

# "Nemo Week."

Semi-annually the makers of NEMO CORSETS, through their representatives in every part of the civilized world, devote a whole special week in introducing their famous figure improving corset. The special value for the Nemo Week, beginning May 5th, is their crowning effort so far. Every lady in High Point and vicinity is invited to see what comfort, style and beauty is theirs at \$3.00. It's a pleasure to demonstrate the features of this wonderful corset.

## Fancy Linens

Interesting news is this: A friend of our buyer, Mr. J. F. Hiens, of Philadelphia, born and raised in Germany, goes abroad every year for pleasure, and on his trips through the rural sections of foreign countries buys direct from the needle workers large quantities of fancy hand drawn embroidered and cluny centerpieces, table covers, lunch cloths, sideboard scarfs, &c. By purchasing direct from the producer and operating with small expense, he brings the good into this country at a great deal less than we have ever been able to secure them before. If you are a lover of the beautiful we invite you to see the assortment now on hand. Even if you don't purchase you may enjoy looking.

BEN FRANKLIN SAID

Save a little of thy income and thy hide bound pocket will soon begin to thrive and will never again cry with the empty belly-ache: neither will creditors insult thee, nor want oppress, nor hunger bite—nor will nakedness freeze thee. The whole hemisphere will shine brighter, and pleasure spring up in every corner of thy heart. **HE WAS RIGHT**

Just plain, common horse-sense ought to teach every man that Franklin was absolutely right, just as sure as two and two make four. Creditors cannot insult you, nor can want press you if you have prepared for them by having something in the bank; besides, your money is SAFE in the bank, not only from fire or burglars but from your own extravagance.

Do YOUR banking with US.

We pay 4 per cent interest on time deposits.
