While we're enjoying our turkey don't forget to be thankful for other things also. Ralph W Emerson reminds us of a few:

We Thank Thee
For flowers that bloom about our feet.
For tender grass, so fresh, so sweet;
For song of birds, and hum of bee,
For all things fair we hear or see,
Father in Heaven, we thank Thee!

An effort is being made to secure material to build a badly needed high school gymnasium. Any reader of the Courier who will contribute to this fund will please communicate at once with Mr. Davidson, or any other member of the faculty.

Mrs. Clayton's 7th grade decided their room was too bare, so they got together and appointed a treasurer, then started bringing a nickle apiece so they could get curtains to put over their windows. It took them three weeks, but they finally got enough to buy the curtains. They then appointed three girls to go and select the cretonne. After they had gotten that they appointed three girls to make the curtains. Thanks to Joe Pointer, an accommodating senior who did the nailing, the curtains are now up and the pupils invite you to come in and see the room.—D. Carver.

Duke Hospital

Co-Operative Rate Plan
Duke Hospital is attempting to meet the necessity for reduced hospital costs by the adoption of the following scale of charges: Public Ward: \$2 daily. The actual cost to the Hospital for public ward care is over \$4 daily; but in order to meet the greatly increased demand for charity work, Duke Hospital has adopted the co-operative plan of paying half the cost, provided the patient, or his county welfare department, co-operates by paying the other half, or \$2 daily, in advance.

Middle Group, 53.50 to \$4.50 daily. Semi-private cubicles are available at these rates, but only to patients of moderate means. Private rooms: \$6 to \$9 daily. Children are charged one-half the above rates.

These are flat rates and cover all charges except for special nurses, blood transfusions, and braces. Doctors' fees also are charged for middle group and private patients. An additional charge of \$2 daily is made for ear, nose and throat patients; patients requiring radium treatments, and certain operative cases which do not require more than four days of hospital care.

Write, or have your physician do so, before coming to the hospital. Address: Superintendent Duke Hospital, Durham, N. C.
