Proceedings of Second Day of W. N. O. Conference

The Western North Carolina Conference of the Methodist Episcopal church, South, convened at 8.30 o'clock this morning for the transaction of the business of the second day of the annual session.

Bishop Collins Denny conducted the devotional service with which the session began and delivered another devotional address.

It is gratifying to the Conference to know that Bishop Denny will deliver an address similar to the two already delivered, during the first half hour every morning during the session.

The minutes of the session of Wednesday were read and approved. The roll of members of

ber of this committee in his stead. In the course of the reports of the presiding elders, Bishop Denny again called attention to different interests of the church upon which special emphasis should be placed. He spoke in this connection of his regret that during the past 25 years the assessment of the Methodist Episcopal church, South, for foreign missions has increased only 5 cents per member and the assessment of the church for this cause at the present time is only 46 cents per capita. The total membership of the church at the present time, he showed to be 1,927,309 and the total assessment for foreign missions for this year is only \$400,000.

Bishop Denny then called attention to the fact that during the past 25 years the Southern Presbyterian church has increased the per capita contribution to foreign missions from 75 cents to \$1.70, while in the same time the Methodist Episcopal church, South, has increased in per capita contribution to this cause from 30 cents to 46 cents.

"I hope," he said, "that our Presbyterian brethren, with whatever the objection we have to their creed, will continue to incite us to larger accomplishment in the work of foreign missions, for we are far behind them, and we are dragging along and getting out of breath, with our burden of 46 cents per member for foreign missions."

Plato T. Durham, presiding elder of the Winston district, requested Bishop Denny to suggest some means by which the attendance of church members may be increased at the quarterly meeting services held in the country places of the district. The attendance at these services in the country churches at present, he said, are very small, and a "stirring up" on this question, he said, is needed.

Mr. Durham said further that recently he took a census in an official board of a church on the Winston district with reference to the observance of family worship and that only one member of that board held up his hand, and that when he took a similar census with reference to the observance of daily reading of the Bible not one hand was held up

the Conference who did not answer to their names at the session of Wednesday was called and showed that quite a number of the preachers and lay-delegates who were not present on Wednesday were here this morning.

The call of the 22nd question was resumed: "Are all the preachers blameless in their life and official administration?" was continued and the presiding elders of the five districts whose names were not called on Wednesday were called at this time, and they having passed the nomination of the following named members of the Conference to constitute the Committee on Sabbath Observance: C. W. Byrd, J. F. Shinn, M. B. Clegg, H. H. Jordan, C. H. Ireland, L. G. W. Williams, M. H. Tuttle, M. D. Shook, A. W. Plylet and J. E. Thompson.

REV. W. L. SHERRILL
Secretary Conference.

The committee of investigation in the case of G. E. Eaves reported that a trial of this case is necessary and requested the appointment of a committee of trial and the appointment of J. E. Woosley to represent the church.

Bishop Denny announced that on account of the fact that D. Vance Price had found it impossible to serve on the committee of investigation in the case of B. M. Jackson, and that he had appointed A. R. Surratt as a mem-

and only one member of that official board stated that he read the Bible regularly on Sunday. Mr. Durham said also, that when he was asked why it is that so few young men are entering the ministry of this church, he had replied that it was not to be wondered at that men were not entering the ministry from homes of this kind.

Mr. Durham spoke especially of the work of West End church,

"For Good of Community."

RECORDER EDMONDS SENTENCES WILLIARD.

The case of June Williard came up again this morning and the court was asked to modify judgment and to reduce punishment of sentence on the county roads to a fine. The defense was represented by L. B. Williams, Esq., who is a very able pleader and who plead for the mercy of the court for his client and did all that could have been done to save Williard from the roads. The offense of retailing is one in which Williard has previously figured a dozen times or more. In fact we think that the police records show that he has been convicted already as many as six different times. Recorder Edmonds was disposed to be eminently fair in his decision, and in refusing to allow counsel's motion he said:

"This is a case where seemingly mercy and justice can no longer be companions. Love of punishment is not the aim of the law or the desire of this court. It a fine will serve to correct an evil, then that is the proper remedy. But when that means fails, then the public welfare not only justifies but demands more drastic measures. The good of the community and not our personal feelings should be our guide."

Williard was taken to the convict camp at noon.

CHARLOTTE WANTS CONFERENCE.

C. C. Hook and J. L. Carroway of the Charlotte clubs were here yesterday to emphasize the invitation which Charlotte will give through Dr. Marr for the Conference in 1913. Everybody in Charlotte wants the Conference.

one of the younger churches of the district. He called attention particularly to the fact that this church pays the salary of the pastor and all of the assessments in advance, and said he believed this is not true of any other church in the connection. He requested Bishop Denny to call attention to this fact in other conferences where he presides.

Under the call of the 22nd question, the characters of the preachers sustaining the superannuate relation to the conference were passed. Letters to the conference from several of the superannuate preachers were read, M. C. Field and F. H. Wood, two of the superannuate preachers spoke to the conference.

D. B. Coltrane submitted the report of the Board of Publications of the North Carolina Christian Advocate and urged an awakening of the Conference regarding the support of this paper. He stated that only 7210 new subscribers had been secured the past year.

Answering question 1, "Who are admitted on trial," seven applicants were admitted to the Conference on trial. Bishop Denny announced the following named members of the Conference to constitute the committee of trial in the case of G. E. Eaves: H. H. Jordan, J. C. Keever, W. V. Huneycutt, J. J. Barker, W. L. Hutchins, Albert Sherrill, T. E. Wagg, R. D. Sherrill, T. C. Jordan, Z. Paris, A. L. Stanford, L. P. Bogle and W. O. Goode.

