STORIES OF SUCCESS

CHARLES F. CHICKERING

The surest way not to fail is to determine to succeed. Determination brings success when great talent without it fails. The big Boston Chickering piano factory, covering as it does more than a city block, is a lasting monument to the sterling qualities of a man determined to win.

When as a boy young Chickering caught the tink of his father's anvil pounding merrily from a white hot horseshoe, he resolved to give to the world an instrument that would indelibly impress the harmony that was vibrating in his soul.

He saved his earnings, and the achievement of this sturdy Chickering piano maker is today world history.

And so it is with every one who has the handling of money—success comes only by saving—saving is a check on extravagance, and a means to independence.

A saving account in this bank will help you in a hundred ways.

Deposits in our savings department are protected by all the assets of the institution, and the smallest depositor is treated as courteously as the largest.

Leaders In Men's Wear

Sidna Allen and Wesley Edwards Reported Surrounded Eighteen Miles From Hillsville

Special to Enterprise.

Bluefield, W. Va., May 3.—Sidna Allen and Wesley Edwards two members of the Allen gang who are still free, are reported surrounded today by detectives in the mountains at a gap 18 miles from Hillsville. posse leaders have sent urgent word to the city for reinforcements.

FLOYD ALLEN'S DEFENSE.

Wytheville, Va., May 3.—Floyd Allen's defense, against death participation in the Hillsville murders will probably be begun tomorrow. The prosecution today had only six witnesses to complete all direct evidence. The defense is expected to show that commonwealth attorney Foster, for whose murder Allen is charged, was killed by Sidna Allen, or Wesley Edwards, the only members of the Allen gang still free. Allen's faithful wife is by his side today.

MOBILE GETS NEXT MEETING SOUTHERN CONGRESS.

Mobile, May 2.—The announcement that Hobble gets the next convention of the Southern Commercial Congress came in a telegram to the local chamber of commerce today. The session will be held simultaneously with the opening of the Panama canal.

FIRST STEERAGE PASSENGER TESTIFIES

New York, May 3.—Daniel Buckley, aged 21, was the first steerage passenger of the Titanic to tell his story to the Senate committee. He told Chairman Allen Smith that an officer had tried to lock steerage passengers on their deck after the rising waters had routed them out of beds.

PRESIDENT FOR SIX YEARS

Washington, D. C., May 3.—An early consideration of the Senate house resolution declaring for a six-year-no-re-election-term for Presidents, is predicted today.

ROOSEVELT IN MARYLAND

Salisbury, Md., May 3.—Reiterating the present pre-convention fight, "a straight line up between the bosses and the plain people," Roosevelt opened the Maryland campaign here today. He will speak at Baltimore tonight.

ROOSEVELT GAINING IN NEW YORK.

Washington, D. C., May 3.—Senator Dixon, Roosevelt's campaign manager, declared at least 21 of New York's delegates will now vote for Roosevelt on first ballot. He said the number would be increased before the Chicago convention.

SERIOUS CHARGES

New York, May 3.—Chairman Smith, of the Senate Titanic investigation committee stated today he had received charges that Titanic's steerage passengers were held in quarters and given no opportunity to escape. He said he believed the charges well founded.

TWO MORE BODIES FOUND

Halifax, N. S., May 3.—The Minian wirelessly today that two more bodies of the Titanic tragedy had been recovered, making a total of 15.

AN ITALIAN VICTORY.

Rome, May 3.—The war office today announced another sweeping victory over the Turks in the capture of an important Tripoli town, after a sharp engagement in which 300 Turks were killed. The Italian loss is 9 killed, 54 wounded.

THE PEACH CROP.

J. Van Lindley passed through today en route to Moore county. He told the Enterprise that he would have 20,000 crates of peaches this year despite the fact that the crop had been damaged some \$25,000.

Eight Months School

There was a meeting of the school board last night to consider the election of teachers for next year. There will be several changes in the faculty. The full report as passed on by the board will be complete in a day or two.

It was unanimously decided at the meeting last night to have only eight months school next year, beginning perhaps early in September and closing the first week in May. We believe that this change will be very acceptable to the parents especially with those who have the smaller children in school. Two thirds of the children in school are small and eight months is enough for them while the larger ones, if they do their duty, will acquire just as much.

