The Big Furniture Exposition Opens in High Point June 26

MARKS A NEW AND PRO-
GRESSIVE ERA IN OUR
CITY PUTTING IT FOR-
WARD AS A GREAT
SALES MARKET
30,000 Floor Space Taken by
Outside Lines—This Will Be
Increased.

From all indications the open-
ing of the Southern Furniture
Exposition at High Point from
June 26 to July 12 will mark a
new era in this city's forward
progressive march.

The aggressive young men
who have taken hold of the
undertaking are down on the job.
They have secured eight build-
ings with a floor space of 30,000
square feet for outside dealers,
this will be increased from time
to time as the exposition grows.
The floor space for home manu-
factures is about 40,000 square
feet making total floor space 70,000
square feet.

Invitations to Buyers.

Between 15,000 and 25,000 in-
vitations have been mailed to the
various buyers throughout the
country.

Entertainment Committee.
The entertainment committee
will do all in their power to make
the coming of the buyers a great
success. One feature will be a
roof garden entertainment on the
Bank of Commerce building.

New York Awaits Sensation

New York, May 8.—The man
higher up—the unnamed and un-
detected person who has profited
most by police graft—may be
revealed by one of the four former
inspectors found guilty this
week of conspiring to obstruct
justice. Reports were current to-
day that one of the four has of-
fered to "squeal" upon promises
by District Attorney Whitman of
immunity and suspension of the
prison term confronting him. The
District Attorney hurried to the
chambers of Supreme Court Jus-
tice Seabury who presided at the
inspectors' trial.

ture.

LIST YOUR TAXES IN MAY

The law requires that all taxes
be listed during the month of
May.

**CORPORATIONS PART-
NERSHIPS**—doing a manufac-
turing or mercantile business
will find it easier to make their
lists in accordance with the pre-
sent law by obtaining a blank and
preparing list in advance so as to
make it conform to the require-
ments of the law.

BRUCE CRAVEN WRITES LAW BOOK

"The Torrens Law"—New Law
Book of Interest to all North
Carolinians.

(From Charlotte Observer.)

"The Torrens Book" by Bruce
Craven has just come from the
presses of The Observer Printing
House, and is of interest and im-
portance to every business man
and land owner as well as to the
lawyers. The book contains the
full text of the Torrens law with
introductory chapters that make
it plain to the average layman
while containing enough law to
satisfy any lawyer.

The Torrens law enacted by
the last General Assembly is a
new registration law by which
any owner of real estate may have
his title cleared by the court and
forever guaranteed by the State.
Mr. Craven says the cost in ordi-
nary cases need not exceed \$15
for such guaranteed title, and that
whatever the cost, it will add ten
times itself to the value of the
land in making it more easily
marketable or negotiable as se-
curity for debt.

Bruce Craven is well known to
readers of The Observer by his
work as a writer, and this book
in its clearness and completeness,
indicates that he possesses equal
ability as a lawyer. An unusual
feature in a law book is the large
clear type and the general neat-
ness of the printing and binding.
The price is one dollar post-paid
and only a few copies were print-
ed in excess of the advance or-
ders.

"ALKALI" IKE

Augustus Carney, the Famous
"Alkali" Ike With Essanay
Western Stock Company.
AUGUSTUS CARNEY

Known Throughout the World
as "Alkali" Ike.

Did you ever see a photograph
of our Western friend, "Alkali"
Ike? Here he is, and his real
name is Augustus Carney. He
is the little fellow that makes
thousands and thousands of peo-
ple laugh at the moving picture
show. "Alkali" Ike is a tremen-
dously funny and eccentric char-
acter. Carney is one of the few
moving picture players who has
succeeded in capturing a charac-
ter name so inseparably to him-
self that his own name is forgot-
ten. Since returning to Niles,
Calif., where the Western photo-
plays are produced by the Essanay
Western Company, "Alkali"
Ike has won unnumbered friends
by his hilarious characters, now
famous throughout the entire
world. When he travels, people
single him out after the second
look someone always exclaims
"Why, surely that's "Alkali"
Ike," and surely it is. Watch,
wait, and see this little
man with the big name in some
forthcoming photoplays, of which
"Alkali" Ike's Homecoming"
will be the first. "Alkali" Ike's
Homecoming" at the Rose tomor-
row, and a great war picture in
two reels "Pauline Cushman, the
Federal Spy."

Plant Violets

Some time ago our esteemed
townsman, Mr. E. A. Snow, christ-
ened High Point the "Violet
City." We are pleased to see
that a large number of citizens
have taken up his suggestion, and
planted large beds of violets, we
trust others will follow the good
example, and by the fall of the
year, we will have made great
headway in beautifying the city.

Forsyth Takes Lead

ESTABLISHES REFORMA-
TORY

Forsythe county has taken the
lead establishing an up-to-date
reformatory. So often it is the
case that a youthful offender
comes in the courts of the coun-
ty, and to commit him to the
county jail or to the county roads
where he will be thrown into the
company of hardened criminals
makes the boy even worse than
he was before he was sentenced.
The state has a reformatory
school at Concord, but this insti-
tution is not capable of taking
care of all the demands for ad-
mission, and the pity of it is that
the institution, which is a model
one, cannot take all the boys that
would be better off if admitted
there, where they get the bene-
fits of a good school as well as
manual training. The county is
to be congratulated on this for-
ward move.

A Beautiful Custom

ELKS OF HIGH POINT WILL
OBSERVE "MOTHERS"
DAY

Sunday, May 11th, being
"Mothers Day," the Elks of High
Point have arranged to observe
it in a very appropriate manner.
On this day it is customary for
all of us to wear a flower in hon-
or of our mothers. If your moth-
er is living, the custom is to wear
a colored flower; if dead, a white
flower. The Elks will have ta-
bles arranged in front of the
school building next Sunday
morning from 10.00 to 11.30 at
which time and place they will
give away flowers to all the
ladies of the city. Special flowers
will be ordered. The Elks
invite all the ladies, young and
old, to come to the School build-
ing Sunday morning and get a
flower.
