Game Laws In Person County Will Be Enforced

Game Warden Davis Calls On Citizens For Wholehearted Support. Possible Deputies Suggested At Meeting Held Friday.

Mr. Noah Davis, recently appointed game warden for Person County, in a meeting at the Chamber of Commerce Friday night with a group of hunters and other interested citizens, requested that full cooperation be given him in the duties that his office demanded. The group went on record as heartily approving his efforts in the preservation of game within the bounds of this county and pledged support to Mr. Davis in the undertaking.

In discussing ways and means of putting across to the people of this section the idea of game preservation as a valuable asset to them it was proposed that landlords and hunters be appealed to in order that they might come to a complete realization of the full intent of the program.

Various names were suggested to Mr. Davis as possible deputies who might serve under him in their particular neighborhood. The preserving of game is not just a matter to be enforced because the law requires that hunters have licenses and observe certain restrictions as to dates, number, etc., but it is a vital program if game is to be preserved for posterity that they do stay within certain restrictions, it was pointed out.

Mr. Davis agreed to take the job for a limited time, but it is felt that if he can get cooperation from all parties concerned that he will be able to do much in creating a game preservation consciousness among citizens of Person County.

However, it was pointed out at the meeting Friday night that should appeals and warnings fail in causing the hunters to buy licenses and otherwise disregard the restrictions that have been thrown around fowl and other wild game, the game warden will be compelled to take the only recourse left to him, that, of course, being the arresting and trial of the guilty parties caught in such violation of the law.

Drive For Books For Library Is On This Month

Drive Will Begin On Tuesday, November 19. Every Citizen Urged To Make Contribution

By Mrs. F. M. Drake, Jr.

The campaign for books and funds for the "Community Library" is now in full swing. Everyone is asked for a contribution, which we are sure will be for your own benefit as well as others.

To have a library at ones convenience, is surely a step toward intelligent participation in the activities of modern life. The library is a place where you may find friends that are tried and true—Book friends. Works of Dickens, Elliott, Milton, Emerson, Shakespeare—who could desire better friends?

When you're downhearted, Tennyson will sing to you—when you're blue Touchstone will cheer you up. When you're in a speculative mood, along comes Hamlet. You may find a friend for every mood in which you find yourself. As in years past, aside from religion itself, there is no greater solace to the soul in all such hours of need than silent friendship in the land of books.

Since November is Book Month and our drive is on for the Library, opening Tuesday, November 19th, we wish that as a part of its celebration every person in the county might pledge themselves to make some contribution. Share your books with others. Help us to have a library so that everyone may have an inexpensive source of real enjoyment and knowledge. Will you do your part?

MUSICALE AT STREETS ON THURSDAY

Mr and Mrs. J. A. Greenwood and daughter of Durham were visitors in the home of Mr. and Mrs. K. L. Street Thursday. While there they gave several delightful musical numbers which were enjoyed by several invited guests. Mrs. H. W. Newell also sang on the program and her singing was very much enjoyed.

Former Pastor Occupies Pulpit Here Sunday

Rev. P. Cary Adams Of Maxton, N. C., Preaches At Presbyterian Church Sunday

Rev. P. Cary Adams, president of Presbyterian Junior College at Maxton, N. C., and a former pastor of the Roxboro Presbyterian church, occupied the pulpit at the Presbyterian Church Sunday. He filled all appointments for Rev. Thomas Hamilton Sunday, as Mr. Hamilton was in Valdese, N. C. conducting a series of revival services.

Mr. and Mrs. Adams and their five year old daughter spent the week-end in the home of Mr. and Mrs. H. L. Crowell and were given a warm welcome by many of their old friends.

Woman Injured Sunday Afternoon In Auto Wreck

Mrs. Henry Wilborn Carried To Hospital. Other Occupants Suffer Minor Injuries. Driver Confined To County Jail

Mrs. Henry Wilborn was rushed to the hospital late Sunday afternoon as the result of an automobile wreck Sunday afternoon on the Roxboro-Hurdle Mills road, near the home of Mr. Charles Holeman. Other members of the party suffered bruises and other injuries, one lad having a fractured arm.

Mr. Wilborn, with his wife, three sons, one daughter, and a colored man, was headed from his home on the Dee Alkins farm near Flat River towards Roxboro when he apparently lost control of his car, a Ford touring car, and it turned over. All parties were rushed to local physicians where they were given treatment and Mrs. Wilborn was taken to the hospital, being the worst injured of the group. One boy, a son of the Wilborns, known as "Coon" suffered a fractured left arm. The Negro was reported to be badly shaken up, but it was not deemed necessary that he be carried to the hospital.

A twelve-months-old baby boy in the car was uninjured, as was Mr. Wilborn, driving at the time of the accident. He was placed under arrest and is now confined to the county jail awaiting a hearing on reckless driving. The car was badly damaged.

