Times Office in Los Angeles Dynamited Fire Ensues and 20 People are Dead

(By Leased Wire to the Enterprise.)

Los Angeles, Cal., Oct. 1.—An explosion that shook the city for miles, started a fire early this morning that completely destroyed the building of the Times Publishing Company and caused the loss of fully a score of lives. In addition to the appalling total of mortality, dozens of employees suffered serious burns and injuries. The officers of the Publishing Company declare the building was dynamited. The manager of the company estimates the loss of life between 15 and 20 and the property loss at

half million. One arrest was made. Other men were seen running away from the scene. No statement has been made as to why anyone should wish to dynamite the office.

LATER

Estimates grow of the number of the possible dead in the explosion of the newspaper plant and it is now thought as many as sixty are possibly dead. Men and boys who handle Sunday supplements, were just going into the building and it is not known how many of these perished in the building when explosion occurred.

THE MEETING.

A tremendous audience—2500 people—filled the big warehouse last night and were filled with delight by the entertainment given by the Orphans from Oxford. The people contributed cheerfully also giving \$75.00 to this most worthy cause.

Dr. Thacker followed at eight o'clock with a very fine sermon on "The Insufficiency of Self." Taking the story of the rich young ruler as a Scriptural basis for his remarks, he showed that neither culture, nor good morals, nor riches, nor high position, nor church, can take us to heaven. Only Christ can give eternal life.

Christ is the one Way, and the only Way, pointed out by all denominations for all lost men. As the children of Israel looked up at the brazen serpent and were healed, so all men in sin must look up to Jesus by the light they have given to them, and looking they shall live.

ANNOUNCEMENTS FOR SUNDAY.

At 3:15 p. m. there will be a special service at the warehouse for children. All are invited, urged to come. Parents are expected too. Teachers and Sunday school workers are asked to bring their classes and sit with them and assist them in deciding for Christ. Dr. Thacker's subject will be "Making Modern Men."

The evening service begins at 7:30. Mr. and Mrs. Fisher are making and leading music that is making this union meeting memorable.

Dr. Thacker's subject will sound sensational perhaps—"Hell"—but in this sermon he means to magnify the loss of God. On Monday a noon-day meeting will be held at the Myrtle Desk Company.

SPECIAL MEETING.

The Board of Lady Managers of the Junior Order Hospital will postpone their regular monthly meeting until Oct. 11th, at 3:30 o'clock. Remember that this is general rally day and not only every member is urgently requested to be present, but every lady in High Point who is interested in this noble work is invited.

Editor Daniels Attacked by Senator Jones Took Exceptions at Newspaper Comment

(By Leased Wire to the Enterprise.)

Raleigh, Oct. 1.—Senator W. B. Jones, of Raleigh, thrashed Editor Daniels this morning. Mr. Daniels was standing on the sidewalk in front of the post office when Jones walked up and Daniels said, "Hello, Buck!" Jones didn't say a word but struck Daniels in the face, knocking him down. Jones went down on top of him and eye witnesses say he gave Editor Daniels a good drubbing before he was pulled off.

(By Leased Wire to the Enterprise.)

Mr. Daniels was bloody and dirty when he got up. Jones was also dirty and had a few scratches on his face. Jones immediately surrendered at the police court and was released without bond to appear Monday. It is understood that the fight is directly the result of a publication in the News and Observer this morning that Jones and his father were instigators of the independent Democratic mass meeting held here today. This is vehemently denied by Jones.

A SKETCH OF DEMOCRATIC NOMINEE FOR GOVERNOR OF NEW YORK.

John A. Dix is 50 years old, having been born in Glens Falls, N. Y., in 1860. His business career began as a member of the firm of Reynolds & Dix, marble dealers, and later he was associated with a lumber firm. In 1889 he married Miss Gertrude Thomson.

In politics Mr. Dix first became prominent as the chairman of the Democratic county committee of Washington county, a position which indirectly led to his forming a county chairmans organization in which he strove for more power for the chairman as against the State committeemen.

Two years ago with Lewis Stuyvesant Chanler as the head of the ticket, Mr. Dix was the Democratic nominee for Lieutenant Governor, meeting defeat. At the Buffalo convention in 1906, at which the Democrats nominated Hearst for Governor, Dix himself received 17 votes for Governor.

He refused to sanction Hearst and bolted the convention. In June last Mr. Dix succeeded William J. Conners of Buffalo as chairman of the Democratic state committee.

In 1872 John A. Dix, a cousin of the present nominee's father, was Governor of New York.

DEATH OF MR. STRAYHORN.

Mr. James M. Strayhorn died this morning at twelve o'clock, after a short illness. His death came as a shock as it was not thought that he was critically ill until a few hours before he passed away.

Mr. Strayhorn was 65 years old and had been a citizen of High Point about 20 years. He was a blacksmith by profession and made many friends by his honest and genial traits. He is survived by a wife, three sons and a daughter, all of whom live here.

The funeral will take place tomorrow at four o'clock at Springfield.
