

LOOKING BACK TEN YEARS

The Following Items Were Picked At Random From The COURIER This Week Ten Years Ago

Crisp Lands A Big One: Mr. W. C. Barnett carried off the honors last week by catching a black bass out of Loch Lily which weighed four pounds and two ounces—actual weight, no guess work. There have been several large fish caught out of this lake during this season and we hope it will regain its old time reputation as a fishermen's paradise.

Little Susie King Accidently Shot: Susie King, 13-year-old daughter of Mr. and Mrs. John King of East Roxboro, was seriously injured last Friday night by the accidental discharge of a pistol. The young girl, with other members of her family, was preparing to return home from a picnic; while a tire was being patched the pistol fell from the seat and was discharged, the ball entering the leg and shattering both bones. She was at once rushed to Watts hospital in Durham for treatment and her condition was reported yesterday as being satisfactory.

Satterfield when their daughter, Miss Reba Satterfield, was united in marriage to Mr. Baxter H. Woodleaf of Henderson, N. C. The ceremony was performed by Rev. E. E. White, pastor of the First Baptist Church and witnessed by only a few intimate friends and relatives.

Bethel Hill Aggies To Go On Camping Trip To Nations' Capital: Early Monday morning July 6th the Vocational Agricultural teacher will assemble about fifteen project boys and adult farmers at the school building with their blanket rolls, cooking utensils, tents and provisions. They will then roll away in several cars for a weeks camping trip to Washington, D. C. This is one of the educational features of the Vocational Agriculture at Bethel Hill and the boys look forward to it as one of the big things of the year. Last year the boys went to the Natural Bridge in Virginia.

Poolie-Elberbe: The following announcement appeared in the Durham Morning Herald: Mrs. T. L. Pool requests the honor of your presence at the marriage of their daughter, Allie Thomas, to Rev. M. C. Elberbe, the eleventh of August, Nineteen Hundred and Twenty-five at 7:30 o'clock at Gregson Methodist church, Durham.

nineteen hundred and twenty-five

Bass-Pass: The following announcement will be of interest to their many friends throughout the county:

Sunday School Classes Picnic in Oxford: Last Thursday the Sunday School classes of Mrs. Margaret Teague, Miss Mattie Morton and Mr. F. O. Carver, of the Methodist Church, enjoyed the day on a picnic to the neighboring city of Oxford. Dinner was spread on the grounds at the Oxford Orphanage, and a general good time was enjoyed by all.

Automobile and Bicycle Collide: There came near being a serious accident on last Sunday morning when an automobile driven by Mr. Sam Barnett and a bicycle ridden by Mr. Edwin Foushee ran together at the Corner of Main and Reams Ave. Edwin was knocked down and was carried home in an unconscious state, but he soon rallied and it was found that he was not seriously hurt.

Burch Re-Union: Col. John H. Burch attended a family reunion of the Burch's at Cedar Grove last Saturday. He said he met more than one hundred of his kinpeople, and they were all just as handsome as he.

Keezer—Does the income tax hit you?
Geezer—Yes, and in a very sore spot. I don't have to pay any.

OBSERVATION AND COMMENT

By F. O. CARVER, JR.

Where, oh where, is the President's Paralysis Fund. For two years Franklin D. Roosevelt Birthday Balls have been given over the country on or about the birthday of the President. Funds raised by these affairs were to go to a nationwide Infantile Paralysis Fund to aid those who were afflicted with this dangerous disease.

At the last ball held for this cause a portion of the money was to be used locally and a part was to go into the coffers of the national campaign. North Carolina is now in the throes of poliomyelitis with more than a hundred cases scattered over the state and with a few deaths recorded from the effects of this disease.

If we are ever to need this fund now is the time for it. The President was stricken after he was grown, indeed after he had retained the responsibilities of a wife and family. Fortunately he was in a position to take treatments at a place that has since become famous for its cures, Warm Springs, Ga.

But there are many who cannot even afford first aid treatment at nearby hospitals. It is for these that the plea is being made that every effort be made in their behalf in order that they may not have a crippled posterity.

In the name of humanity, and especially in the name of these helpless parents and children, the plea is made that, if necessary, all this money and any other that may be available be centered here in North Carolina and bordering states until this crippling disease that wracks the system and, in a majority of cases, leaves the victim crippled for life, shall be stamped out.

Geo. W. Hill Takes Secretary As Bride

President Of American Tobacco Company Weds Miss Mary Barnes, 39 yrs, Old

CEREMONY IN LONDON

London, July 8—A business office romance resulted in the marriage today of George Washington Hill, "million dollar a year" American tobacco executive, and his secretary, Mary Barnes.

The 50-year-old president of the American Tobacco company and Miss Barnes, 39, were wed in the Caxton Hall registers' office with nine relatives and friends in attendance.

After the brief ceremony Hill gave his bride an affectionate kiss as they passed Buckingham palace in a taxicab en route to a down town hotel. The guests followed in other taxis to a champagne party at the hotel.

"I don't know our plans, but I can say, I am darned happy," asserted the executive.

Mrs. Hill with difficulty controlled her emotion as they faced a barrage of cameras outside the registry office. But she regained her composure when the couple left and they posed for more pictures before entering the hotel. Although British law prescribes that the civil ceremony be held "with open doors" the registry office lobby was closed just before Hill's arrival of spectators who had witnessed previous weddings.

The tobacco magnate wore a dark blue suit with brown shoes, a black bow tie and carried a stick. His bride wore a blue dress of plain material and a navy blue hat. She carried a large spray of white orchids.

For fees and the license the "million-dollar-year" executive paid out 2 pounds, 14 shillings, seven pence, or about \$13.25.

Among those attending the wedding were Hill's brother-in-law, Maurice Boyer, director of the Bank of France, and Mrs. Boyer, Hill's sister, Katherine; the bride's brother, Robert Barnes and Hill's daughter by his first marriage, Miss Gertrude Hill.

Chesterfields "go to town" They Satisfy

—that's just the 1935 way of saying what Chesterfields have been saying for years...

Chesterfields do about everything a cigarette ought to do.

Chesterfields have TASTE—yes plenty of it. But not too strong.

And Chesterfields are MILD—but they're not insipid or flat.
