HIGH POINT, N. C.

Learn Shorthand in eighteen lessons—Edwards Business College.

DIAMOND LOST—On Main street last Saturday between my residence and Mrs. S. H. Tomlinson. Stone about one karat—lost from mounting in ring. Suitable reward if returned to my residence.—Mrs. B. S. Cummings. 3-6t

The Great Democratic Machinery Being Physically Organized

PRESIDENT WILSON WILL DELIVER HIS FIRST MESSAGE THIS WEEK

Washington, D. C., Mar. 10.—Beginning this morning members of the cabinet will begin with the President to formulate the new policies of the Wilson regime, already outlined. The President will begin work then on his special message. Though the President has not given out what he will recommend, his intention is to devote his message exclusively to the tariff, pointing out currency reform as the next legislative goal.

Why He Chose Lawyers.

Curiosity as to what impelled some of the selections brought the explanation from some of the President's friends that Mr. Wilson believed that both the War and Interior departments should be managed by trained lawyers, able to render constructive opinions. The Philippine problem and the administration of the Canal Zone influenced Mr. Wilson, it is known, to pick Secretary Garrison, because of his long experience on the equity bench in New Jersey.

Bryan's Great Executive Ability

Mr. Bryan's position in the State Department seems an easy task. He handled the Cuban situation with an ease and knowledge which shows his wonderful executive ability.

HOBGOOD NOT APPLICANT FOR THE NEW JUDGESHIP

Hon. E. J. Justice, one of the representatives from Guilford in the North Carolina general assembly, came in from Raleigh yesterday to spend Sunday with his family here. Mr. Justice was asked whether or not State Senator Hobgood, of Guilford, who is in Raleigh, would be an applicant for appointment at the hands of Governor Craig to the judgeship of this district. Mr. Justice in reply to the question, said he had heard Senator Hobgood say that, owing to the fact that he was a member of the general assembly that created the new judicial districts, he doubted the propriety of allowing his name to be used as a candidate for the position, and that, therefore, he was in no sense an applicant for the office.—Greensboro News.

Senator Hobgood did the right thing—no member of the legislature should think of being a candidate for an office, which was created by a legislature of which the applicant happens to be a member. It has gotten so that many people go to the legislature only to create jobs for themselves.

OUR CENTER OF POPULATION

Southwest Guilford with High Point and the thickly populated section of Davidson and Randolph and this end of Guilford for ten miles each way is the center of population of this section—with marked signs of continued and rapid growth from day to day. For miles around people come here to do their banking and trading, and with

the era of good roads this great community life will grow.

Not only is this immediate section the center of population—it is decidedly the industrial center—having fully a round hundred industrial plants—it is this fine growth industrially and numerically which is speeding us on toward an independent county government.

AT THE EAGLE

The Eagle presented for the first half of this week "The Arnold Twin Sisters." These little girls do a nice singing, talking and dancing act, introducing four complete changes of wardrobe.

The Picture Program.

"The Mexican Spy." This is another of those live two reel Lubin features. It is a dramatic story typical of the Army Life of Mexico and the United States. The scenes are laid on the border, and a powerful lesson against gambling, which is only too common among the officers and young subalterns. The picture is made with every attention to the local and military atmosphere of the two republics.

There will be no extra charge for this big two reel feature. Admission 10c to all.

NOTICE

There will be a meeting of Chapter No. 2187 Brotherhood St. Andrew tonight at 7.30 at residence of Mr. Robt. Brockett. Important meeting, full attendance requested.

H. I. Coffield, Sec.

I wish to return thanks to the ladies and gentlemen of the Daughters of Liberty for kindness and burial of my sister, Mrs. Proctor.

George B. Henderson.

Special Demonstration and sale of Majestic Ranges now going on at Beeson Hardware Co.

SUNDAY WITH FRIENDS.

A reverent hush pervaded the large congregation throughout the sermon by Mr. McFarland Sunday morning in "Vision." God wants man to be willing to make all minor matters secondary to the vision he reveals. At the evening service a crowded house listened attentively as Mr. Farland preached on the "Great Invitation." While people are scrupulous to heed invitations of a social nature, how many completely disregard the most important invitation of all. The person who feels no need of real conversion is like the man in the parable who had not on the "wedding garments."

