

# HearD about Town

About all we have heard about town for the past few days has been the weather and that has been a plenty. This scribe has been around here quite awhile and never has he seen anything like it. No power or light all day Monday, consequently things were at a standstill in the mechanical department—and likewise little going in the cash drawer. But today the sun is shining bright, and even if the thermometer was down to about ten this morning, business is running about normal.

The tobacco market closed today, and just as soon as the ground hog completes his job the farmers will begin to get busy on their plant beds. However, this will not be quite such a job as usual, for practically every farmer in the County is going to reduce his acreage thirty per cent and it will not be necessary for such an abundance of plants. Well, here's hoping that the harvest will be satisfactory and prices high accordingly.

Some of our folks must have received aid in some sort of a fashion, from the CWA, or the PWA, or some of the other many alphabetical programs, for there were only three new entries for postmaster here during the past week. That is, we only heard of three—possibly the weather kept them shut in.

School all over the County, including the schools here, were closed down the first three days of the week owing to the weather and roads; and it is possible they may not open for a few days yet. When the snow and sleet has melted away it is likely the soil roads will be in bad shape, and school buses will not be able to make it.

"License Applied For": Monday night a couple left Durham with the intention of going to Virginia for the purpose of getting married, but after passing Roxboro they found going pretty rough, so they decided to return home. However, when they reached here on the return trip they found the going almost impossible, so they concluded the only solution of the difficulty was to stop and have the ceremony performed in Roxboro. Notwithstanding it was then 3 a. m. they finally secured license and presented themselves to Rev. W. F. West who made them man and wife. Laird Walker, who presides over the fire department, said he thought Mr. Geo. Pulliam, the night police who aided the couple in locating the necessary papers and the preacher, should have advised them at that hour to go to the hotel, register, spend the night and hang out a sign, "license applied for." Mr. Paul Green of Morrisville and Miss Elline Hunter of Durham were the parties to this romantic wedding.

Sunday morning the car belonging to Mr. Roger Wilkerson decided it was being left parked too long in the cold, in front of his home on Court Street, and proceeded to run down the hill, finally ending up against a rock in the field in the bottom. The car was damaged somewhat, and required the services of several men and a truck to get it back on the street.

Monday was a fine day to spend at the movies, but as there was no electricity available there was no show. Many folks took advantage of

The Following Items Were Taken At Random From The Courier This Issue Ten Years Ago

Have You Received One: We are sending out notices to all who have allowed their subscription to expire to The Courier. If you have received one please come in and renew. It costs considerable money to go through a list of more than three thousand, besides the time and trouble. Don't think we are doing this for fun—we want your renewal. We especially call the attention of our Roxboro subscribers to this. A word to the wise should be sufficient.

Death of Mrs. Jno. A. Noell: Mrs. Jno. A. Noell died at her home in Greensboro Monday morning at 2 o'clock. Mrs. Noell had been sick for several months, but her death came as a shock to every one. Only a short while since she spent several weeks here with her daughter, Mrs. S. A. Jones.

Mrs. S. A. Jones, with her husband, moved to Roxboro nearly forty years ago, when the town was only a small village, and made this their home until about three years ago when they moved to Greensboro. Mr. Noell died there about two years ago.

Bombarding Poor Richard: Poor Richard, like all of us who try to bring to pass any kind of a reform, is being bombarded these days by some of our correspondents. We admire Poor Richard, and while it is true, he sometimes calls a spade a spade with some bluntness, he is honest, and has undoubtedly been of great value to his community. Well can we remember when his township was too well known from the quality and quantity of booze made on the spring branches, and we gladly joined hands with him in trying to convince the good people in that section that their community was too rich in fertile lands to blacken it with such a reputation. And, as Richard says, today it is reckoned as one of the very best sections in this good County.

Mr. A. Lipshitz of Baltimore is spending a few days here.

Dr. R. H. Noell came in Monday to attend the funeral of Mrs. Jno. A. Noell.

Miss Eugenia Bradsher of Durham spent the week-end here the guest of Mrs. E. M. Davis.

Mr. R. H. Ivie left Monday morning for Richmond where he will undergo treatment at a hospital.

Miss Mary Franklin Graves, who has been a guest of Mrs. L. M. Carlton, has returned to her home in Mt. Airy.

Judge J. C. Pass and his sister, Mrs. R. N. Featherston, have returned from a six weeks visit in Florida.

Mrs. R. A. Pass, who has been at the bedside of her sister, Mrs. Jno. A. Noell for the past several weeks, accompanied the body here yesterday, returning in the afternoon to Greensboro.

The Declaration of Independence concludes with this sentence: "And for the support of this Declaration; with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, our fortunes and our sacred honor."

It is well to remember that the founders of the Republic were men of strong religious convictions; that they had faith in God, and that they put "a firm reliance on the protection of Divine Providence." The greatest need of the day is a return to the ideals, principles and practices of the founders of our republic.

## JOHN M'GRAW LOSES BATTLE WITH DEATH

## 12,000 State CWA Employes Will Be Dropped This Week

### Why Doctors Favor a Liquid Laxative

A doctor will tell you that the careless use of strong laxatives may do more harm than good. Harsh laxatives often drain the system, weaken the bowel muscles, and even affect the liver and kidneys. Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you needn't take a "double dose" a day or two later. Dr. Caldwell's Syrup Pepsin gently helps the average person's bowels back to regularity. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go! Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. All druggists, ready for use, in big bottles.
