A Roosevelt Bolt--Convention --Now No Longer In Doubt

Special to Enterprise.
New York, June 7.—Roosevelt
will go to Chicago Wednesday
to bolt if his delegates are not
seated in the convention, is ac-
cording to absolutely positive
statements today, made by one of
Colonel's closest political advisers.
The plans are under way
for a Roosevelt convention and
there is no further doubt as to the
Roosevelt program. It is said
Roosevelt will make a fight
personally and to the last ditch.

ROOSEVELT DEMANDS ARE CRUSHED OUT

Special to Enterprise.
Chicago, June 7.—In a bitter
speech, Senator Borah, of Idaho,
threw the Republican national
committee in a turmoil at the
outset of today's meeting when
he demanded members go on
record on every delegate contest.
The Taft steam roller tabled
Borah's motion over his protest.
When Chairman Roosevelt tried
to choke off the discussion Borah
continued to talk and was finally
permitted to finish his criticism
of the majority. After crushing
out Roosevelt demands the com-
mittee continued the considera-
tion of Alabama contests.

THE REPUBLICAN FIGHT

Special to Enterprise.
Chicago, June 7.—Without
hope of seating their contestants,
the Roosevelt leaders today be-
gan a personal canvass to break
the Taft delegates ranks. The
Taft managers are fighting tooth
and nail to keep their men in
line. There is a slight advan-
tage on the Taft side today. He
has an overwhelming control of
the national committee and on
the face of it returns a safe ma-
jority of delegates. This majority
will be increased by the na-
tional committee seating the
Taft contestants. The na-
tional committee wrestled today
with the Alabama contests. Both
sides are still claiming a major-
ity of delegates disclaiming any
intention to bolt if the other side
wins.

TAFT GETS ALABAMA

Special to Enterprise.
Chicago, June 7.—Alabama
delegates at large awarded to Taft
by the committee.

THE NEGRO REVOLUTION

Special to Enterprise.
Havana, June 7.—President
Gomez today issued a manifesto
calling every man to arms to pro-
tect his property and prevent
outrages in order to prevent an
intervention on account of the
negro rebellion.

EARTHQUAKE RECORDED

Special to Enterprise.
Havana, June 7.—The
University of Science recorded an earth-
quake lasting at 5.21 this
morning. It tremulously being
recorded at eleven o'clock. The
location is unknown. Seismo-
graphs at other cities recorded
the quake.

DR. DUNCAN AT ATLANTIC CITY

The Enterprise is under obli-
gations to Dr. G. F. Duncan who
is in Atlantic City for an inter-
esting program of the meeting of
the American Medical Association
there. Dr. Duncan adds:
"It is well worth the time and
trouble of any physician. Gov.
Woodrow Wilson made a splen-
did address to the Association."

DELEGATE BUNDY'S LOSS

Mr. Bundy, of Jamestown,
delegate to the state convention,
was robbed of his watch, some
money and even his collar but-
ton at Raleigh. He went to his
room, pulled off his coat and vest
and laid down for a nap. When
he awoke everything he had in
his pockets was gone.

T. W. Albertson, Esq., has
been filling the position as Re-
corder, and his fair decisions are
well spoken of by all the mem-
bers of the local bar.

MEETING OF THE BLIND ASSOCIATION

The delegation attending the
State Blind Association at Fay-
etteville Tuesday, Wednesday
and Thursday returned last night.
This was the 4th Annual session
and was perhaps the most en-
couraging and enthusiastic meet-
ing yet held. The association is
growing in membership and gain-
ing favor in the eyes of the see-
ing world.

The concert given on Tues-
day afternoon and night were of
a high class and artistically re-
ndered, receiving loud applause
from the appreciative audience.
The exhibit from the school at
Raleigh showing the handicraft
of the blind attracted much atten-
tion.

Mr. Henry G. Easley, presi-
dent, presided over the meetings.
Features of the meeting were an
address by Mr. W. G. Holmes,
editor of the Matilda Zeigler
Magazine for the Blind, New
York, on "Salesmanship" and the
reading of a paper "The History
of the Blind" by Rev. M. Luther
Camp. The paper was enthusi-
astically received and authorized
to be published in the Zeigler
Magazine for the blind and put
in pamphlet form in type for dis-
tribution among the libraries of
the country.

An Employment Bureau was
established with headquarters at
Raleigh for securing work for
the blind. Work was ordered push-
ed to completion. The blind pres-
ent individually secured meager
salaries—subscribed \$500 toward
the movement in ten minutes
time.

Mr. Holmes was an inspiration
to the convention and was given
the honor of the most of the time
Wednesday. There are two million
and five hundred thousand blind
people in the world today. Their
city is no longer alms but work.

Wilson Delegation Is Elected But Without Instructions

CONVENTION ADJOURNS

Special to Enterprise.
Raleigh, N. C., Friday—Noon
In one of the finest contests
in the history of Democratic
conventions in the state, Wil-
son delegates were elected to
go to Baltimore. E. J. Justice,
R. B. Glenn, Lt.-Gov. Newland,
Gen. Julian S. Carr, A. W. Mc-
Lean, W. C. Hammer, E. J. Hale
and W. C. Dowd.

