## Great Panama Canal Opened Today Noon--Craft Carrying 2100 Tons Passes From Atlantic to Pacific

Panama, May 17.—Water-borne freight will begin passing through the canal on Monday at noon when five barges, carrying about 2,100 tons of miscellaneous cargo, will be towed from Balboa, at the Pacific end, to Cristobal, at the Atlantic end of the canal. The preparations for the passage of the barges have been completed. They are now at Balboa, where they are being loaded for their trip.

At Paraiso the railway trestle has been removed and a new pontoon bridge swung into position, over which trains are now passing. The Empire suspension bridge practically has been removed. Thus all the impediments to traffic through the canal are out of the way.

Governor Goethals is authority for the statement that the change through Cucaracha will be completed tomorrow. Its approximate width is 135 feet, with a depth of 38 feet, sufficient to pass without difficulty a 10,000-ton vessel.

Just when the first steamship will go through Governor Goethals was unable to say but it probably will be Wednesday, provided the channel shows no change.

### Italy Protests Alleged Insult to Flag Here.

Washington, May 17.—The quis Cosani Confalonieri, the Italian Ambassador, called on Secretary of State Bryan yesterday in regard to a reported insult to the Italian flag by two American seamen in Philadelphia, May 14.

The flag was displayed in front of a barber shop at the time of memorial exercises for American Vera Cruz victims, and it is thought the seamen mistook it for a Mexican flag.

### Charlotte Has Foul Murder

Sidney Swain Killed Early Sunday Morning as He Left His Store—Alleged Murderer Arrested.

Charlotte, May 17.—Sidney Swain, a grocer on Mint street, near the Southern railroad, was found shortly after 1 o'clock this morning near his home between Mint and the railroad, unconscious with a terrible wound in his head. He was taken to the Presbyterian hospital, and died at 5 o'clock this morning. At the very hour of his death, Charles E. Trull, a young white man, 21 years of age, was arrested charged with the murder, and is in the city prison awaiting trial.

Mr. Swain was a well known groceryman of the third ward, and a successful one. Trull, charged with having dealt him his death wound with the object of robbery, had worked in a store next to Mr. Swain.

It was Mr. Swain's custom on closing up Saturday nights to take his money from the drawer to his home, on Mint, several blocks south of the store. The fact that he had only \$3 on his person when found and that there was no money in the cash drawer at the store, and the further fact that Trull who was at once suspected of the crime, had \$47 on him when arrested, was good evidence to the officers that Trull had done the deed with robbery as the intent.

### MARRIED.

There was a quiet home wedding at Mr. R. R. Smith's on White Oak street, in High Point, May 17. The contracting parties were Mr. John B. Ellie and Miss Minnie Manpes, both of High Point. Rev. J. M. Hilliard officiated. Mr. and Mrs. Ellis left on No. 46 for North Wilkesboro, where they will make their home for the present. We wish them much happiness in their new station.

Every bluffer's bluff will be called some day, father time can't be bluffed. Protect that dear wife and the kiddies, with the best life insurance contract that can be written! Let C. B. Overman tell you about it.

### Dramatic Evidence in The Becker Case

Ex-Policeman Gave Gunmen False Hopes, Woman Avers.

New York, May 17.—An injunction imposed upon her by her husband when the execution of his death sentence was only a few hours away to tell the whole truth—so far as she knew it—about the murder of Herman Rosenthal, was given yesterday by Mrs. Lilian Rosenberg, the widow of "Lefty Louie," as the reason she went on the witness stand Friday to testify against Charles Becker.

"Becker and Rose are responsible for the shooting," she said "Lefty Louie" told her on that last day—Easter Sunday.

The young woman, still in the throes of grief because of her husband's death and sorrow-stricken because of the part she had to take in the new trial, is going away tomorrow to Atlantic City to rest.

She told how Becker in the Death House kept the gunmen in hope of a new trial through notes smuggled to them in books he lent them. She related how, after the reprieve for her husband and his gangmates had been denied, she went to the home of Mrs. Becker, where the wife of the police lieutenant now on trial tried to renew her hope with talk of new witnesses.
