THE ROXBORO TOBACCO MARKET CANNOT BE SURPASSED ANYWHERE—BIGGER AND BETTER THIS SEASON. FOUR (4) WAREHOUSES. MEN AT THE HEAD OF EACH HAVE NO SUPERIORS IN THE TOBACCO WORLD. ALL THE COMPANIES ON THE ROXBORO MARKET.

## Mr. Tobacco Farmer:

Naturally you are interested in getting the most money that you can for the crop of tobacco which you have worked so hard to raise. You are entitled to it, and if you will bring it to Roxboro we will see that not a single basket of it is overlooked. We haven't as yet (although each year we are increasing our sales) the biggest market in the belt, but we are going to do our dead level best to make it the "BEST MARKET IN THE BELT", and if work will do it, the same will be accomplished.

All the companies this season, both Domestic and Foreign, will have their buyers on the Roxboro market. We cannot add more to this, for when a market gets all of them, there are no more to get, and that's what Roxboro has.

Our warehouse facilities are better than ever before and Roxboro says with all candor and sincerity that the heads of each of the four (4) warehouses are men who have no superiors in "running the sale" in the tobacco world.

The four (4) warehouses will be run as follows:

Winstead Warehouse—S. B. Winstead, J. M. Brewer, J. G. Chambers.

Pioneer Warehouse—J. J. Winstead and R. L. Hester.

Planters Warehouse—J. D. Perkins & Company.

Hycow Warehouse—W. T. Pass & Company.

START WITH US AND WE WILL GUARANTEE TO PLEASE YOU. FOR WHAT IT TAKES TO SELL TOBACCO, ROXBORO HAS IT.

Your Friends,
