

Musical Concert At Bethel Hill Friday Night

Musicians From Pineland College Will Give Concert At Bethel Hill High School; Small Admission Charge.

APRIL 5th, AT 7:30 P. M.

Come and enjoy a real musical treat given by the vocal quartette, two vocal soloists and one violin soloist—all students of Pineland College, Salem, N. C. Their varied program has been especially prepared, under the direction of Mr. J. W. Fontaine, for the concert in order to have something suited to everybody, and we hope you will come out and enjoy it to the fullest. We are not trying to put on a money making affair, but primarily we want to bring something that is good and worthwhile to our community.

Come and see how very entertaining these young musicians can be. The boy violinist, who is almost a prodigy, is Master Stanley Magruder. He won first place last spring at Meridian, Mississippi in a State Contest, sponsored by the Federated Music Clubs. You will enjoy hearing him.

The vocal quartette is composed of Misses Maude Melvin, Ruth Daughery, Katherine Hall, and Mary Lou Jackson.

There will be vocal solos by Miss Stenza Lee Rogers and Miss Maude Melvin. Also you will hear a short talk on Art Appreciation, by Mrs. W. J. Jones.

On March 29th two of this number took part in a music contest in Savannah, Ga., and all of them have won flattering praise in many parts of the State where they have recently given concerts. We are anxious to have a full house and show them that we appreciate their talent and enjoy their music.

In order to put this splendid opportunity within reach of every one we are charging the very small admission of 10-20c.

April 5, 1935, sponsored by The Bethel Hill Women's Club.

Tickets on sale at Miss Carney's Millinery Store, Roxboro, tickets are being sold in Bethel Hill community by Joe Humphries, Jr., William Joseph Merritt, Fred Mitchell

Person Growers Will Get \$89,444 More In Payments

AAA Has Sent Adjustment Payments On 1934 Tobacco Contracts. North Carolina Gets Five Millions.

The high prices paid for tobacco on the market last year has been supplemented by adjustment payments of the AAA on 1934 tobacco contracts. Checks totaling \$5,344,699 have been sent to North Carolina growers.

Of this amount \$59,444 will come to tobacco contract signers of 1934 in Person County. The contract calls for an adjustment payment based on the net sale value of the contract signer's 1934 crop. If the grower's crop sold for an average price of more than twenty-one cents, the payment is calculated on the value of the crop at twenty-one cents per pound. For contract signers whose base acreage is four acres or more, the contract provides a payment at the rate of 12 1-2 per cent. For signers whose base acreage is less than four acres, the contract provides that the rate of payment shall increase one-half of one per cent for each 1-10 of an acre decrease below four acres, except that the maximum rate of the payment shall not exceed 25 per cent.

The adjustment payment also includes the "deficiency payment" of two cents for each pound of tobacco that the amount of tobacco marketed under a contract fell short of the initial production allotment.

and C. P. Hall, Jr. This concert was recently given in Raleigh and the papers had the following complimentary notice:

One of the most beautiful and finished musical performances sponsored by State College in years, was given last evening at the Y. M. C. A. Auditorium of that institution by the Pineland College Quartet. This truly lovely singing ensemble under the direction of John W. Fontaine, gave a very varied and highly entertaining as well as intellectual program.

The new seed cleaner placed in Davie County cleaned over 125,000 pounds of lespedeza seed in February and was used continuously in early March.

Special Spring Showing Of Frigidaires

Morris & Ledbetter, Local Dealers has Arranged To Hold Shows

In order that the many families of Roxboro who will be interested in electric refrigerators this spring may have an opportunity to acquaint themselves with almost every known feature of modern refrigerators, MORRIS & LEDBETTER of this city, local Frigidaire dealers, has arranged to hold a special spring showing of the complete 1935 line of Frigidaire, the General Motors refrigerator.

"In the showing," said Mr. Ledbetter, "will be found a line of products incorporating features and conveniences unsurpassed any where in the world. Every basic requirement and every worth-while feature will be found in this new series, many of them incorporated in every model."

