling here this year is satisfied, not only with the price, but with the fact that this market is paying as much as any other market. You may not realize it, but it is true that the tobacco market here means much to the farmer, as well as to the town. You may not realize it, but it is true nevertheless, that when you haul your tobacco a distance of thirty, forty or fifty miles it costs money, and when you sell here you save not only this cost, but you save time as well.

### Notice

The Woman's Club room is open for the use of any who need a large, comfortable room for entertainment at bridge, or parties of any kind or to serve clubs, organizations or fraternities at a very reasonable price. Your use of this room will enable the Woman's Club to carry on their civic work which is so important to the making of our town and community a more fit place in which to live.

We will appreciate your help along this line very much.

Mrs. S. B. Davis.

### Breaks Arm

Miss Mary Harris, daughter of Mr. W. H. Harris, had the misfortune last night to fall and fracture a bone in her right wrist. Although the fracture caused considerable pain, Miss Harris is able to attend to her duties almost as well as before.

### Presbyterian Church

Work is progressing rapidly on the Presbyterian Church. The parts damaged by the recent fire are being restored to their former condition and the church will be ready for occupancy again in time for the regular services of worship next Sunday morning.

The membership of the Presbyterian church wishes again to express its deep appreciation for the sympathetic interest shown by all its friends and the many kind offers on their part to be of any possible assistance. The church is grateful to the County officials for the use of the Court House as meeting place for the worship services and particularly to Mr. Long for his care in seeing that nothing was overlooked for the comfort and convenience of the congregation. Please note that the regular morning services for the Sunday School and church will be held in the Presbyterian Church next Sunday morning.

### Important Notice

By order of the Commissioners I am compelled to collect all poll taxes due for the year 1932, and unless all who are due these taxes come in and settle I will be compelled to levy on any and all property; personal or otherwise, and this will cost the taxpayer \$1.00 extra. Please save yourself this extra cost, and me the trouble and necessity of so unpleasant a task by coming in and paying your poll tax as above. Please attend to this at once.

M. T. Clayton, Sheriff and Tax Collector.

### School News Left Out

We regret that the school news from Roxboro schools is crowded out this week. After we had made our first run our advertisers came in calling for extra space, and to accommodate them we were compelled to leave out this news, as well as quite a bit of other interesting matter. We make this apology to School News editors and trust they will sympathize with us, and continue to let us have this important news.

### First Week Of Big Campaign Finds Candidates Running Close In Votes

### INTEREST GROWS DAILY; STILL TIME TO ENTER

"Live-Wire" Candidates Are Beginning To Realize The Importance Of Getting In Every Subscription Possible On The 300,000 Extra Vote Offer Closing Saturday Night; Campaign Office To Be Open

The great Extra Vote Offer, which is in effect this week, gives real workers an opportunity seldom ever offered early in the campaign. Usually the biggest Extra Vote Offers or inducements are made later on in the race and they are given at a time when subscriptions are harder to find.

The "Christmas Club Cash Offer Campaign" is conducted upon entirely different lines from the ordinary "voting contest." The Courier is not attempting to decide the most popular man or woman by any means. There is very little similarity to a "contest" in the "Christmas Club Cash Offer" Campaign.

The awards will be made strictly upon a basis of results the candidates secure during the campaign. "Results Count," is a timely slogan and it applies forcibly in the "Christmas Club Cash Offer" Campaign. The campaign is purely a business proposition wherein men and women enter into competition with each other on the same basis and the results decide the size and nature of the reward.

Every day—New ambitions are aroused. New determination springs forth. And—new nominations are added to the roster of those who will compete in the Courier "Christmas Club Cash Offer" Campaign. The great award distribution continues to excite enthusiasm throughout the Courier territory. Interest is increasing every day that passes. The "Christmas Club Cash Offer" Campaign has made a hit every—(Continued on last page)

### HIGHWAY FORCE ON THE GROUND

Contract has been let and a force from the State highway department have moved in, and are occupying offices in the old postoffice building. Route 144 is about seventeen miles from here to the Virginia connection at Virgilina, and we understand six and one half miles has been let. As a chain is said to be no stronger than its weakest link, we wonder how they figure that this sort of link will be of much service.

### Mr. Long Returns

Mr. J. A. Long, who has been at Duke hospital for the past week for treatment, returned home last Thursday afternoon. While he is confined to his bed, his condition is much better.

### SALE OF SALES

Messrs. Hambrick, Austin & Thomas will have the sale of sales this week, beginning today and lasting through Thursday, Friday and Saturday. It is their annual one cent sale, meaning when you buy an article for the regular price you can get another just like it for only one cent. If you are looking for the place where a penny will do the most buying then you want to attend this sale.
