STORIES OF SUCCESS

CORNELIUS N. BLISS

Power is never very far from necessity. The vigor of the human mind quickly appears when there is no longer any place for doubt or hesitation. In after years, when the name of Cornelius N. Bliss was one to inspire respect from New Orleans to Boston, he acknowledged that the necessity to make not only his own success, but to provide for a large family of brothers and sisters, gave him the sense of thrift to which he attributed the realization of his dreams.

When the opportunity was given him to make a small investment in his employer's business, this boy of eighteen was ready.

Constant saving and careful financing developed the young clerk into the master merchant of his day. System in saving brings independence.

Push, pluck and perseverance are as strong as an army when backed by the battery of thrift, industry and economy.

There is a Riot Ahead For the Chicago Convention

Chicago, June 13.—The Roosevelt leaders have been in extended conference which began last night and lasted well into this morning. It was decided that Roosevelt be asked to come here next week. How ejections could be made without starting a riot was considered by the Taft leaders, charges of bribery and attempted bribery of Taft delegates was denied by Roosevelt managers and overshadowed everything today. Congressman McKinley, Taft's manager, who made general charges was expected to make further statement citing specific instances. The charges are coupled with the action of the national committee in throwing out Roosevelt delegates has infuriated the Roosevelt followers, to such a point that they do not hesitate to declare they will resort to forces to "get their rights."

Committee seated all Taft delegates from Mississippi, but one Taft delegate declared himself in favor of Roosevelt.

Dixon Demands Show Down
Senator Dixon, Roosevelt's manager, today demanded a "show down" from Manager McKinley upon the charges made. Taft delegates are being bribed. "I dare them to name any of our men involved in a bribery of delegates," said Dixon, "McKinley is in a glass house of his own, a member of the national committee who is voting with us was offered a United States marshalship by the Taft people, if he would go over." Dixon declared that "the southern delegates are being seated with revolt," "these southerners will speak for themselves when the time comes," he declared. Three from Alabama have already left the Taft camp.

ACTION OF CONGRESS AS TO CONVENTIONS.

Washington, D. C., June 12.—The House will recess three days during the Democratic convention only and will continue in session during the rest of the national convention period, on a "gentleman's understanding" that no partisan legislation will be pressed. This statement was made by Representative Underwood, the Democratic leader.

The Senate agreed to a program of three days' recess covering period of Republican and Democratic conventions.

BIG MASS MEETING FOR ROOSEVELT.

Chicago, June 13.—Roosevelt leaders tonight announced details of a mass meeting for Friday afternoon which will be staged at Chicago's largest theater as a spectacular preliminary to the opening of the Republican National Convention next Tuesday. Congressman William Kent, of California, who made the announcement, said that the principal addresses at the meeting would be delivered by Judge Ben B. Lindsey, of Denver, and Attorney Francis J. Heney, of San Francisco. Also it is probable that Governor Johnson, of California, and Governor Stubbs, of Kansas, will speak.

Republican Administration Loaned Morgan \$25,000,000

Special to Enterprise.
New York, June 13.—It was testified today before the congressional committee investigating the money trust that George B. Cortelyou, secretary of the treasury at the time of the 1907 panic, who told how government loaned J. P. Morgan the \$25,

Local and Personal

Our esteemed townsman, Mr. A. E. Tate who has for several years been a member of the Board of Directors of the State Institution for the Insane at Morganton, was yesterday elected a member of the Executive Committee of the Board.

There was no Recorders court this morning, which speaks well for the peace of the community. Chief Ridge and his force are on the job.

Sam Barbee, who has been the efficient night clerk at the Elwood hotel, leaves this week to be with the Carolina Cold Storage and Ice Co. He is succeeded by Mr. R. S. Trotter, of Salisbury.

Last night about 9 o'clock a horse breaking away from a vehicle on North Main street started at a great rate of speed down the street towards the Elwood, he reached the railroad crossing just as the fast mail train No. 12 was pulling out, and ran pell mell against the side of the train—the impact it is said broke the horse's jaw bone, also knocking out several teeth. It was a narrow escape from death. The horse was thrown back from the moving train and he walked off slowly, showing every evidence of being badly bruised.

