

LEGION HONORS BUDDIES WHO HAVE PASSED ON

Markers On Court House Lawn
Erected As Memorial To
Those Who Are Dead

POPPY SALE GROSSES \$84.00

The green lawn of the court house square with the white crosses, the flags and the monument in the background presents a miniature Flanders Field to those who pass to and fro on Main Street here. This arrangement has been made by the Lester Blackwell Post of the American Legion in honor of those who have died, either in the service or since the war closed.

A bulletin board at the edge of the lawn tells the story of twenty-seven Person County boys who went across, some remaining beneath the green sod of Europe's battle-ground and some returning to live a short while before passing to the Great Beyond.

Eighteen of them gave their lives in the name of Democracy, some being killed in action while others of them died from various diseases that infested the battlefields. The other one-third have died since the close of the war.

The Poppy sale for disabled veterans conducted here Saturday, as it was in most other towns throughout the country, grossed \$84.00. Some half dozen girls helped the Legionaires to vend these little flowers about the streets.

Small Blaze Does Slight Damage To Store Building

Fire Discovered Shortly Before Noon
Friday Morning. Damage Negligible.

A small blaze in the roof of Mr. L. Lunsford's store building on Court Street called out the fire department who got there in ample time to put it out before any damage could be done. The fire caught from a flue, it is thought, and burned up under the roof for a short distance.

Although creating a great volume of smoke, damage to the building was very slight and there was no damage to the stock of goods either by fire or by water.

Notice To R. F. D. Carriers

The Woodsdale Carriers will entertain all R. F. D. Carriers and their wives in The Basement of Bethel Hill High School May the 30th at 12 o'clock with an old fashion county dinner. These carriers will have a good program immediately after the dinner. Don't fail to be there. All retired carriers and their wives are expected to attend. Let's make it 100 percent. Come.

NRA Declared Unconstitutional

Supreme Court Hands Down
Long Expected Decision On
Recovery Act

Telegram was received here at 2:10 this afternoon stating that the Supreme Court of the United States had handed down a decision declaring the National Recovery Act unconstitutional. This action comes in the last days of the NRA as it would have expired of its own will on June 16. Agitation is now before the Congress to extend its life for two more years, which this act of the Supreme Court kills.

Rotary Club Hears Reports of Delegates To District Meeting

The Roxboro Rotary Club held its regular meeting at the New Community House Thursday night. During the business session of the meeting, upon motion being made, it was voted that a resolution be drawn up and submitted to our Congressman, Frank Hancock, asking that immediate steps be taken to secure a post office building for Roxboro.

A committee was appointed by the president to organize a "soft ball" team from the members of the club and to make necessary arrangements for a game with the Kiwanians.

Reports were made by members of the club that attended the 57th District Rotary Convention held at Raleigh last week. President elect of the local club, J. S. Walker, made an interesting and detailed report of the activities of the convention. Immediately following his report O. B. McBroom, one of the members present at the convention, rose to question where Mr. Walker received all of his information, as says Mr. McBroom, "He was reported missing two hours after we reached Raleigh and was not heard from any more till he returned to Roxboro Friday at midnight, at which time the convention was over."

Rev. J. H. Calligan, guest of the club and who is assisting Rev. Thomas Hamilton in a series of meetings at the Presbyterian Church, sang two numbers accompanied by Mrs. W. W. Woods at the piano.

Other guests of the club were Mrs. J. H. Calligan, Rev. Thomas Hamilton, Hugh A. Sawyer, Frank Timberlake of Timberlake and Heath Agle of Greensboro.

Kidnapped Boy's Family Seeking His Safe Return

Weyerhaeusers Being Permitted
To Conduct Own Negotiations For Ransom

ATTENTION TURNS TO MYSTERIOUS TAN CAR

Tacoma, Wash., May 26.—Forewarned that their kidnapped son had but three days more to live unless ransomed for \$200,000, Mr. and Mrs. J. P. Weyerhaeuser worked in the seclusion of their home today to bring about a contact with the abductors and the return of George Weyerhaeuser, 9.

Federal, state and county authorities, mobilized to start after the kidnapers, held off for the time being to give the family every possible opportunity to rescue the little boy, but they were ready to start at the drop of a hat.

Meanwhile, mystery movements of a tan motor car became an important factor in the case. Mention of the automobile, a sedan reported to bear a California license plate, entered the abduction inquiry for the third time on information given the Department of Justice agents by L. H. Burnett, prominent Tacoma jeweler.

Ca-Vel Man Takes Own Life With Shotgun

John Wrenn Dies In Watts Hos-
pital Four Hours After
Shooting Himself

Mr. John Wrenn, resident of Ca-Vel Village and an employee of Collins and Aikman, took his own life Sunday night about 10:00 P. M., when he shot himself with a shotgun.

Mr. Wrenn retired early Sunday night but about 10:00 o'clock arose again and, without saying a word to anyone, took down his shotgun, wounding himself severely about the head and face. As quickly as possible an ambulance was summoned and he was rushed to Watts hospital, Durham, where he died about 2:00 A. M. Monday morning. No motive for the act could be assigned.

Mr. Wrenn was about forty years of age and is survived by his wife and several children.

At this writing no funeral arrangements have been announced.

Average Chief Executive Of Large Corporation Gets \$31,750 Yearly

Washington, May 26.—A \$31,750 pay check was shown in security commission reports today to have gone in 1934 to the average chief executive of an industrial corporation substantial enough to list its securities on a stock exchange.

Seven hundred and seventy-one such executives have reported their earnings to the commission. Last year they received an aggregate of \$24,480,972.