The earnest singing by the choir was an inspiration and the solo, "Abide With Me," by Miss Mildred Harmon was effective.

At the close of the service during a solemn period of prayer, two young men were genuinely converted and then followed a hearty old-fashioned testimony meeting.

Special meetings continue through this week, afternoons at 3 o'clock, and evenings at 7.30. Come and bring your friends.

MURPHY-HARRISON

Robert B. Murphy and Mrs. Annie Harrison were united in marriage Sunday morning, March 9, 1913, at 9.30 o'clock at the home of the bride on West Green street in the presence of a few special friends.

Mr. and Mrs. Murphy will make their future near Thomasville, N. C.
Rev. J. M. Hilliard, officiating.

Color Road Complete by August

CONTRACT LET.

The W. N. Coler Co., have let the contract for the road connecting with High Rock on the Southbound by way of Denton, Thomasville on to High Point—to McCrary, of Atlanta.

The company expects to be in High Point with the new road by August 15 next, and will immediately have cars in operation. The road will be operated by steam. The coming of this road to High Point puts us in touch with a rich undeveloped timber section, besides a thickly populated section of territory by which this city will be greatly benefited.

It is understood the plan is to make High Point the terminus and the road will not be extended to Greensboro.

A LARGE SANATORIUM

The High Point Hospital, our splendid local institution, which is being liberally patronized by the city and surrounding territory, have in hand the plans for a large sanatorium, full announcement concerning which we hope to give to our readers at an early date.

NEEDÉD—A FLORIST

Some energetic persons should establish a florist here, it would certainly pay. High Point trade alone is worth thousands of dollars. Citizens here are buying flowers from Salisbury, Durham, Greensboro and other towns.

WHAT ABOUT IT.

What about beautifying the clay banks along the right-of-way of the Southern Railroad. This question came before the Civic Department of the Woman's Club and in turn was taken before the railroad authorities. Spring is here again, and now is the opportune time—to say nothing of their unsightly appearance which is an eye sore to everybody.

Rapid Growth of West End

Take a walk out to the Belt Line and you will be surprised to see the increased activity in building and the busy section of the west end generally. With the completion of the new Highland Cotton Mills this summer 400 more employers will have to be provided for. Dwellings big and little are going up in this section, and Postmaster Ragan will have to provide a sub-station in that end of town, to give proper mail facilities.

TO TAKE SPECIAL WORK.

Dr. F. E. Perkins left last night for Allanta to attend the Mid-Winter Clinic, and take a line of special work in his profession. He will be away for two or three weeks.

Wednesday Night

PRICE CONCERT COMPANY

One of the best attractions of the season will appear Wednesday night when the Price Concert Company render their all round program. So versatile are these artists that they can appeal to the tastes of the most exacting and yet their solos and ensemble are appreciated by the sentimentally disposed to harmony, but organically incapable of a tune.

Of this company the La Moure (N. Dakota) Chronicle says: "The company especially quite won the audience not only by the excellence and brilliance of their playing, singing and reading, but by their delightful charm and "naturalness of manner." Admission \$1.00 for adults; 25c for children.

Webb Liquor Law as it Applies to Local Whiskey Conditions

DOUBLE TRACK

Washington, D. C., March 10.—President Finley, of the Southern Railway Company, has authorized the double tracking of the main line of that company between Armour and Cross Keys, Georgia, which has heretofore been operated as a single track gauntlet in the double track between Atlanta and Gainesville, Georgia. In doing this work grades will be reduced and much of the curvature of the present line will be eliminated. Work is to be commenced as soon as practicable and pushed to completion.

The construction of this double track will materially facilitate the handling of trains into and out of Atlanta.

FINE SERMONS

Dr. W. C. Tyree, pastor First Baptist church, has been preaching a series of sermons Sunday mornings on subjects which are instructive and edifying to his congregations. His discourse yesterday from the text "Fear God and Keep His Commandments Is the Whole Duty of Man" was especially strong and uplifting.

