

WINNING UPON MERIT, AND THE FAIRNESS OF MR. TAFT

The South is pleased that two of her citizens occupy positions on the Supreme court bench of the nation, but all of us should be still prouder that this generation has produced an official who was big enough and broad enough not to have been influenced by politics in performing so high a duty.

THE STABILITY OF THE AUTOMOBILE INDUSTRY.

Much overworked sentiment was heard only a few months ago about extravagance of automobile purchasers in financial circles. Much was heard a month ago about the resolve in some financial circles, and especially in the West, where the banks had refused loans for the purpose of purchasing motor cars.

Concerning the situation in exchange says Dealers in Kansas City have ordered five thousand motor cars which they will supply to the farmers of the South and Southwest when crops have been sown.

A conservative estimate is that \$500,000,000 is invested in the automobile industry. Nearly 200,000 persons are employed in the manufacture of automobiles and accessories.

MEETING OF WIDE-AWAKE CIRCLE OF CIVIC LEAGUE

On Friday afternoon the 26th the "Wide Awake" circle of the Civic League, of the 7th grade, South Main Street School, Miss Lawrence's class, met for its first meeting of the year.

After a short business meeting in which satisfactory reports of the various committees were given, an interesting program was rendered. Compositions were read on the following topics: "Needed Improvements in High Point," by Alma Headen and Garland Chappell; "The Neatest Backyard in High Point," by Grace Shields; "The Street I Like Best," Olive Cummings; "An Appropriate Monument for High Point and Where," by Bessie

Woodson; "Why the School Yard Should be Made Beautiful," by Ray Burgess and May Ritter. Last on the program by the society was a recitation, "Woodman, Spare That Tree," which was followed by short, but inspiring talks by Rev. A. S. Caldwell, Mrs. B. E. Moore, Miss Venetia Smith and Miss Gary.

GROWS HAIR ON BALD HEADS

Bald-headed People May Get a New Chance in Life. In these days when youth is the moving factor in business, when a man makes his mark at thirty-five and is ready to retire at forty-five, when business houses pension the man we call "middle aged" rather than allow his lagging influence to intrude upon the commercial rush, a bald head is almost fatal to any man's hopes. The following must therefore prove interesting to people who are losing their hair or who are bald.

Resorcin is one of the latest and most effective germ killers discovered by science, and in connection with Beta Naphthol, a combination is formed which destroys the germs which rob the hair of its nutriment, and also prevents the development of new germs.

Phoscarpin is a well-known agent for restoring the hair to its natural color, where the loss of color has been due to a disease of the scalp. Yet it is not a coloring matter or dye.

This combination of curatives mixed with alcohol as a stimulant perfects a most effective remedy for hair and scalp troubles.

The famous Rexall "og" Hair Tonic is chiefly composed of Resorcin, Beta Naphthol, and Phoscarpin. It helps to make the scalp healthy, to nourish the hair, to stimulate the follicles. Where the hair is already bare, it enters the follicles, reaches the roots, and stimulates the growth.

Remember, we are basing our statements upon what has already been accomplished by the use of Rexall "og" Hair Tonic, and we have the right to assume that what it has done to hundreds of others it will do for you. In any event you cannot lose anything by giving it a trial on our liberal guarantee. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store, The King Drug Co.

victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that as T. D. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters" he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. It's folly to suffer when this great remedy will help you from the first dose. Try it. Only 50 cents at all druggists.