Giles M. Crowder Seriously Injured In Car Collision

Prominent Farmer Of Loch Lily Section In Hospital As Result Of Auto Collision On Durham Street

DAUGHTER ALSO INJURED

Mr. Giles M. Crowder, one of the outstanding farmers of this county, and his daughter, Mrs. Tuttle Williams, are confined to Watts hospital as the result of an automobile collision at the intersection of Club Boulevard and Broad Street, Durham, Friday about noon. Mr. Crowder suffered a fractured neck, while Mrs. Williams sustained several broken ribs and suffered from severe shock. Latest reports from the hospital are that Mrs. Williams is getting along nicely, while Mr. Crowder is not as badly injured as thought at first and that his chances for recovery are very much improved.

The accident occurred when the car operated by Mr. Crowder and another driven by Mrs. Margaret H. Jones of University Station in Orange County collided. Mrs. Jones was accompanied by five other ladies, all of whom are members of the staff at Watts hospital. The occupants of this car suffered minor cuts and bruises.

At the time of the collision Mr. Crowder and Mrs. Williams were enroute to Duke hospital to visit Mrs. Williams's husband, who is confined to that institution where he recently underwent an operation.

Thought Mr. Crowder was seriously injured, he is reported to be resting comfortably, and it is thought that, barring complications, he will recover, though he will be confined to the hospital for some time. It is thought that Mrs. Williams will be able to be out in a few days, while her husband is reported to be recovering nicely.

Both cars were reported to be badly damaged.

Looks Like Another Block On Roxboro Mart This Morning

With Folks Who Came To Armistice Day And Tobacco Trucks Town Is Full Of People

Again for the third Monday it looks this morning like there would be another block sale. Early this morning trucks and wagons loaded with tobacco, and automobiles filled with those who came to take part in the Armistice celebration, crowded every available space for parking. The streets were blocked with vehicles waiting to get in the warehouse and unload for the sales.

Last week saw the best week of the season on this market, more pounds, with prices decidedly favorable. It is most encouraging to see so many of the good farmers of this County selling here, and it is noticeable that many farmers from other sections are patronizing the market. Every indication is that this will be the best year the Roxboro market has had in several years.

HERE IT IS

Our company has just announced a wonderful health and accident policy to take care of women, children, and men while in the hospital. It pays over \$100.00 while in the hospital for \$12.00 per year. We have been wondering why some company did not put out a policy that would take care of anybody for sickness and accident while in hospital. Now here it is. See us today because you may see the hospital tomorrow.

Ninety Percent Of Person Teachers Attend Meeting

Schools Dismissed At Noon Friday So Teachers Could Attend Sessions Of North Central District

About ninety per cent of the teachers from this county journeyed over to Durham Friday afternoon to attend the sessions of the North Central District meeting there Friday afternoon and night and Saturday morning. All white schools in the county were dismissed at noon Friday in order that the teachers might be afforded the opportunity of attending.

The sessions were divided into sections wherein one group of teachers interested primarily in one phase of school work might be able to discuss their particular problems as a group and another group in another place. Superintendent Clyde Erwin and Dr. Hosis of Columbia University were the leading speakers on the program.

At the dinner hour Superintendent Erwin addressed a meeting of superintendents and principals in the cafeteria of the Senior High School, while a program was held for other teachers in the Junior High School building.

Many remained over for the night sessions and a few returned to Durham Saturday morning to attend the closing session.

Revival Services In Progress At Methodist Church

Preaching By Pastor; Music Is Under Direction Of Rev. L. S. Holloway

The revival services, announced last week for Edgar Long Memorial Methodist Church, got under way Sunday morning and will continue throughout the week, ending with the evening service on Sunday, November 17. The preaching is being done by the pastor, Rev. J. F. Herbert, who is concluding a four-year pastorate at the church, while the singing is in charge of Rev. L. S. Holloway of Duke University. Preaching will be held each evening this week at 7:30 o'clock and the public is cordially invited to attend the services.

Mr. McBroom's Housewarming A Happy Event

First Entertained The Rotary Club And Then The General Public

Thursday night Mr. and Mrs. O. B. McBroom were hosts to the Roxboro Rotary club and several special invited guests, serving a turkey dinner, with all of the trimmings usually accompanying such a feast. The dinner was served in the guest room of his new Coca-Cola building, which was beautifully decorated with flowers and evergreens, and it made a most beautiful setting. Between courses little Miss Ida Pleasants, daughter of Mr. and Mrs. Monroe Pleasants, entertained the diners with tap dancing, and little Miss Ida is by no means an amateur; her dancing was thoroughly enjoyed.

At the conclusion of the meeting a rising vote of thanks was given to Mr. and Mrs. McBroom for the splendid dinner and general good time. After this the crowd adjourned to the manufacturing department and saw those wonderful machines operate. And they are wonderful, in fact they can do almost anything around a bottling plant, save talk.

From 7:30 to 10 the plant was thrown open to the public and many visitors came to see just what a bottling plant meant, and they saw and gave their approval, for it is the very last word in the way of bottling; after the bottles are placed in the hopper to be washed and cleaned no hand again touches a bottle until it is ready to be placed in the case to be distributed to the dealer.