THE PARK.

Our citizens are taking much interest in the Park now that spring weather has opened up and there are scores of visitors daily. It is popular with the children and amusements are being added and the grounds beautified as donations are collected. The committee hopes to greatly beautify the park during the spring and summer and will appreciate the assistance of any of our citizens who may feel inclined to give it. We need parks both large and small for our people and we can engage in no better civic work.

VISIT OF FOREIGN MINISTER TO GREENSBORO NEXT MONDAY.

The Enterprise has received the following notice from the county superintendent of education:

Minister Egan, who has been minister to Denmark for several years, is making a tour of the south and will stop at only two points in North Carolina. One of these points is Greensboro, and he will address the people of Guilford county at the court house on next Monday, May 6, at 2 o'clock.

As Minister Egan has selected Greensboro as one of the points to stop in North Carolina, Guilford County should give him a rousing welcome. No country in the world has made more progress in agriculture than has Denmark, and Minister Egan will tell us something of the plans which have been adopted in Denmark to bring about this wonderful development. He is especially interested in stock raising and dairying.

Let everybody come out and give him a royal welcome.

CITY UNION TO BE ORGANIZED.

Representatives from the various Baraca and Philathea Classes of the city met at the First Baptist church last night for the purpose of discussing the advisability of organizing a City Union.

Much enthusiasm was shown and it was the unanimous opinion of those present that each class in the city would be greatly benefited by such an organization.

To further discuss the matter and effect an organization, a mass meeting of all Baraca and Philathea classes of the city is called to meet at the Washington S. M. E. church Sunday afternoon at 4 o'clock. A large attendance is earnestly requested.

NOTICE TO TAX PAYERS

City tax listing for 1912 is now in progress at the office of City Auditor and Clerk Albert A. Holton, in North Carolina Trust building. Hours, 9 a. m. to 1 p. m., and 2 p. m. to 7 p. m.

Please come in and list your taxes promptly, and avoid the rush.

Fred N. Tate, Mayor.

Pushing Ahead

PROSPECTS BRIGHT FOR R. & C.

We note the following interesting news published in today's Journal:

"Mr. A. H. Eller, chairman of the railroad committee, made the report in which more general interest centers than in any of the others. He produced a letter from Mr. A. E. Tate of High Point, one of the chief promoters of the Randolph and Cumberland Railroad, in which Mr. Tate told of carrying bonds in three townships of Randolph county and expressed the belief that other bonds would be voted to aid in the construction of the road by three townships in Moore county and also possibly by townships in Guilford. Elections will be held in June. Mr. Tate stated that he hoped to reach Yadkin county with the survey and a proposition for bonds not later than the first of July.

Mr. Eller pointed out that, provided the bonds are voted in Moore, there will be about \$300,000 in bonds ready to be applied on the construction of the line between this city and Cameron. He also stated that he had seen the promoters of the road recently and they were confident that the line would be completed by the time specified. The condition upon which the bonds were voted in Winston township stipulate that active work of the construction must begin on the road not later than January 1, 1913.

ROAD TO CONNECT GUILFORD MACADAM

J. J. Farris has given the contract to John W. Hill to grade the public road from the Guilford line to the incorporation line of Trinity. Mr. Hill is now at work on it and will have it ready in a week with good weather.

DR. M'ADAMS.

Dr. C. R. McAdams left today for Charlotte, where he graduates tomorrow at the N. C. Medical College. He will probably accept the appointment offered him as resident physician of Rex Hospital at Raleigh. Dr. McAdams is a former resident of High Point and his friends will be pleased to know of his success.

BUSTER BROWN AT ELWOOD

The original Buster Brown and the real Tige, of Botson, arrived in High Point yesterday afternoon. Buster is a charming little character, a princely little fellow only eleven years old, bright and clever with a fine personality for a child. He has been entertained in the most exclusive circles, in the White House, and in some of the most prominent homes in America. He posed for characters of child life when he was quite young. The Buster who is here today is the original "Buster," the original who suggested the famous creation, and his dog, the canine immortalized by Outcault. This copyright has since been taken over by the Brown Shoe Co. He is in High Point advertising the Buster Brown Shoes.