The Nominees.

Raleigh, June 7.—At 4 o'clock
this morning, the Democratic
state convention was still in ses-
sion, the fight over instruction
for the presidential candidate be-
ing under consideration.

Locke Chaig was nominated
for governor by acclamation. E.
L. Daughtridge was nominated
for lieutenant governor on the
fifth ballot. George P. Pell was
named for long corporation com-
missioner on the first ballot and
E. L. Travis was nominated for
the short term, also on the first
ballot.

Full State Ticket.

Fauconberg.

Lieutenant-Governor—E. L.
Daughtridge, of Nash.

Grimes, of Pitt.

Lacey, of Wake.

State Superintendent Public
Instruction—J. Y. Joyner, of
Guilford.

Commissioner of Labor and
Printing—M. L. Shipman, of
Henderson.

State Auditor—W. P. Wood,
of Randolph.

Attorney-General—T. W. Bick-
ett, of Franklin.

Associate Justices of Supreme
Court—George H. Brown, of
Beaufort; W. A. Hoke, of Lin-
coln.

Insurance Commissioner—
James R. Young, of Vance.

Commissioner of Agriculture—
W. A. Graham, of Raleigh.

Corporation Commissioner—E.
L. Travis, of Halifax, for short
term; Geo. P. Pell, of Forsyth.

Exciting Time Over Presidential Contest

The Wilson-Underwood con-
test this morning furnished the
most exciting scene of the con-
vention. Judge J. Crawford
Briggs led the fight on the floor
of the convention for Wilson. His
followers undertook to storm the
convention and paraded the hall
with Wilson banners, amid loud
yells. The Underwood men re-
fused to hear Briggs for several
minutes, but finally quiet was re-
stored.

It was announced that it had
been decided to elect eight de-
legates at large and allow each half
a vote in the national convention.

Biggs nominated eight Wilson
men to go to Baltimore, and R.
N. Hockett, floor leader of the
Underwood men, nominated
eight, of whom six were for Under-
wood.

Pell Named on First Ballot

Outdistancing his opponents,
Judge George H. Pell of Forsyth
county was declared the nominee
for long term corporation com-
missioner by a majority of 57
over the field this morning at 2
o'clock. As predicted, the nomi-
nation was made on the first bal-
lot, Pell receiving 507 votes.

Bitter Struggle Over Senatorial Fight

The bitterest struggle of the
whole convention came when
Cameron Morrison presented the
report of the platform committee
endorsing the record of Senator
Simmons. J. S. Manning sub-
mitted a minority report, the

language used in this endorsing
the record of the Democratic
party without mentioning speci-
fically the senators.

W. C. Hamner and J. D. Mur-
phy opposed the minority report,
and A. L. Brooks and John D.
Bellamy favored it.

Minority Report Lost

The vote showed that the mi-
nority report was lost by 363 for
and 508 against.

The test of Simmons-Kiteba
strength in the delegates came in
this vote, and throughout the
balloting there was the wildest
enthusiasm, the leaders rushing
lumber and thither. Sharp lines
were drawn.

Craig Makes Fine Speech

He spoke eloquently of his ap-
preciation and his conception of
the significance of the impen-
ding campaign and its bearing on
the welfare of the state and the
nation. He expressed profound
gratitude for the nomination as a
distinction too pre-eminent, com-
ing not from his deserts, but from
the generosity of Democracy.
No other governor had been
nominated by acclamation since
the peerless Aycock in 1900, who
with the zeal of a crusader devo-
ted his intellect and his soul to the
task that was laid upon him.
His speech was a great effort.

Francis D. Winston Permanent Chairman

Francis D. Winston of Bertie
county was made permanent
chairman of the convention. Walter
Murphy of Kowan was named
as secretary, with R. S. Gaff-
loway of Forsyth and E. B. Ar-
endell of Wake as assistant sec-
retaries. Walter Calhoun and
George L. Peterson were named
as reading clerks.

Senatorial Primary Ratified

The convention unanimously
ratified the action of the execu-
tive committee in calling a pri-
mary to settle the senatorial con-
test. The primary will be held
at the regular election. If a sec-
ond primary is necessary, it will
be held on November 26.

Sympathy for Mr. Horne

The convention adopted a res-
olution tendering sympathy to
Hon. Ashley Horne in his illness
and wishing for him a speedy re-
covery.

Enthusiasm For Glenn

When ex-Governor Glenn
came to the platform as tempo-
rary chairman, he was given a
great ovation and it was fully
two minutes before the cheers
subsided so that he could be
heard.

Governor Glenn was at his best
and his key-note speech was a
splendid enunciation of Demo-
cratic principles and a fierce ar-
raignment of the Republican or-
ganization in both state and na-
tion.
