

Chevrolet Buyers Want Knee-Action at Additional Cost

About Ninety Percent Of Orders Specify Knee-Action At \$20 Extra Cost

Approximately ninety per cent of the orders from Chevrolet dealers for the new 1935 Master De Luxe lines of cars specify knee-action, which is offered this year as optional equipment on this series at \$20 additional cost, according to information released in Detroit by William E. Holler, general sales manager of Chevrolet Motor Company.

"Not only are the advance orders from dealers for delivery from the factory showing this high percentage of knee-action cars specified," said Mr. Holler, "but orders for retail delivery to customers are showing approximately the same ratio."

"These advance orders are projecting from our dealers bear out the statement made when we announced knee-action as optional equipment on the Master De Luxe series earlier in January, that knee-action had proved so popular on our cars during 1934, and was considered such an important feature by the public, that nearly all Master De Luxe sales in 1935 would be cars with knee-action."

"Public acceptance of both lines of Chevrolets is more enthusiastic than ever before, according to telegraphic reports from hundreds of our larger dealers."

"This fact was quite apparent to visitors in the Chevrolet exhibit at the New York and Detroit automobile shows. Three things registered themselves with auto show guests first, the new beauty of exterior and interior appearance, together with the wealth of comfort and convenience features of the new Master De Luxe cars; second, the spirited performance of the new Standard Six; third, that despite the host of new features and obvious high quality of both new Chevrolets, 1935 prices are at the same level as the 1934 on the Master De Luxe and lower on the Standard line."

HOW ONE MAN LOST 22 POUNDS

Mr. Herman Runkins of Detroit writes: "A few lines of thanks from a rheumatism sufferer—My first bottle of Kruschen Salts took all of the aches and swellings out of my joints—with my first bottle I went on a diet and lost 22 pounds and now feel like a new man."

To lose fat safely and quickly take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast every morning—a quarter pound jar lasts 4 weeks. Get it at Roxboro Drug Store or any drug store in America.

If not joyfully satisfied after the first bottle—money back.

CENTRAL GRADED SCHOOL NEWS

The New Year has been filled with so many interesting things in our school life that it is hard to know where to start when we begin reporting them. First, last Thursday morning the seventeenth, Mrs. Mary Long's grade delighted the school assembly with songs and readings. This memory work from the little tots was more remarkable and very enjoyable.

On Monday morning, the twenty-first, we were entertained again. We'll say most royally by Mr. Tom Hamilton who gave us a two fold reason for being glad that he came and brought Mrs. Wallace Woods. First he inspired us with a message learned from a little brownie, namely that our desires are most often realized when we practice the good deeds and try to live the right life and best we know. This talk was then followed by two violin selections, "The Flower Song" and "Minute in G" played by Mr. Hamilton and accompanied by Mrs. Woods. The "road is open again" to these two whenever they wish to come.

The attendance banner for the fourth month were won by Miss Claire Harris' room with an attendance of 95.71 per cent and by Miss Nell Woods' room with an attend-

LOOKING BACK TEN YEARS

The Following Items Were Picked At Random From The Courier This Week Ten Years Ago

How to Run A Newspaper: Our good friend, Mr. Sam Wrenn, stepped in last Friday just to tell us, he said, how to run a newspaper. Said he had been telling the farmers how to farm, and he wanted to tell us how to run a newspaper. But, to be entirely honest, we believe Sam knows more about farming than he does about running a newspaper. But you can not talk to Sam many minutes without learning something, and we were struck with his remark that the farmers were not having a hard time, in fact, he said, "there ain't no hard times." Why, said he, "I came to town last Saturday night to attend the picture show his first time, and he said the house was full from top to bottom, with farmers. Hard times, no the farmers are not having hard times. They spend so much for luxuries that they have nothing left for necessities." And maybe, Sam was not far wrong.

Horner-Holeman: Of interest to a number of people in this city was the marriage of Miss Novie Leigh Horner to R. B. Holeman, of Tim berlake, which took place yesterday at the Temple Baptist church in Durham at high noon, Rev. T. D. Collins performing the ceremony in the presence of a number of friends and relatives.

Mr. and Mrs. Holeman left immediately after the ceremony for Florida, making the trip by motor.

Death of Mrs. Louise Harvey Ball: Mrs. Louise Harvey Ball, the wife of Mr. C. W. Ball, of Baltimore, died last Tuesday night in a sanitarium in Maryland, and was buried in Danville, Va., Friday afternoon. Mrs. Ball was the daughter of Mr. and Mrs. J. Shields Harvey of this town. The father and mother, Miss Elizabeth and Mr. Landon Harvey attended the funeral services in Danville.

Book Week: The first week in February will be Book week. Every one is asked to contribute a book to the free library at the Woman's Club, either new book or one you have.

Mrs. T. T. Hester will leave Tuesday for a month's stay in Miami and Key West, Fla.

Dr. E. J. Tucker attended a meeting of the Board of Trustees of the University in Raleigh last Saturday.

Mr. Kelley Paylor was called to Richmond the first of the week to be with his sister, Miss Bertha Paylor, who had recently undergone an operation at one of the hospitals.

Misses Minnie and Vivian Allgood, students at N. C. C. W., at Greensboro, spent the week-end at home with their parents, Mr. and Mrs. J. W. Allgood.

Miss Edna Bradsher, who has been visiting in Miami, Fla., has returned home. Miss Bradsher has accepted the position of teacher of grade No. 3 in the graded school.

Read The Bible

(By Obediah Frazier)

Read the Bible, because it is able to make you wise unto Salvation. There are not many people who can read but what don't read other literature a good deal. We just simply spend more money and more time on worthless and harmful reading matters than we ought to, I am afraid and are neglecting to read the Great Book of Books, the blessed word of our Lord, the Bible. Now to have or to get into the habit of reading is a good idea, if we read something that is helpful and wholesome, something that will help to build up an individual or nation instead of tearing down. No mat-

ter how many college degrees you may have, if you don't know the Bible, you have missed the main goal, and your learning is incomplete. If you want to read a real, genuine love story, then read the Book of Ruth in your Bible. If you want this world to be a better place for your children to live in after you are gone, then read your Bible, live it and teach it to your children. I am sorry to say that there is a large percent of the parents, not all, though, that don't ever offer to teach their children the Bible when they are responsible to our Heavenly Father to do so, but instead they just tell them to go along and have a good time, and the said good time will surely end up in eternal destruction. When on that great day of judgment it will make you feel very bad to hear your own children tell you that you are the cause of them being in that horrible place of torment; for further details read your Bible. If you want to know how to deal with your neighbor, then read your Bible. Parents if you want to know where you stand in regard to your children, then read your Bible, children if you want to know what you owe to mama and da, then read the Bible. Husband, if you want to know something about the love you should have for your wife, then read your Bible. Wife, if you want to know your duty and your place then read your Bible. And if you want to hold your husband, and have a happy home then be a doer of the word not a hearer only. If you are healthy and happy and want to know how to remain so, then read your Bible. If you are sick and afflicted and want to know how to get well, then read your Bible. If you are a Christian and want to know how to get more true knowledge and wisdom, read your Bible. If you are a lost sinner and want to know the way of life, then read your Bible. If you want to know what love will do and why Christ my Lord was crucified, then read your Bible. Let us have for our 1935 resolution that we will be doers of His word, not hearers only. Read the Bible.
