Everybody Relies on The Bell Directory

THE Bell Directory contains the names of the people who can be reached at once, because they have telephones. It is the universal "calling list," the recognized business and social directory.

The man whose name is in the Bell Directory is immediately available for either a business proposition or a social invitation.

In the Telephone Directories of all the Bell Companies taken together, there are correct listings of approximately 5,000,000 different names, addresses, and telephone call numbers.

The ideal advertising medium. Ask the manager for rates.

THOMAS DIXON'S NEW PLAY.

"The Sins of the Father" to Be Presented at Greensboro, N. C. Soon.

All the South is talking about the new Thomas Dixon play, "The Sins of the Father," which will be presented under the management of George H. Drennan at the Grand Opera House, in Greensboro, on Thursday, October 6, matinee and night. The discussion spreads in ever widening circles, and presently the whole nation will be involved in the controversy. Should Mr. Dixon have selected such a theme for dramatic treatment? Is the question first furiously discussed, and next: Has the author presented a true picture? Hundreds of thousands of Mr. Dixon's supporters answer an emphatic "Yes" to both questions. They

admit "The Sins of the Father" is even more sensational than "The Clansman," but they aver the facts had to be told and the results will be beneficial. Whatever the issue of the controversy, Mr. Dixon's new work has wrought a tremendous impression. Praise it or criticize it as you will, the play is full of life, vigor, rollicking comedy, tear-compelling pathos, swift action and exciting climax. To miss it is to ignore one of the biggest things in the South today.
