For the Most Popular Babies

The High Point Daily Enterprise Seeks to Ascertain Who Are the Most Prominent and Popular Babies of High Point and Vicinity and Offers a Large Sum of Gold for the Answers—Greatest Newspaper Enterprise Ever Attempted Is Inaugurated Today.

Send in the name of your little favorite at once—race is open to all babies under five years. Is there a little sweetheart at your home?

Have you a little darling whose bright eyes and smiling lips brings sunshine to your home? Have you a Virginia May, a Bobby Burns, an Alice, too, with eyes of blue?

Have you a chubby faced little cherub, a tiny tot, who is the fire side charm on a winter's evening, or a heart's delight in the golden summer time?

For the little youngsters, the pride and joy of fond and adoring parents, The Daily Enterprise today inaugurates the greatest newspaper enterprise ever attempted in this vicinity, the newest and most unique idea originated in recent years—a grand baby contest. From now on, and for some time to come, the babies will occupy the center of the stage, for it is the babies and for all the babies, the babies of the entire community and contiguous territory.

This contest is to be conducted on the voting plan and to each and every baby nominated between now and March 20 (inclusive) will be given a bonus of 1,000 votes. Five hundred dollars is offered to determine who are the most popular babies of High Point and surrounding country. Every baby will have an equal chance in this great race for fame and fortune, glory and gold, and in order to give immediate impetus to the contest, The Enterprise will present a handsome gold ring to the baby residing in High Point whose name is the first to reach this office whether it is handed in, mailed or telephoned. And then just to make all things even, The Enterprise will give a second handsome gold ring to the baby residing in District No. 2 (which means anywhere outside of High Point) whose name is the first to reach this office.

Through the life of this contest, the city of High Point will be known as District No. 1, while all the territory lying outside of the city will be known as District No. 2, as stated above. The contest formally opens with the announcement today and will continue until April 15th. There is but one restriction, and that is all babies entering the race shall not be over five years of age and of white parentage. A coupon appears in these columns today and will continue to appear from day to day. It is good for 25 votes. You may use it to nominate your favorite baby if you desire and when it is received at this office the baby's name will be included in the list of the district in which it may reside. Provided, the name is received on or before March 20th the baby will

be given the bonus of 1000 votes as well as credit for whatever coupon ballots may be cast for it. We ask absolutely nothing of you save to clip these coupons from the paper and nominate a baby. If you haven't one of your own, remember that little boy or girl who is the idol of your neighbor. The names of the nominees will appear shortly, so you should lose no time in sending in yours. And then, besides, there are those gold rings. The voting will begin with the announcement of the names. In the meantime gather all the ballots you can and work for a baby. To have a baby elected in this race for gold, glory, fame and fortune is a rare and unusual honor and one nobody should shun. It means that some little tot will be uplifted in the public eye and will attain to a degree of popularity that it could not hope to gain in any other way. We all know the little dears; we all love the little dears; they are the greatest things in all the world; they are responsible for the finest sentiment that quickens the human pulse. They are the link that binds; the sweetest and most commanding fragrance of the home. They inspire love where all other human agencies fail, they call from the heart the most beautiful and the most everlasting affection that rules human nature, love, love of, and pride in the babies.

What mother is going to let her sweet-faced little cherub be left out of this absolutely honorable and praiseworthy undertaking, inaugurated by a newspaper of unquestioned integrity. Not one, we believe. The love that exists in every mother's breast should assert itself here and now. Nominate your baby in this most novel and interesting of contests. Do it today, at once. Call, phone or write the contest manager, his time and services are at your disposal.

The Enterprise has never before promoted a contest. This contest is being conducted by the Joyce Syndicate, of Chicago, of which Mr. J. F. Joyce is the general manager. The Enterprise counts itself fortunate in that Mr. Joyce has come on himself to take personal charge of this contest. The Joyce Syndicate is a firm of established reputation. They have a splendid system and their absolute fairness in the conduct of their contests has given them first call with all of the reputable newspaper publishers of the country. Successful contests from coast to coast are their best testimonials. The syndicate has no particular interest in any baby. They know none. The entire contest is under their direction and will be decided on the last evening by prominent judges who will be selected from city and country. No person who is in any way connected with the Enterprise will be permitted to enter his or her baby. Immediately after the close of the contest, the entire set of books will be thrown open to the public inspection.

The contest manager will have an office throughout this race in the Trust building, where he invites calls from all those interested or where he may be reached by phone. The districts will be as follows: District No. 1.—The City of High Point. District No. 2.—All that territory outside of High Point.

The Prizes. Five hundred dollars in gold will be distributed as follows: \$150.00 to the baby receiving the highest vote, regardless of district. \$125.00 to the baby receiving the highest vote in the district opposite to that in which the first prize winner resides. \$100.00 to the baby residing in the same district with the first prize winner, receiving the second highest vote. \$50.00 to the baby residing in the same district with the second prize winner receiving the next highest vote.

Remember A gold ring to be given to the first baby nominated in the Daily Enterprise grand baby contest from District No. 1, (the city of High Point) likewise a gold ring to the first baby to be nominated from District No. 2 (all that territory located outside of High Point). One thousand free votes will be given to each baby nominated between now and March 20th (inclusive). This free bonus may win for you in the end so be sure to take advantage of it.

The contest manager, Mr. J. F. Joyce, will be in his office, North Carolina Bank building, next door to The Enterprise office this evening until nine o'clock, and will be pleased to receive calls from anyone who is interested in the contest. Remember the first name in gets the gold ring whether it be handed in, phoned or mailed. He can be reached by telephone No. 506.

Senator Bailey Resigns

Washington, March 4.—Senator Joseph W. Bailey added to the excitement and to the extraordinary episodes surrounding the adjournment of the Sixty-first Congress today by resigning his office as senator from the state of Texas, and a few hours later withdrawing his resignation.

Angered by the attitude of his Democratic colleagues in favoring the resolution approving the new constitution of Arizona, to whose radical features Mr. Bailey has declared his undying opposition, he wrote his resignation and took it to the Vice-President with the request that he announce it to the senate. Mr. Sherman declined to have anything to do with it; Senator Bacon, importuned in like manner to announce it, took a similar position. Thereupon the Texan telegraphed it to Gov. O. B. Colquitt, of Texas, who promptly refused to accept it, replying as follows:

"I decline to accept your resignation as a senator from Texas and respectfully ask you to withdraw it. Please wire fully."

Meanwhile the resignation was a subject of excited discussion about the capitol. Many of Mr. Bailey's Democratic colleagues expressed regret at his action, and those who talked with him urged him to reconsider his action. Not a few prophesied that he would think better of his decision "after he cools off," and would withdraw the resignation. He did withdraw it, and this evening wired Governor Colquitt to that effect.

COUNTY COMMISSIONERS MEET IN REGULAR SESSION.

The regular monthly meeting of the county commissioners convenes today and tomorrow. There is considerable interest in this meeting because of the fact that it has been stated that Chairman J. A.
