(Bob) Hester</p>	<p>FIVE REASONS</p> <p>WHY YOU SHOULD SELL YOUR TOBACCO IN ROXBORO:</p> <p>Because:</p> <ol style="list-style-type: none"> 1. It keeps your money at home with people that pay County and State tax. 2. Because of short haul. Why haul your tobacco 40 to 50 or a hundred miles, when it will sell just as high in Roxboro. Under the code, grade for grade all markets will average about the same. 3. Nearby markets spend large amounts each year drumming tobacco in our section; someone has to pay the bill; is it you? 4. The Roxboro Market has a group of local warehousemen that will take interest, a personal interest, in you. 5. Larger sales mean better business, better business means more taxable wealth, this means a smaller tax rate for you. <hr/> <p>Every year you hear about tobacco being higher on other markets; such propaganda sifted down will show some sinister motive on the part of the "Spreader" who is paid to boost that particular market. Do not be misled—sell your tobacco at Roxboro.</p>	<p>THE Planters</p> <p>J. D. Perkins & Co.</p>  <p>THE Hycos</p> <p>W. T. Pass F. J. Hester</p>