We are publishing a letter from Mayor Tate relative to the big "Fourth" Celebration which High Point is to have. Let everybody join in and give the matter their earnest personal support, and make it the greatest event of its kind ever held here.

We have understood that Mr. and Mrs. Robert Morrow will return to make High Point their home. Mr. Morrow to take a position in the office force of the Shipman Organ Co. Their many friends are pleased that Mr. and Mrs. Morrow are to return to High Point.

The writer received a postal from Mr. and Mrs. V. J. Idol, who are sojourning at Niagara Falls.

Stonewall Durham, of Bessemer City spent the morning here on business.

Mr. and Mrs. T. J. Gold and children left today for a stay of a few weeks at Shelby, for a visit to Mr. Gold's parents.

The suggestion about the joint club building is meeting with a response by those who would likely be interested.

C. W. Barlow, who has been attending court at Greensboro, left for New York today.

Misses Clara Steele and Marguerite Kirkman are visiting in Raleigh.

F. E. Creelman has been on the sick list for a day or two.

Miss Blair, of Asheboro, is visiting at the home of her son-in-law, Capt. A. M. Rankin.

Mrs. O. S. Causey is visiting here son at 111 Elm street here, and will remain till next week.

Miss Mary Sherrod left yesterday for Raleigh to visit her sister, Mrs. Walter Watson.

The Railroad Situation

The Enterprise feels that there is much before the community in the way of increased railway facilities. The Randolph & Cumberland proposition with the large amount of money already appropriated along the route is an encouraging basis and shows that our people think well of the proposition. High Point has done well in this matter and stands ready to make good, believing in the final consummation of the work.

Our talking with Mr. Coler about the extension of the Jones road to High Point and learning the plans of the company we feel this is another opportunity to increase our facilities. The old road is now being put in good condition, in fact is being made new and will be built from Denton to the Southbound. With this work completed Mr. Coler wants to come to High Point, a distance of only 6 1/2 miles and get here by October 1st.

Let him meet our people at once and we are satisfied that High Point will do the square thing.

MR. POLLOCK ASSISTANT CASHIER.

At a meeting of the directors of the Bank of Commerce last night G. A. Pollock, Jr., was elected assistant cashier. Mr. Pollock has made many friends since coming to High Point and is well fitted for the position, having had five years experience in a large Chicago bank.

STILL THEY COME.

Three new comers visited the Enterprise office this morning. All of them said that they had come to east their lost among a progressive people. Glad to have them.

HIGH POINT LOST.

High Point went down before Kannapolis yesterday in a score of 13 to 3. There was good playing by both teams and the spectators enjoyed the game. Kannapolis has a strong team.

MR. FROLICHER STEHLI

The Enterprise in making note yesterday about the case of Stehli & Co. vs. So. Express Co. included a paragraph from the Greensboro News which made it appear that Mr. Frolicher Stehli was one of the victims of the Titanic. The Enterprise has no desire to leave Mr. Frolicher Stehli at the bottom of the ocean he is too clever and too useful a man. We take pleasure in resurrecting him.

The case referred to in which Stehli & Co. are asking damages against the So. Express Co. is being argued before the jury.

This committee is charged with the responsibility of thoroughly advertising the event by covering all territory within a radius of twenty-five miles of High Point. It is the object of the movement to attract to High Point every person possible and show to the people living within the territory mentioned that High Point is a trading center not excelled by any town in this section of the State.

Music Committee

Abram Cook, Chairman
J. V. Garrett
Arthur Lyon

This committee will have charge of securing one or more good bands to furnish music for the occasion. Good music will attract and entertain as much as any other feature of the celebration and it is expected that at least two high class bands will be on hand for the occasion.

D. H. Milton, Chairman
H. A. Moffitt
R. H. Wheeler
T. D. Gilliam
C. L. Gray
D. N. Welborn
A. E. Alexander

This committee will solicit from the merchants, business men, professional men and private citizens, contributions to be used in paying the actual expenses of the celebration, such as bands, speakers expenses, advertising expenses, free lemonade, etc. It is hoped when this committee calls on the people of High Point that there will be a hearty and generous response, as without liberal contributions the entire affair of necessity must be a failure. Money spent in this direction will do more to advertise the mercantile advantages of High Point to the surrounding country than through any other medium possible.