WEATHER MAN OFF

The weather man at Washington sent out last night the following: Springtime weather, with fair skies and normal temperatures, is promised for the coming week to all sections of the country by the weather bureau.

He could not have missed it further.

Forecast.

Rain tonight and Tuesday.

NEW COURT HOUSE BILL.

The new court house bill for Guilford county has passed both houses. It empowers the county commissioners with authority to sell the present site and build a new court house. Senator Hobgood's amendment to the bill was that a unanimous vote of the county commissioners would be necessary.

THE VETERANS

On May 27, 28, and 29, the grand old men of the south, our veterans of the tragic four years of 61-65, will gather in annual reunion in Chatanooga. Many of these will come for the last time to a United Confederate Veteran reunion, to follow the tattered battle flags under which fifty years ago they fought in the ensanguined fields about this historic city. It will, for many reasons, be the most memorable reunion in the history of the United Confederate Veterans and will be an occasion that will arouse the sentiment an dtouch the heart of the now prosperous south.

OAK SHADE COMMENCEMENT

The Oak Shade Commencement will take place March 30 and April 2. March 30 at 11 a. m. Rev. A. G. Dixon will preach the commencement sermon at Fairfield M. P. Church and Wednesday, April 2, will be commencement day at Oak Shade. Also there will be a play "Hazel Adams" Wednesday night. Music by good string band. Public cordially invited to attend.

THE CORRECT NUMBER

The correct number of pennies in the pitcher at Mattocks' was 1197.

Special Demonstration and sale of Majestic Ranges now going on at Beeson Hardware Co.

Express Company Has to Apply Only Where a Community Has Special Legislation.

High Point township it seems is one of the few communities in the state that comes under the Webb Law as interpreted by the Southern Express Co., which company acting under the direction of their New York attorney, refused to deliver any packages of whiskey here or anywhere in the township on Saturday. Other places named by the Southern Express Company are Anson, Burke, Cabarrus, Cherokee, Macon and Rutherford counties.

The ruling on High Point is on account of a special act of the legislature of 1907 which is known as the "one gallon law," and it is on account of this act that the Express Company refuses to deliver whiskey in High Point township. The Enterprise had an interview today with Mr. Sadler, Supt. So. Ex. Co., over long distance phone and we learn that the Express Company is making deliveries in the state at every point except in the localities named above.

The whole matter is to be threshed out in the courts, it seems, in cases brought by the outside liquor dealers and the action Saturday is the beginning. In the meantime the shipments of liquor here will be held up.

Miss Annie Pryor, who has been spending a few days with Mrs. Griffin, has returned to Greensboro.

Mr. and Mrs. Alvis Barnes, of Reidsville, are visiting at the home of Mr. E. A. Snow.

The Literary Department of the Woman's Club will meet tomorrow, Tuesday, afternoon at 3.30 o'clock with Mrs. W. Gordon Burnett.

It is all settled that we get Barnums big circus this year.

Representative Gold returns home Wednesday.

Recorder Edmonds spent Sunday in Raleigh.

Menese Stanton is home from Richmond for a few days, where he has been pursuing his medical studies.

Mr. Hauser spent Sunday in Winston.

W. F. Ellis spent Sunday in Raleigh.

Walter Blair, of Greensboro, was here today.

The weather man missed it today.

Rev. A. G. Dixon left today for Reidsville and will be away most of the week.

Home-made molasses—the best you ever ate—made on a copper boiler. Only 50c a gallon at BROWN Grocery Co.

Millinery opening at H. A. Moffitt's Thursday and Friday of this week. Miss Anna Dudley, of Baltimore, will have charge of this department this season.

A CARD

I wish to announce to our many friends and patrons of the Boy Scout Movement Show, that owing to the severe cold which I contracted during the night rehearsals and work upon the scenery I was unable to carry out the entire program, including the rapid fire conversation with Mr. Ed. Jones and myself, also the sunset of the plantation, electrical storm, etc. We will be able in the near future to repeat this little production with much better results.

Wm. H. Roberts.

Special Demonstration and sale of Majestic Ranges now going on at Beeson Hardware Co.

Let me have your measure this week and we will have a Suit in High Point for you by Easter, 23rd.