"Beginning with the Frigidaire super freezer, which furnishes the temperatures necessary to keep food safely in the hottest weather, and at the same time freeze an ample supply of ice cubes on relatively short notice, the features also include the famous automatic release for ice trays, the Frigidaire hydrator, which almost works miracles with vegetables, the cold control providing more freezing speeds for dessert making, and automatic reset defrosting, the feature that has removed the last objection to the defrosting of the unit which is periodically required. Space for tall bottles, electric light in the food compartment, acid resisting porcelain in the food compartment, a service shelf, utility basket in the food compartment, quickcube ice trays and outstanding new beauty of design all are included in the 1935 Frigidaires.

"Several weeks ago the Frigidaire factories at Dayton, Ohio produced their 3,000,000th refrigerator and now are busily engaged in the 4th million. All of the experience gained in producing this vast number of units, a million and a quarter more than any other company in the world has produced, is incorporated in the refrigerators which will be on display every day and every evening until 9:00 o'clock.

Cars In Head-On Collision Near Olive Hill H. S.

Mr. Emerson Chandler And Jake Brooks Collide Sunday Night; One Car Badly Damaged

Mr. Emerson Chandler and Jake Brooks, colored, were the victims of a head-on automobile collision Sunday night near the home of Mr. Ivey Stephens which is located not far from the Olive Hill High School. Mr. Chandler was on his way from his home in Yanceyville to Roxboro and Jake Brooks was headed in the opposite direction when the collision occurred. None of the occupants of either car were seriously hurt. The car belonging to Brooks was damaged considerably but Mr. Chandler's was not damaged to any great extent.

Successful Church Program Given At Oak Grove Sunday

Miss Louise Barnette was the successful sponsor of a young peoples program which was given in the Oak Grove Methodist Church last Sunday morning at 10 o'clock.

The program ran as follows: I Bible Reading—Willoree Clayton II Prayer—Led by Mrs. Ivy Cridlin III Hymns—All

IV Special Hymn—by Margarette Wilkins, Edith Cridlin, Vena Carter, Lucile Genry, Mae Clayton, Maxie Clayton, Currie Barnette, Jeb Barnette, George Carr, Clyde Long, Clifton Long, V Pageant—Overa Carr, Claire Genry, Maurice Clayton, Raymond Genry, While Louise and H. S. Barnette were voices unseen.

The piano was played by Miss Inza Lassiter, who did her part to make the program a success.

School Increase Amendment Lost By Slim Majority

Amendment To Increase Annual Public Appropriation To \$22,000,000 Is Defeated In House

The House of Representatives Thursday defeated the Hutchins amendment to increase public school funds of \$22,000,000 annually by a vote of 56-47 and sent the bill to the Senate.

The bill as it now stands carries provisions for a twenty percent raise in all teachers salaries and all other state employees for the first year and twenty-five percent increase the second year. The Governor can increase the first year salaries of all employees twenty-five per cent, if the revenues justify it. The only victory of the school folks of the day came when they offered an amendment to give preference to teachers in the event of the twenty-five per cent increase the first year.

The school forces were defeated as charges of chicanery, attempted intimidation, untrustworthiness, and psychological agitation were thrown at the head of Representative Ralph McDonald of Forsyth, floor leader of those who sought to increase the annual appropriation. They were answered by charges of pandering to bondholders, thrown back at the administration and those who sought to protect the Appropriations Committee figures from increases.

M. F. Shore of Yadkin County is consigning a male and female Guernsey to the National Guernsey Sale to be held in Trenton, N. J. on May 16.

Interesting News From Concord

Mr. and Mrs. Jacob Thompson and son, John, attended the funeral of Rev. Benjamin Stanfield in Leasburg Sunday afternoon.

Chevrolet Trucks give maximum dependability, as well as maximum economy, because they're powered by VALVE-IN-HEAD SIX-CYLINDER ENGINES

The most important consideration of all, in buying and operating trucks, is economy. Economy of first cost and operating cost. And the most economical trucks on the market today are—Chevrolet Trucks. They sell at the world's lowest prices. They give maximum operating economy, too, because they're powered by valve-in-head six-cylinder engines. And they will keep on saving you money, day after day and year after year, because Chevrolet builds so much extra quality and rugged reliability into them that their service is as carefree as their prices and operating costs are low. You get top economy when you buy Chevrolet Trucks, and that's exactly what you want in a truck—particularly today. Phone or visit your nearest Chevrolet dealer and get the right truck for your job at the world's lowest prices.
