STORIES OF SUCCESS

CORNELIUS N. BLISS
Power is never very far from necessity. The vigor of the human mind quickly appears when there is no longer any place for doubt or hesitation. In after years, when the name of Cornelius N. Bliss was one to inspire respect from New Orleans to Boston, he acknowledged that the necessity to make not only his own success, but to provide for a large family of brothers and sisters, gave him the sense of thrift to which he attributed the realization of his dreams.
When the opportunity was given him to make a small investment in his employer's business, this boy of eighteen was ready.
Constant saving and careful financing developed the young clerk into the master merchant of his day.
System in saving brings independence.
Push, pluck and perseverance are as strong as an army when backed by the battery of thrift, industry and economy.
Start a savings account today, for it is what you save that counts.
A dollar in the bank is worth two in the pocket, and the interest on it grows and grows.

GIVING HIM TAFFY.
may please him, but try serving him a dinner without ice and see how quickly his demeanor will change. It is annoying to the housewife to be without plenty of ice during the warm months. Noiced deserts or toothsome ice cream, no crisp vegetables or tempting butter without good ice. Let us serve you—we do it at a fair price. The quality of our ice and system of delivery is the BEST.

Contest Culminates in Bloodshed --Roosevelt Off For Chicago

Plans of Roosevelt Boosters

Special to Enterprise.
Chicago, June 14.—The committee seated the two Taft contestants in Third Oklahoma district today after a terrific wrangle. The first blood was spilt just outside the committee room, when Grant Victor of Oklahoma, swung hard his right to the mouth of L. C. Disney, another Oklahoman. He brought blood. The row started when Disney spoke uncomplimentarily of Taft. The police restored order, but with the greatest difficulty. The greatest excitement prevails.

THE PLANS

Chicago, June 14.—Roosevelt leaders divided over three plans of action and Roosevelt himself is expected to come here to decide. The first is to fight from the start, proposes storming convention within the convention hall regardless of what the Taft forces may do. The second plan ignores Taft forces entirely and involves staying away from Coliseum, forming the organization's separate convention and nominating Roosevelt. Third plan is to go into regular convention accept roll of temporary organization as made up by Taft and the national committee and then fight the whole battle on regular lines. This plan involves substitution of the name of Senator Borah, of Idaho, for Senator Root of New York. Taft men continued to insist today that no matter what action Roosevelt may take he cannot win. Talk of "Dark Horse" grew today. Margin between leading candidates small and shifting. Many leaders fear Taft-Roosevelt split will hurt local changes victory.

Oyster Bay, N. Y., June 14.—I am prepared to go to Chicago this afternoon, "if necessary." Roosevelt left for New York today, accompanied by Mrs. Roosevelt. The required baggage for Chicago trip sent to New York. It was expected Roosevelt would not make formal announcement of his departure until he was actually ready to leave the Outlook office for railroad station.

OVER EIGHT MILLION PAID FOR SEABOARD

New York, June 13.—The syndicate composed of representatives of Blair and Company, Bankers Trust Company, Chase National Bank, National City Bank, Guaranty Trust Company and the Continental Trust Company, of Baltimore, paid \$8,025,000 for the 90,000 shares of preferred stock and 120,000 shares of common stock of the Seaboard Air Line, purchased from the Cumberland corporation. The arrangement provides for the payment of \$7,000,000 cash, the balance to be paid within a year with the privilege of renewal for another year. The syndicate, through majority holdings, is now in absolute control of the property.

FATAL RIOT

Perth Amboy, June 14.—One striker was shot and killed and four strikers injured, one mortally, today when a thousand strikers surrounded the main gate of the American Smelting and Refining Company's plant and were repulsed by a volley from private detectives guarding the property. The dead man is Stephen Dudack. He was shot twice in the neck. Joseph Paul, shot in the back is dying. The strikers fled leaving the dead and wounded on the ground. The military is certain to be called out.

Roosevelt Leaves For the Fight

Special to Enterprise.
New York, June 14.—Roosevelt announced definitely that he would leave at five thirty this afternoon for Chicago. His face was flushed with excitement and his eyes flashed. In a statement for the press he said that many persons had called upon him to go to Chicago. He said he was going more as a fighter for the "rule of the people" than as a presidential candidate.