W. E. Abernethy will represent Mr. Eaves, and W. A. Newell will assist J. E. Woosley in representing the church.

The reports of Davenport College, Trinity College and Rutherford College were submitted.

A meeting in the interest of the Woman's Missionary Society will be held this afternoon and this evening the anniversary of the Board of Education.

Two Small Fires

DRY KILN DESTROYED

The dry kiln of the High Point Furniture Co. was destroyed by fire yesterday afternoon, together with a large quantity of lumber. The fire originated in the ceiling of the kiln. The factory will close down for a day or so, on account of being short of ready lumber. The loss was covered by insurance.

FIRE AT GIANT.

Fire broke out in the engine room of the Giant Furniture Co. this morning about 9 o'clock. The fire must have started from a spark, it caught in the ceiling of the engine room. Mr. Tucker who has organized a fire fighting force among his men, soon extinguished the blaze with but little damage.

SAD ACCIDENT

Sam Pearce, a young man about 19 years of age, met death yesterday while passing under an elevator at the Southern Chair Co. He was an employee of the company. The details of the killing are unknown.

The funeral of the young man took place at Springfield this afternoon at 4 o'clock.

Brilliant Reception

Asheville, Nov. 20.—Mr. and Mrs. Charles A. Webb gave a reception this evening in honor of Governor-elect and Mrs. Craig at their handsome new home. This will rank among the largest and most brilliant social events of the winter season with an elaborate and artistic setting and 500 guests having been invited. Mr. and Mrs. Webb and Mr. and Mrs. Craig received the guests, standing in an alcove of the drawing room, garlanded with smilax. The room being festooned with this flower with additional decorations while chrysanthemums to beautiful effect.

Mrs. Lucy Roberson, of Greensboro, spent yesterday afternoon and evening at the home of Mrs. L. J. Ingram.

D. P. Dellinger, of Gastonia, is here today buying furniture for his new store which he will open in Cherryville soon.

The following delegates have been elected to the Baptist State Convention: A. E. Tate, C. A. Smith, W. G. Brown, T. G. Shelton, F. M. Pickett, C. E. Keiger, J. J. Farris, Dr. W. C. Tyree.

CHEAP GAS

High Point is getting a good gas rate—\$1.50 per thousand cubic feet. This is lower than Durham and Raleigh and other cities.

The Queen Jewelry Co. extends a generous welcome to all strangers in the city to visit their store. It will be a pleasure to show you our goods. Repair work of all kinds.—Queen Jewelry Co.

DIED

Mary Walton Cox, the little daughter of Mr. and Mrs. J. D. Cox, died early this morning after a brief illness with pneumonia. A short funeral service will be held at the house at 10 o'clock tomorrow morning and the interment will take place at Guilford College. The funeral party will leave for Guilford in automobiles shortly after the service.

Seats are being checked off for Slumberland at Mann's Drug Store.

High Point gave the glad hand to the Philadelphia boosters this morning. The train which arrived here at 11.15 was met by a large delegation of our citizens who welcomed the visitors to the city with the High Point spirit back of the greeting.

The visitors were escorted over to the Manufacturers Club, where they were given a royal reception. The meeting was opened by J. J. Farris, president of the Manufacturers Club, who after a few preliminary words of greeting introduced Mayor Fred N. Tate, who delivered an address of welcome.

The response was made by Calvin M. Smith and Mr. Cottell the later delivering a most elegant and entertaining speech which captured every hearer. Half hour spent in social intercourse some of the visitors were taken over the city while others mingled with their customers and other citizens.

A fine spirit prevailed throughout the meeting here and the visit of these business men from the Quaker City will do much good to both sections. Every one of the party seemed highly pleased with the stop here and it was surely a pleasure to the business men of High Point to have them.

The party traveled in a regular 20th Century Limited outfit of the Pennsylvania system, complete in its every arrangement.

We trust that the Quakers may come this way again.

Car Shortage Problem

WILL BE DEALT WITH IMMEDIATELY BY AMERICAN RAILWAY ASSO.

Washington, D. C., Nov. 20.—The car shortage problem will be dealt with immediately by a committee of the American Railway Association. The interstate commerce commission, which has undertaken to break up the practice of railroads making unwarranted use of the equipment of other lines, was advised today that the American Railway Association has appointed Fairfax Harrison, president of the Monon Railroad, R. H. Aishton, of the Chicago and Northwestern, and T. E. Clarke, of the Delaware, Lackawanna and Western Railroad, to enforce the rules governing the interchange of cars. The committee is empowered to impose penalties on railroads that do not return equipment promptly.

SCHOOL SHOES.

Shoes, to withstand the rough and tumble wear of children, must be strong and durable. There is not a shoe in the Longwear Line that has any composition or imitation leather in its construction; nothing but solid, well-selected leather. This makes it economical to buy Longwear Shoes for your children. They are not only durable, but hygienically constructed and giving them perfect freedom from all foot troubles. Our prices are consistent with your pocketbook, and we can give you almost any leather your fancy may choose.—C. B. Mattocks.

The music in Slumberland is spoken of as being very beautiful.

At least four hundred participants will take part in High Point's Thanksgiving day extravaganza.

A meeting of the creditors of Wrihtenbury Morrison Co. met today at 2 o'clock in the law offices of Ragan & Galloway.
