That was a high compliment that the people of Virginia paid to Senator John W. Daniel yesterday in re-electing him to the United States Senate manimously for the fifth time. There is not a man in Virginia so univer sally loved, especially by the people of the rural districts, as John W. Daniels. He has been as great and useful in peace, as he has been in war and the people in the Old Dominion desire to recognize his services as long as he lives.

The Enterprise is pleased at the promotion of Mr. Arch Braswell Joyner son of our old friend Mr. Andrew Joyner, who has been made etty editor of the Greensbore Daily News In making this promotion the Greensbore News says:

The recognition of the tarthul energetic and intelligent – service rendered this paper by  $X_{\rm e}$  B Joyner as a reporter, the standard ment of the News has advanced him to the position of city editor effective this date. It may be said with propriety that this preferment comes to Mr. Joyner un solicited.

"He has won it by strict at tention to the duties assigned thim and the satisfactory manner in which those duties have been performed. He is one of the youngest newspaper men in point of service as well as years, in the State to take tank among the best. This past recent is a guarantee of courtesy and fail ness, with a remarkable high average for accuracy."

### TAX DELINQUENTS

#### Must "Come Across" or Suffer.

Greensboro, Jan. 28 .- At the sheriff's office this week a constant stream of tax payers have been taking advantage of the last few days in which delinquent taxes may be paid without the annoyance of advertising and leying, which begins in a short tim . The office force is making a determined effort to get all possible taxes in before this time, for besides the large amount of work and trouble of making up these lists, they dislike very much to levy on the property of friends, which must be done unless taxes are in before March 5. Sheriff Jones states that there are many delinquents on the books now, and that unless these "come across" before March 15, property upon which taxes have not been paid will be advertised and sold as provided by law.