ROBBERS BLOW OPEN SAFE

Special to Enterprise.
Rogers, Ark., June 14.—Four robbers blew open a safe in the First National Bank today and escaped with \$12,000.

FEW CONTESTS TO WORRY DEMOCRATS.

Special to Enterprise.
New York, June 13.—Plans for the Democratic Convention in Baltimore will be finished at a conference between Norman E. Mack, the National chairman, and Urey Woodson, secretary of the Democratic Committee and National Committeeman from Kentucky.

Mr. Woodson said that he expected very little trouble over contested seats in Baltimore. No contest has been filed except by Democrats from Alaska, Porto Rico, the District of Columbia and the Philippines. In addition, there may be a fuss over the Chicago delegation. Mr. Woodson said he had unofficial information that the Carter Harrison wing of the party was scheming to unseat Roger Sullivan's delegates from Cook county and had engaged Col. A. S. Trude, well known as a criminal lawyer in Chicago, to engineer the job.

BASEBALL SATURDAY

A team composed mostly of High School players will play a strong team from Thomasville tomorrow afternoon at 4 p. m. It will be remembered that the High School team put up some mighty good exhibitions of ball playing this spring and they have not forgotten how to play ball yet. Come out and see a snappy game of ball. Admission 15c. Ladies free. High Point's line-up is as follows:

- E. Sharpe, pitcher.
H. White, catcher.
W. Dyer, 1st base.
E. Jones, 2nd base.

S. Hoffman, center field.
H. Haworth, right field.

The Public Library

The Enterprise is anxious that the Library question take some tangible form. As the matter was gone over some time ago there are several ways by which the building may be secured. We do not know the sentiment of the community on either plan. While the matter is under discussion the Enterprise would like to make another suggestion. It is very evident that the city will soon have to provide a building for a high school. In doing so it might be well to provide for the Public Library in the same building. This could be done without much more cost to the city and by making 4 or 5 class rooms on the first floor for the High School, it would make the needed room in the other buildings for sometime to come.

The second story could be used for the Library, having a front entrance from the ground with broad granite steps which would give a very attractive front.

Under this plan the property would belong to the city and the matter of its maintenance would be easy.

It would not be out of place for the authorities to have a drawing made of such a structure in order to get at the cost, etc.

THE WINSTON ROAD

The last measurements taken by the committee with Engineer June Johnson yesterday afternoon showed some advantages in the route by way of Hornetown at the same time accommodating people along the route who have been interested in the road from the first. If this route is finally agreed upon this week it will go by Hornetown, thence in almost a direct line through the Hedgecock farm to Beeson's Mill and on to Teaguetown. People along this route have agreed to do some extra work through a piece of woods which will be considered by the committee. We want to begin to throw dirt next week.

Bird S. Coler the Orator

The committee appointed to select a speaker for the Fourth of July has extended an invitation to Mr. Bird S. Coler, and he has accepted. The Enterprise congratulates the committee on the selection.

Mr. Coler is not only a prominent business man, who is largely interested in the development of the Piedmont Section, but for years was a prominent figure in public affairs in the State of New York. He will make a practical address calculated no doubt to do great good in a progressive community like High Point. He will have a large crowd to hear him.

SECURES COACH DOAK

The High Point ball team has secured Doak, the famous coach, for their team work. Under Mr. Doak the team will practice each day till they are brought up to a point where they can play as good, if not better ball than any team in the Piedmont League. As the extra expense will have to be met by the volunteer contributions from our citizens, it is urged that those of our public spirited citizens will respond promptly to the call for aid which is to put us in the front rank with a winning team.

We call attention to the announcement of the Bank of Commerce in this issue. A reorganization with \$60,000 increased capital.

Is Edwards Captured?

Special to Enterprise.
Roanoke, Va., June 13.—At midnight tonight the detective agency here which is engaged in the work of running down the Allen gang, wanted for shooting up the Carroll county court house at Hillsville on March 14, had received no information concerning the reported arrest of Wesley Edwards at Clay City.
There is a standing reward of \$1,200 dead or alive for Wesley. In the event that the prisoner in Powell county is really Edwards, only Sidna Allen remains in hiding. Floyd Apen, Sidna's brother, has been sentenced to die, while his son, Claude Swanson Allen, was given a 15-year term in the State penitentiary. Other members of the band are now in jail awaiting trial.

Special to Enterprise.