Committee on Parade

J. W. Harris, Chairman
S. L. Davis
A. E. Tate
E. P. Carpenter
E. W. Freeze
J. E. Marsh
Bascom Hoskins

This committee will have entire charge of the various features composing the street parade and will handle the parade in every particular, selecting and appointing all the marshals, arranging the location for all of the various sections of the parade, such as bands, military com-

panies, firemen, policemen, commercial floats, fraternal orders, schools, Confederate veterans, industrial displays, automobiles, horseback brigade, etc. It is expected that that parade will be the largest and most elaborate ever seen in this section of the State. High Point has the resources with which to form a magnificent parade, displaying practically everything of interest in the city, and we hope and expect every individual to have some part in this great display. Some of the mills and factories of the city expect to have their employees march in the parade, displaying their particular line of product, and it would be a pleasing feature of the event if all factories and mills could arrange to carry out this idea. Every person, firm, corporation or organization of any kind whatsoever which may desire a part in the parade will please immediately notify Mr. Harris.

Committee on Games, Contests and Prizes

C. D. Smith, Chairman
A. B. Horney
L. C. Sinclair
W. D. Simmons
W. G. Shipman

This committee will arrange for contests among the military companies, the fire companies, etc., as well as a first class game of baseball between High Point and one other team, and will also provide prizes to be given the winners in the several contests to be arranged. This feature will include competitive drills by the High Point and visiting military companies, competitive speed tests between the High Point and visiting firemen and other similar features.

Educational Committee

Prof. Thornwell Haynes, Chairman
C. F. Tomlinson
A. E. Tate

It is hoped that this committee may be able to arrange for a section of the parade to be composed of absolutely every pupil of the High Point Graded Schools. This can be made one of the strongest advertising features of the parade by having a full display of the school children, all marching with banners and proclaiming the high standard of our city schools.

Committee on Fraternal Orders

W. L. Stamey, Chairman.
J. W. Sechrest
F. D. Blake
J. W. Gentry
O. A. Kirkman

This committee will endeavor to arrange to have every fraternal order of the city represented in the parade either on horseback or on floats or marching in proper formation. A prize will be offered the winner in certain features, to be adopted by the Committee on Prizes and Contests. In this respect High Point can excel almost any city in this section on account of the large number of members of the several fraternal orders here.

YOU Can Always Tell A Cheap Piano by the Method Used in Selling It.

Pianos sold by Agents begging to place them in your home on trial or to save storage or forcing them in your home without your consent.

"Coupon Schemes," "Guessing Schemes," "Club Schemes," "Special Sale Schemes," "Special Introductory Sale Schemes," etc., are fake methods, pure and simple, for unloading cheap pianos on people who don't realize the difference between a fine piano and a cheap one, and don't know that high grade pianos are not sold through fake schemes.

You had better call on the old reliable firm of Chas. M. Steiff before buying.

Committee on Fire Works.

Abram Cook, Chairman
Dr. F. E. Perkins
W. E. Snow

This committee will arrange for elaborate display of fire works at the City Park near North Main street and it has been planned to make this display so attractive and entertaining that it will be the means of holding over for the night a great many visitors who would otherwise leave early in the afternoon.

From the above outline of what the several committees are doing, the public may readily understand that we fully intend to pull off the greatest event in the history of this county and it will do more to advertise the mercantile and general interests of the city than any other means possible. We can not hope, however, to make a success of the undertaking without the generous and hearty support of every man, woman and child in High Point. With this support we can accomplish the desired results, and a general invitation is hereby extended to every individual to consider himself a member of any committee named above on which he can serve and lend his aid in any and every way possible to make the event worthy of High Point and its high aspirations.

All committees, and other persons in any way interested, are hereby requested to meet at the Industrial Club Rooms Saturday night, June 15th at 8 p. m. for a conference of not more than 30 minutes. Please do not fail to attend and be on time.

Respectfully,
Fred N. Tate, Chairman.