The new building is a credit to the town and we congratulate Mr. McBroom upon the success he has made. He is one of our most deserving citizens, and has been an honor to the town in which he has served in more ways than one. Again, we say, congratulations.

Suggestions As To Buying And Selling Cards

Buying And Selling Of Allotment Cards Should Be Done Through County Agent's Office.

BY H. K. SANDERS

Requests are already coming to the office of County Agent H. K. Sanders for the purchase of allotment cards.

These cards may be bought either from the Department of Agriculture or from any neighbor or other contract signer who is willing to sell the pounds he has left on his card. However, any contract signer who wishes to sell pounds should consult the County Agent or Mrs. K. L. Street, who has charge of the cards in the office, in order that it may be determined whether or not it will pay the owner to sell his pounds. This year, growers who sell part of their allotment cards will not receive the adjustment payment. Whether a grower should sell depends upon the amount he would receive as an adjustment payment, as compared with the total amount for which he can sell the unused part of his allotment card. Since the adjustment payments are based on the amount of tobacco sold, and the price received, only a qualified authority can determine the amount of each grower's adjustment payment.

The allotment cards carry all the pounds permitted under any contract, and any grower who sells ALL THE POUNDS ON HIS CARD will not receive any adjustment on the 1935 crop.

Sales of allotment cards must be made through the County Agent's office to be legal, and the County Agents have been instructed not to sell any part of a card unless they can sell all that has not been used by the grower to whom it was issued.

If a grower has already given up his rental, deficiency and adjustment payments for 1935 in order to get an increase in acres or pounds, as a rumormongers (Continued On Page Eight)

MR. WHITFIELD IS HIGHLY PLEASED

Mr. A. H. Whitfield, another one of Person County's good farmers, sold a load of tobacco with the Pioneer last Friday which brought him a nice pile of money. He had 1450 pounds and sold it for 712.70, averaging \$49.16.

Lester Blackwell Post Celebrates Armistice Day

P. Cary Adams Is Chief Speaker On Program In Courthouse. Lunch Served To About Three Hundred

Rev. P. Cary Adams, visiting minister and president of Presbyterian Junior College, addressed the Legionnaires and others assembled for the Armistice Day program given this morning in the courthouse. Rev. Mr. Adams spoke on "Peace," giving a very interesting, entertaining and instructive talk.

Plans for a parade by the Legionnaires prior to the program in the temple of justice were abandoned on account of wet weather. About two hundred and fifty assembled in the courthouse for the program.

The meeting was presided over by Commander K. L. Long, and invocation was led by Chaplain J. Furman Herbert. Readings by children of the Legionnaires, piano duets, and stories relative to the flag and for what it stood featured the program.

Mrs. Oveida Long presented medals to several of the Legion boys. To Messrs. Alec Wrenn and Wyatt Monk were presented certificates of descendancy as direct descendants of Mr. Alexander Rankin Hall, member Co. F 31st North Carolina Regiment of the Confederate army. These certificates were presented on behalf of the United Daughters of the Confederacy. Mr. Hall was a native of Orange County.

Mr. S. F. Nicks, Jr. introduced the principal speaker, Rev. P. Cary Adams. Judge James Patton, originally scheduled to appear on the program, was prevented from being present.

Following the exercises the meeting was adjourned to the Export Tobacco Factory building on Poushee Street where dinner was served to about three hundred Legionnaires and guests.

The Post Commander was given able assistance in presenting such a fine program by Dr. O. G. Davis, active in Legion work, and other members of the post.

Rotary Club Is Entertained At Coca-Cola Plant

Rotarian Otey McBroom Entertains Fellow Members At Regular Meeting Time On Thursday

O. B. McBroom, owner and manager of the Roxboro Coca-Cola Bottling Plant, entertained the Roxboro Rotary Club at its regular meeting on Thursday evening. The dinner was served in the spacious rooms above the new bottling plant on the night of the formal opening to the public. Immediately following the dinner, the members of the club and guests of Mr. McBroom were shown through the entire plant.

President Jim Walker reminded the members of the joint meeting to be held on Monday at the High School Gym with the Kiwanis Club as guests of the Boy Scouts. At its regular meeting on Thursday, November 21st, the club will have as its guests, the football team of the Roxboro High School.

Guests for the evening were Messrs. W. K. Rand, Durham; Rev. S. F. Nicks, J. T. Bradsher, Emmett Wilkerson, Sam Merritt, R. B. Dawes and Rev. J. F. Herbert.

ROXBORO VS. HILLSBORO TUESDAY AFTERNOON

Roxboro High School football team will play Hillsboro High football team on the local gridiron Tuesday afternoon at 3:30 o'clock. This game was postponed from last Thursday on account of wet weather. Come out and see a good ball game.

ILL WITH PNEUMONIA

Miss Ella Wilkerson, daughter of Mr. and Mrs. Roger Wilkerson, is ill with pneumonia at the home of her parents on the Loch Lily road. At this writing she is reported to be about the same, though she is said to be resting well. Her many friends wish for her a speedy recovery from her illness.