Mount Sterling, Ky., June 14.—Believing they have captured Wesley Edwards, one of the two Allen outlaws still at large, the Powell county authorities today communicated with Virginia's governor in an effort to complete identification.

MORRISON-HAMPTON.

Mr. Joseph Lowery Morrison and Miss Mabel Gray Hampton were quietly married in Greensboro, N. C., on April 5, 1912. The Rev. Dr. McClarty, pastor of the Market Street M. E. church officiating.

Mrs. Morrison comes from one of the best and well known old southern families of Yadkin county, N. C. She is formerly from Wilkesboro, N. C., having resided in High Point only about 18 months, being well known and with many admirers and friends both in High Point and Yadkin county.

Mr. Morrison was born in Howell county, Missouri, coming to High Point a year ago last May, from Oklahoma, where he was connected with the Santa Fe Ry Co. He is now located with the Southern Car Company of this city, being secretary of the same.

Mr. and Mrs. Morrison thought it would be amusing to keep their marriage a secret for a short time, but decided of late that it was hard to deceive their many friends.

MARRIAGE MISS MARGERET WELCH.

The Atlanta Georgian of June 10th gives a four column cut of Mrs. William Otis Ham, formerly Miss Margeret Welch, daughter of Mr. Marshall Welch, who in his younger days was a citizen of High Point and who has many connections here now. Mrs. Ham was a most charming young woman and popular member of the younger set of Atlanta. The home of the bridegroom is at Jackson, Ga.

COME WITH US

As long as there will be no celebration at the Battle Ground this year, the Enterprise extends a cordial invitation to all of our neighbors, both in the towns and in the country to celebrate with High Point this year. We will give you a big time. Come along.

WITH THE BELLEVUE

Eugene Parrish has accepted a position with the Bellevue and has entered upon his duties of day clerk.

The Bellevue is being refurbished throughout with new furniture, carpets, mats, etc.

The Club Building

There is considerable interest in the suggestion of a club building for the Manufacturers Club and Woman's Club, the combined membership of which is nearly 300. There is little doubt but that the plan is both feasible as well as practical and there are many members in both organizations that would like to see the matter take on tangible form.
To this end J. J. Farriss, president of the Manufacturers Club, and Miss Irvin Paylor, president of the Woman's Club, will appoint a special committee at once who will meet at an early date and discuss thoroughly the advisability of carrying out such a plan.

The Enterprise might go over some plans that could be agreed upon to advantage, but perhaps it will be best that they be submitted to the committee first.

ORPHANS CONCERT.

On Wednesday evening, June 19th, at 8 o'clock there will be a concert given in the Graded School auditorium by a class of orphan children from the Odd Fellows Orphan Home at Goldsboro. This is one of the best institutions of this kind in the state. They have now about one hundred and seventy children in this home. All who attend this concert will be highly entertained, and at the same time help a worthy cause, the entire proceeds go to the Home. The admission fee will be twenty five cents for adults and fifteen cents for children—no reserved seats.

Local and Personal

Mrs. E. L. Crouch, who has been confined to her room for several months with malarial fever, is out again and will go to White Sulphur Springs today accompanied by her daughter, Beatrice.

Mrs. Thos. E. Anderson is in Philadelphia visiting her daughter. She will stop over in Washington on her return home for a visit to her son.

The rain never came before it was needed.

Mr. McLewallen is making other improvements on South Main street.

B. S. Womble, Esq., a prominent young attorney of Winston, came through last night en route from Carthage, where he attended the Penn-Gray nuptials.

A. T. Wishart left last night for Washington to confer with the Southern Railway Company relative to better freight rates. He represents the Rockford Lock Co. and desires to establish a large branch business here.

President Clark, of the Public Service Company, left last night for New York.

We need the rains, but we dislike to see the large amount of construction work held up.

Doak, the coach, will do great work for the ball team—let our citizens rally to the support of the team.

Mrs. J. D. Mann and children left today for White Sulphur Springs, Mt. Airy.

Andrew Lindsay has accepted a position with Ring Drug Co.

Capt. Ralph Leach, of Aberdeen, was here yesterday.

The sand clay road on the Winston route is being scraped and put in shape.

THE SITUATION.

A new comer came in this morning with the request, "Let me see your list of houses to rent."
"Sorry, but all are filled." This is the situation just now.
