## Graduates Hear Dr. Hillman In Inspiring Talk

Durham Pastor addresses Grad-  
uating Class Of Bethel Hill  
High School On Sunday  
Afternoon At 3 P. M.

Taking as the theme of his address "To Give to Life All That You Have" Dr. E. L. Hillman, pastor of the Trinity Methodist Church, Durham, delivered a powerful message to the graduating class of Bethel Hill High School Sunday afternoon.

The preacher charged the graduates to look to life with a feeling of encouragement, telling them that this occasion was one of a few high spots that would come to them in life. "Give," Dr. Hillman told them, "All that you have to give, and you will find that, in giving, you are receiving much more than you gave."

The graduating class of twenty-one marched into the auditorium to specially reserved seats while Mrs. A. G. Bullard presided at the piano, playing the processional. Rev. W. T. Creath formally opened the service with the invocation, after which the audience joined in singing, "Holy, Holy, Holy." Mrs. A. G. Bullard sang a beautiful solo in her own lovely fashion.

Rev. N. J. Todd read the scripture and introduced the speaker.

Following the address the audience joined in singing "Come Thou Almighty King," and the benediction was pronounced by Dr. Hillman.

## Whiskey Bill Passes House

Among the unexpected things which the House did last week was to pass the Day liquor bill. This bill provides for an election on June 8th, and if 51 of the counties vote wet then the counties voting wet will have liquor stores set up. What the Senate will do with this bill is doubtful, both sides claiming a majority. It was referred to the Judiciary committee and will probably be reported back about Wednesday.

On Saturday morning at 12:01 the House passed the revenue bill on its second reading. It is thought the bill will pass its third reading without further trouble, and then be sent over to the Senate for action. There were several minor changes in the bill, the most important being the removal of all exemptions to the sales tax.

If the Senate concurs in the bill as amended there is a possibility that the Legislature may adjourn in about two weeks, but this is simply a possibility and not a probability, for there are numerous matters which will cause debate before they are settled.

## Rotary - Kiwanis To Stage Charity Donkey Ball Game

Kiwanis Batteries Will Probably  
Be Furman Herbert, Pitch-  
er, Carl Bowen, Catcher;  
Rotary Lineup Is Un-  
certain

WILL BE PLAYED ON  
WEDNESDAY, MAY 1st

The funniest sport, donkey baseball, will have new proponents on Wednesday night at 8:00 P. M. when the Rotarians and Kiwanians will clash on the Jalong field under floodlights.

Although the definite line-up has not been announced it is indicated that Furman Herbert will do the hurling for the Kiwanians while Carl Bowen will preside behind the bat. It is also thought that Clyde Bowen will occupy the hot corner at third, with Bill Minor on first, Robert Long at short stop and Tom Hamilton on second. The outfield will probably be: Philip Thomas, Robert Burns and Baxter Mangum. All other Kiwanians will stand by to substitute in case of need. Dr. Bennie Thaxton is coaching this group and it is thought that they will run away with the game.

For the Rotarians Mr. Jim Walker appears to be slated to pitch with Mr. Bill West performing behind the bat. Dr. Jack Hughes, it is thought, will handle things at first, Mr. Alex Sergeant at second, with Paul Cashwell at short stop and Gene Thompson at third. Outfielders probably will be Messrs. Will Bullock, Howard Strang, and O. B. McBroom. Mr. George Kane is coaching these boys and it is felt that the Kiwanians will have a hard time to win.

Admission to the game will be ten and twenty-five cents, proceeds from which will go to charitable purposes.

Faculty At Community  
House

MORE THAN ONE HUN-  
DRED ARE PRESENT

The Senior Class and Faculty of the Roxboro High School were guests of the Juniors Friday evening at 9 o'clock at the Community House for the annual Junior-Senior banquet.

The guests were greeted at the door by Miss Hester and the officers of the Junior class; President: Gordon Carver; Vice-President: Buddy Allgood; Secretary: Mary Lee Ellmore; Treasurer: Bill Morgan. The Community House was lovely. The lace covered tables were arranged in an open square and low mounds of spring flowers in green, pink, and white were interspersed with burning pink and green candles. Scattered along the tables were toy rabbits, geese and golden eggs.

The Mother Goose motif was carried out in the handpainted place cards and menus. Each girl found a lovely corsage at her place.

