I know not how that Bethlehem's babe
 Could in the Godhead be;
 I only know the Manger Child
 Has brought God's life to me!

I know not how that Calvary's cross
 A world of sin could free;
 I only know it's matchless love
 Has brought God's love to me!

I know not how that Joseph's tomb
 Could solve death's mystery;
 I only know a living Christ,
 Our immortality!

MERRY CHRISTMAS

It is always right and proper that Christmas should be a merry and happy day, for it is the day we celebrate as the birth of the Savior, but this time it is peculiarly well that we all be merry and happy, for indeed He who rules over all has been most generous with His people. Should we attempt to enumerate the many good things He has done for all of us during the year just closing we would find ourselves in the same fix as one who should attempt to count the sands of the sea. Depressed financially, spiritually and in all ways for the past few years we started the year 1933 with many misgivings, fearing for the worst, and it looked as if we were not to be mistaken in our fears. But what a glorious ending, every one happy because of the change in the affairs for men, and with this change of public affairs came a change spiritually, for after all when we reason we have to confess that every good gift comes from Him who rules from above. Doubtless during the year all did things which were not just right, said things which should not have been said, and in many ways forgot the command to "love thy neighbor as thyself." Now at the Christmas time it is right and proper to mend our ways, and if we have aught against our neighbor, forget it, and if a wrong has been done you, forgive it.

LEND A HELPING HAND

While times are wonderfully improved, still there are some in our midst who have not benefited by this prosperity; and it was through no fault of theirs; they have been out of work for many, many months, or perhaps it was illness which prevented their providing for self and family; in any event, there are nearly one hundred families in this good County to whom Santa Claus will pay no visit, unless some big hearted friend plays Santa. Can you think of anything quite so sad to the little fellow who wakes up Christmas morning and goes to see what Santa has put in his stocking, to find it empty. He knows there is a Santa Claus, but he does not know why Old Santa failed to remember him. You may think there are many ways whereby you can help humanity which is more deserving than sending Santa Claus to these little tots, but we do not. Their little hearts are much more tender than yours and mine, and to think that Santa would purposely forget them is more than their little hearts can bear.

If you want to feel good, send something to fill a tot's stocking Christmas morning, and if you want to feel real good, take it and fill that sock with your own hands.

Better than any doctor's prescription you can get.

A Merry Christmas to every one of you is the wish of this office from the "old man" down to the printers devil.

Bronchial Troubles Need Creomulsion

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth. Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, and attacks the seat of the trouble. Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis, and is excellent for building up the system after colds or flu. Your own druggist is authorized to refund your money on the spot if your cough or cold is not relieved by Creomulsion. (adv.)

and Joyner with nine points were Bethel's offensive stars, while Gen-try and Oakley played best for Allensville.
