

CLYDE R. HOEY ANNOUNCES CANDIDACY FOR GOVERNOR

Graham-Hoey Race Between
Men Of Different Ages,
Backgrounds, Types

Clyde R. Hoey of Shelby, whose oratory has been heard in every county in the State during Democratic campaigns of the past 20 years last night announced his candidacy for Governor.

His announcement was the starting signal for the long expected race between himself and Lieutenant Governor Alexander Hawkins Graham, who announced his own candidacy last week.

John McRae of Charlotte also has announced formally and Dr. John T. Burrus of High Point, Dr. Ralph McDonald of Winston-Salem and Col. T. L. Kirkpatrick of Charlotte are talking about making the same move. But today, more than a year before the primary, favorites in the race for the Democratic nomination undoubtedly are Graham and Hoey.

Different Types
The two leaders are very different types of men.

Mr. Hoey is 67 years old but does not look it. He goes in for long flowing hair and long coat tails, even when wearing tweeds. Few people have ever seen him when he was not wearing a high collar, of the old fashion, "choker type." He is an orator of the old school of rafter-rattling eloquence, a very successful lawyer, a leader of dry forces, a teacher of a large Bible class and a member of half a dozen fraternal and organizations.

Forced to leave school when he was 12, he has pulled himself up by his

H. A. Sawyer Named As Secretary To Commerce Chamber

Comes To This New Enterprise
With Several Years Experience
Gained With Durham Chamber Of Com.

WILL START ACTIVITIES
OF CHAMBER SOON

Mr. Hugh A. Sawyer, of Durham, was elected secretary of the Chamber of Commerce at a meeting of the board of directors held Tuesday afternoon. Mr. Sawyer has been connected with the Durham Chamber of Commerce for the past four years, and is therefore well acquainted with such affairs. The board felt that it was exceedingly fortunate in securing a man so well fitted for this work. Mr. Sawyer expects to come over and take charge in the next few days. His office will be in the old post office building, where a suite of rooms has been generously donated by the owners for three months.

We feel that the Chamber of Commerce is well manned, Mr. Gordon C. Hunter being the president, and Mr. Sawyer the secretary, and now if the town as a whole will give these gentlemen their united efforts something worth while will be accomplished, but they will have to have your support, as they singly can not accomplish the things desired. Get behind them, join the organization, and let's get going.

Member Of Class Of '35 Had Missed Only One Day From School

Miss Louise Hassan Has Only Been
Absent Once Since She Began
School Eleven Years Ago

Miss Louise Hassan, daughter of Mr. and Mrs. A. S. Hassan of this city, has the unique school record of being on hand and on time for class during her eleven years on every day, save one. On that occasion she was forced to be absent on account of a death in her family.

Her record shows that she has been neither absent nor tardy, with the one exception mentioned, during these years.

Miss Hassan is a very popular member of the Senior Class, having won the Rotary Award for the Best All-Round Student, presented to a Senior every year, and also having taken a prominent part in the life of her class.

Demonstration Shows What Good Terracing Does

Purchase Of Machine Can Be
Put Across With Little
More Effort

Admittedly one of the most serious problems today with the farmers generally is soil erosion, and the best remedy is terracing. Mr. H. K. Sanders, our worthy and faithful County Agent, is doing everything in his power to help the farmer in this fight, and we are glad to say is making headway. Wednesday there was held a demonstration on the farm of Mr. James Foushee showing what improved machinery will do in the way of building terraces. A number of farmers gathered and watched the machines at work, noted how rapidly terraces could be made and at greatly reduced costs.

An effort is being made to get one of these outfits in the County, one of the requirements being that two thousand acres be pledged for terracing, and we learn that only about two hundred acres are still needed. Mr. Sanders hopes these acres will be secured and soon an outfit as demonstrated will be in use in this County. It will mean much to the farmers and we hope Mr. Sanders will be successful in his efforts.

Davidson Is Named To Succeed Himself As City School Head

Mr. Davidson Will Enter Upon
His Eighth Consecutive
Year As Head of City
Schools

ELECTION OF OTHER
TEACHERS NOT COMPLETE

Meeting Monday the City School Board re-elected Mr. G. C. Davidson as head of the City School System for his eighth consecutive term, having assumed these duties with the beginning of the school term in 1927.

Mr. Davidson is a gentleman and a scholar, as well as an efficient school man and it is felt that the board acted wisely in re-appointing his faithful service to the Roxboro Schools with a re-election.

Since his inauguration the Roxboro Schools have maintained a high record of efficiency, having been recognized as among the leading high schools of the state. Among some of the things that have been done under his administration has been the sponsoring of debating teams, two of which went into the semi-final contest in Chapel Hill in the state-wide triangular debating contest, the winning of the Latin Cup offered to that student in the state most efficient in Latin interpretation, and throughout the past few years when every school budget was cut to the bone, Roxboro has suffered, but struggled to maintain the high standard set, and emerged successful.

The election of other teachers for the coming term has not been completed as yet. As soon as these are completed announcement will be made to that effect.

Is Scene Of Meeting
Tuesday Night. Many

ED COBLE PRESIDES

Presided over by Ed Coble, President of the Oxford Kiwanis Club, Roxboro and Oxford Kiwanians met in joint session Tuesday night at the Woman's Club building in Oxford. The entertaining president spoke a few words welcoming the visiting group to the meeting and also called for the introduction of guests brought by the members of his club. Dr. Roy Noblin presented his fellow members of the Granville County Board of Education. The program was then turned over to Mr. Taylor, chairman of the Oxford's program committee, who in turn asked the chairman of the visiting club's program committee to take charge.

Baxter Mangum responded to President Coble's word of welcome in a few well chosen terms, thanking them for undertaking the entertainment and for the preparation of such a splendid feed as had just been enjoyed. Vice-President B. B. Knight, acting in lieu of President Furman Herbert, absent, made a few remarks and called for the introduction of the guests with the Roxboro Club. Mr. R. B. Griffin, newly elected County Superintendent of Education, was presented, as was Mr. Cecil Wilson. F. O. Carver, Jr., was called on who spoke briefly, after which the program chairman put on a match box stunt between chosen members of the clubs, the object being to pass the match box, fastened to the nose, from one person to another. Oxford won. Ed Coble and Will Hicks were asked to feed each other a banana while blindfolded and with the left hands clasped together. It resulted in a tie as neither could find the other's mouth.

Turning the program back to Oxford Dr. Reeves Taylor was asked to take charge. He called on nine members from each club to engage in a spelling match, pitted against each other. An old-fashioned Blue Back Speller was produced and no one survived very long.

There were about eighty who took part in this joint session.

The attendance contest being waged in the Roxboro Club came to a close with this meeting, the Yankees, captained by Clyde Bowen, winning. The losing, or Giant team, captained by Robert Long, will entertain at a supper in the near future.

Watkins Vigorously Opposed Liquor Act

Mr. John S. Watkins, of Granville county, who represented this district in the Senate, in discussing the liquor bill which the legislature passed in the last hours of its session registered keen disappointment and predicted Governor Ehringhaus would call a special session of the legislature within the next few weeks.

Mr. Watkins spoke vigorously against passage of the wet measures Saturday morning, declaring "by this bill somebody will win and somebody will lose, but the Democratic party of North Carolina will be the loser."

The Senator took the floor of the upper house for the first time during the long session in defense of the dry statutes of the state. He said few people yet realized what the assembly did to make a mess of prohibition in the state in the last hours of the session.