A delicious meal was served by the members of the freshman class dressed as Fairies and Elves and presided over by Annie Mae McWhorter and Charles Gates as the Fair Prince. Mrs. Hughes and Mrs. Newell directed the serving.

During the dinner, with Gordon Carver as toast-master, toasts were given as follows:

Welcome—Toast Master — Gordon Carver.

The Queen of Hearts—Senior girls, Annette Cushman.

Response—Helen Day.

## Goerch Can Not Be At Bethel Hill

The Day-Light Saving Time Ne-  
cessitates Change In His  
Hour Of Broadcasting

Mr. Carl Goerch, one of the best and most favorably known citizens of the state, was scheduled to deliver the annual address at Bethel Hill high school on next Thursday night, but owing to necessary changes on account of the day-light savings time he will be unable to fill the engagement. His hour of broadcasting has been changed from 6:15 to 10 o'clock, thus making it impossible for him to be at Bethel Hill. His friends and admirers will regret this very much, for all had looked forward to this occasion with much delight. Sen Julian Allsbrook, a member of the Legislature from Halifax, Co., N. C. will substitute for Mr. Goerch.

Mr. Goerch says that Senator Allsbrook is among the best speakers in the Legislature and that his audience will have a rare treat.

Mr. R. L. Harris will introduce the Senator. Mr. Harris was the Speaker of the House two years ago and is Chairman of the important Committee on Education in the present session.

On Thursday morning at 10:00 Rev. Thomas Hamilton, pastor of the Presbyterian Church, will address the seventh grade graduates. Mr. Hamilton has agreed to give at least one number on his violin.

The perfect attendance certificates will be awarded at this meeting.

At the service Sunday morning the doors of the church were opened and more than thirty presented themselves for membership.

Pastor West has been doing some most effectual work and his sermons are heard with pleasure. The singing, led by Mr. Roger Hickman, lends much to the services. At each service he sings a solo, besides leading the song service.

The public is cordially invited to all of these services.

## WASHINGTON VISITORS

Messrs. M. A. Stewart, Joe E. Kirby and Nelson Kirby were Washington D. C. visitors a few days last week, looking after some private business matters.

President Says Recovery Being  
Achieved Despite "Few  
Who Seek To Confuse"  
The Public

CALLS UPON PEOPLE  
TO CO-OPERATE WITH  
WORK RELIEF DRIVE

Urges Them To Help Make It Cleanest  
And Most Successful Program In  
Nation's History; Believes Battle  
Against Economic Depression Being  
Slowly, But Surely Won; Calls On  
Congress To Enact Social Security,  
Banking, Holding Company, NRA  
Extension And Transportation Regu-  
lation Measures As Part Of Exten-  
sive Effort To Round Out Nation's  
Economic Life.

Washington, April 28 — President Roosevelt tonight lashed out at New Deal critics, who, he said, seek to profit by confusing the people about recovery moves, and assured the nation that the threatening dangers of a great economic calamity had passed.

Without mentioning by name either of the New Deal's two most vigorous critics—Father Charles E. Coughlin and Senator Huey P. Long, the President said in his fireside chat that the constructive rebuilding of America was progressing steadily.

In Spite Of Them

Warning that this tremendous task could not be done in a day or a year and saying that the people knew it, Mr. Roosevelt said sharply:

"It is being done in spite of the few who seek to confuse them and to profit by their confusion."

He urged the American people to co-operate in making the \$4,000,000,000 work relief program a success.

In a message brimming with optimism, tempered only by the admission that the nation's relief rolls still were too large, although they were steadily diminishing, the Chief Executive said:

"Americans as a whole are feeling a lot better—a lot more cheerful than for many, many years. Never since my inauguration in March 1933, have I felt so unmistakably the atmosphere of recovery."

Must Be Enacted.

Before this could be wholly achieved, however, Mr. Roosevelt said certain legislation which has been submitted to Congress, and which, before the President's speech, was conceded to face an uncertain fate, must be enacted.

He listed these measures:

1. Social security.

2. The new banking act, which he endorsed publicly for the first time tonight.

3. Public utilities holding company legislation.

4. Extension and revision of the N.R.A.

5. Measures to improve transportation agencies.

He described these proposals as "essential factors in a rounded program for national recovery."

In the first fireside chat he has had with the nation since last September, when he rushed to the defense of the NRA, staggering under a load of criticism and dissension, the President likened the various recovery steps to the building of a ship.