ANNOUNCEMENT

The host of friends here of Miss Daisy Williams will be interested in the following announcement:

Mr. and Mrs. Justus Everett announce the marriage of Mrs. Everett's daughter, Daisy Elizabeth Williams, to Mr. James Alexander Bralley, on Wednesday, the twenty-four day of April, nineteen hundred and twelve, "Edenwood" Raleigh, North Carolina.

The Flood Situation

New Orleans, May 3.—Having abandoned all hope of repairing breaks in levees about Torras, the federal and state officials today, centered all efforts towards rescuing thousands already rendered homeless by the flood, and providing refugees with food and shelter. A dozen special trains were rushed carrying blacks, whites, and live stock to high grounds. It is estimated 115,000 persons are being carried to rescue camps. A thousand more refugees are coming.

TAFT KEPT GOING.

Washington, D. C., May 3.—Taft who is just back from Georgia takes to the road again tomorrow with flying speech making trip through Maryland. He goes to Cincinnati Sunday night. Returning Thursday plans to leave again the following Saturday to attend the inauguration Dr. Hibdon, president of Princeton University.

METHODISTS CENSURE SECY WILSON

Minneapolis, Minn., May 3.—Because Secretary of Agriculture Wilson presided at the International Brewers' Convention the Methodists in general conference today adopted a resolution censure. Resolution as passed censured both Taft and Knox for encouraging Wilson's service to the brewers.

INTERESTING MEETING

At the regular meeting of the Civic Department of the Woman's Club which was held Wednesday afternoon, May 1st, in the Manufacturers Club. The meeting was well attended, this being the close of the year's work. The efficient retiring chairman, Mrs. Helstead Tomlinson, gave a full report of the year's work done by this department. In her review much good had been accomplished toward beautifying and keeping clean our city. The baby bed at the station was reported now ready for use. An interesting letter was read from the mayor telling of a much larger work reported done by the city cleaning up days than last year. 79 loads of trash had been hauled last year, and 97 loads this year. Much larger loads were hauled. The wagons had covered 375 miles altogether to accomplish this work. Miss Clara Cox reported that the sanitarium placards distributed had done good already and was bearing fruit. Miss Ada Blair reported the prizes had been purchased for the Junior Civic League at schools and that it had been the most successful year of the Juniors work. There had been 30 white and 9 colored civic leagues formed during the year. Already the fall's work is mapped out. The children have kept grounds and school rooms in good condition and planted flowers on the grounds. Fourteen hundred white and six hundred colored children belong to the Junior Civic League work. Mrs. Henry White told of her recent visit to Miss Ada Blair's school—the children had been studying birds and their value. She spoke of the children voting not to bring chewing gum to school. The officers for the ensuing year were installed. The program for future work was discussed—43 members belong to this department and all were urged to stand faithful to the work.

GIVING HIM TAFFY.

may please him, but try serving him a dinner without ice and see how quickly his demeanor will change. It is annoying to the housewife to be without plenty of ice during the warm months. No iced deserts or toothsome ice cream, no crisp vegetables or tempting butter without good ice. Let us serve you—we do it at a fair price. The quality of our ice and system of delivery is the BEST.

WE KNOW

And you know there are people who read this paper that need Pianos

We also know these people prefer a high grade piano. To secure such a piano buy it from the old-time firm of Chas. M. Stieff. And the day will never come when you will realize you have bought an inferior instrument.

Sheron EYE-GLASSES

Our Skill is at Your Service

We are now located first door below F. P. Cauble's Jewelry store. Our equipment for eye testing is the best in the city, and we especially invite YOU to drop in and look over our parlors.

We are licensed by the state of North Carolina, as a result of a rigid examination in Optical Science, to test the refraction of eyes and fit glasses. See our window display; anything that you want for the benefit of your eyes can be supplied by us.

We supply Toric lenses, which fit the curvature of the eye, giving a considerably larger field of vision. Kryptocks, the invisible bifocals, make the aged look younger. You do not want to look old. Come and let me demonstrate them to you.