172 Get Over \$50,000

Of the 771, a total of 172 executives received \$50,000 or more. The range of payments was from a few hundreds to \$365,000.

The salaries were reported in connection with applications of corporations to the commission for permanent listing of their securities on stock exchanges. Some 2,000 more corporations have yet to file salary information, but it was not expected the additional filings will greatly affect the \$31,750 average.

Of the 172 executives receiving \$50,000 or more, 118 were paid between \$50,000 and \$75,000; 29 between \$75,000 and \$100,000 and 17 between \$100,000 and \$150,000.

A final top eight, to make the total of 172 were paid \$150,000 or more—twice the salary of the President of the United States.

Courier To Give Away Cook Stove At Exposition

Stove Will Be On Display All
The Week In THE
COURIER Booth

Visit the booth of THE ROXBORO COURIER at the Merchants', Manufacturers' and Farmers' Exposition in the Winstead Warehouse and see the Coleman's Gas Cook Stove which THE COURIER will present to some lucky person Saturday night at 9:00 P. M., when Mayor R. B. Dawes will draw a number that corresponds to one held by some fortunate person.

This stove is one of the best on the market to cook with and just as simple to use as any.

To participate in this drawing all you have to do is to go to the booth, fill in the blank spaces with your name and address, take your ticket and leave your stub. Who knows? You may hold the winning ticket.

Inquire at the booth for complete details and at the same time inspect the stove that will be given away absolutely free of all cost.

With each ticket comes a coupon which, if presented at THE COURIER office within the next thirty days, is worth fifty cents on your yearly subscription, new or old.

All-Day Meeting At Theresa Baptist Church Sunday

Preaching In The Morning And
Sunday School Exercises
In The Afternoon

Sunday the Theresa Baptist Church, Rev. C. E. Sullivan, pastor, held an all-day service, with preaching in the morning at 11 o'clock by the pastor. Dinner was served on the grounds, and a bountiful supply was served the large crowd present.

After dinner a most interesting program was rendered by the various classes, and this was decidedly interesting, the young folks showing careful and painstaking preparation. At the close of this part of the program J. W. Noell was introduced and made a talk on the Sunday School and its opportunities. Following this Rev. W. F. West, pastor of Roxboro First Baptist Church delivered one of his usual instructive and interesting sermons.

Theresa Baptist Church was organized just three years ago, and its growth has simply been wonderful. It grew out of a small Sunday School organized by Rev. C. E. Sullivan and his good wife, who have ministered almost single handed in the great work which has been accomplished. An effort will be made soon to build a suitable house of worship, and we feel sure when a canvass is made the good people of the entire County will gladly contribute to the fund.

Liberal Terms Are Offered For Public Works

Town And County Officials Are
Urged To Act Promptly

STATE HEALTH OFFICIALS WAXES ENTHUSIASTIC

The announcement from Washington yesterday that the Federal Government would finance the construction of worth while public work by giving to a community 45 per cent of the total cost of a project and lending the remainder of the money needed at 3 per cent interest caused the State Board of Health to go into high gear and get out in a half day almost one thousand letters to city, county and school officials urging them to submit at once projects for needed improvements.

"This is just what we've been waiting for," beamed Warren H. Booker, Chief Engineer of the Department, "and the town or county that does not get needed new school buildings, new water and sewerage systems, new hospitals, or whatever is needed is over looking the only opportunity of its kind for public improvements that has ever been presented."

"Why, just think what this is going to mean to North Carolina," enthused Mr. Booker, "new school buildings will be provided and decent sanitary facilities installed at many existing schools. There are almost 1000 schools in this State without toilet facilities of any kind, not even privies, and over 3000 with facilities appraised as bad. These schools accommodate over 400,000 North Carolina school children," continued Mr. Booker. "Wide awake school officials are going to take advantage of Federal financing of public works to eliminate many such health menacing situations."

There are many communities in the Stat that do not have public water supply and sewerage facilities that will obtain them under this new program, or the officials of such communities will have to answer to their constituents later for failing to obtain a share of the improvements financed by the Federal Government," asserted Mr. Booker. "An abundance of disease germ free and sparkling water together with facilities for immediate and complete disposal of domestic wastes are two of the greatest blessings of modern civilization, and" added Mr. Booker "are two most important public health objectives that can be attained in any community."

New public water supply systems, new sewerage systems and extensions, new water purification plans and sewage treatment plans will be given preference in the new program of public works.

"Think of getting absolutely free sufficient money to cover 45 per cent of the cost of a project, that alone should be inducement enough for public officials to determine to have needed improvements made now, but in addition" enthused Mr. Booker, "the balance of the money, 55 percent of the cost of a project, can be obtained at only 3 per cent interest, a heretofore unheard of rate for the financing of public work."

IN HOSPITAL

Judge J. C. Pass, who has been ill at his home on Academy Street since December, was carried to Watts Hospital Monday afternoon. His many friends hope for him a speedy recovery. Mrs. J. H. Shore will visit with Mrs. R. N. Featherston, Mr. Pass' sister, who lives with him, during his absence.

TALKING IT OVER

Mr. F. D. Long, chairman of the Board of County Commissioners, and Mr. Gordon C. Hunter, president of the Roxboro Chamber of Commerce, are in Chapel Hill today talking it over with Dr. Baily, trying to find out just what steps are necessary for this town and County to figure in the Government hand-out.

The new, improved strain of Porto Rico sweet potatoes developed at the Coastal Plain Branch Station will be tested by H. T. Watkins of Caswell County.
