Terrible Rains Check Fighting --British Defeat Turks--Ger- mans Will Winter In Belgium

London, Nov. 16.—The Admiralty announces the success of operations against the Turkish garrison of Sheikh-Said on the Strait of Bab-El-Mandeb, at the entrance of the Gulf of Aden, and of the occupation of the Turkish forts at Turba by Indian troops, assisted by the British cruiser Duke of Edinburgh.

London, Nov. 16.—After four weeks of most desperate fighting there is a lull in the battle in Flanders.

Little relief however, has come for the men in the trenches, as the artillery and rifle fire has been replaced by a severe November storm.

In some parts of England the storm has become a blizzard; on the sea a heavy gale rages; and on battlefields are getting their full share of wind and rain.

For the most part the opposing armies have been content to shell each other at long range, but the Germans have made several attacks around Ypres, according to the French general staff, have been repulsed with heavy losses.

106 Steamers On Way

All Are Bound for Baltimore to Land Cargoes.

Baltimore, Nov. 15.—This city's export trade is still on the increase. Although a week ago today the maximum number of ships bound for Baltimore in the history of the port up to that time was reached, today this number was increased by 16 steamers, and there are now sailing on the bounding seas 106 vessels of all nationalities bound for this port, either to unload cargoes or to take on grain, war horses, general cargoes, and munitions of war for the allied armies of Europe.

Party Lines Dissappear in California

San Francisco, Cal., Nov. 15.—There are strong indications that California's next State election will be entirely non-partisan. The judiciary is elected now without party designation being printed on the primary or final ballots and Governor Johnson's in his recent successful campaign, pledged himself to apply the non-partisan principle to every officeholder.

That Johnson's recent victory by the biggest landslide ever known in California—about 150,000 majority—was won on a non-partisan basis is certain.

SOCIAL.

For Mrs. Sills and Mrs. Burnett Mrs. Charles B. Overman paid a pretty compliment to Mrs. Robert A. Sills, of Greensboro, sister-in-law of the hostess and also a bride of only three weeks, and Mrs. W. Gordon Bennett on last Thursday afternoon when she entertained about forty at rook. The rooms where the game was played were most inviting with autumn leaves and yellow and white chrysanthemums. Master Robert Overman gave the first greeting to the guests who were received later by the hostess and honorees. There were no score prizes but the guests of honor were presented with large clusters of red carnations and fern, and all the guests "drew for" the "yellow 14." Mrs. Bascom Hoskins was fortunate in the "draw" and was awarded a shaft of yellow chrysanthemums, which she generously divided between the brides present. A salad course was served.

STOLEN GOODS FOUND.

A few days ago we gave an account of a robbery at the home of Lawrence White. Two gold rings, a pistol and a bracelet were stolen. Saturday the officers ran upon a white boy who was trying to buy cartfidges. This was a clue and following it up most of the stolen articles were recovered from a negro boy who had committed the theft. A negro woman who had one of the rings and was trying to conceal it was also arrested.

UNFORSEEN TROUBLE.

Col. Roberson and W. T. Parker have returned from the big fox hunt at Manchester. They intended to stay longer but the crack hound of the pack met with a mishap. On a big chase Friday morning this hound overtook a fox on the banks of Little river. The fox caught the dog by the foot and threw it into the river and drowned it. The hunt was immediately called. We expected some kind of an excuse but not one so sensational and tragic.

Arthur Lyon has returned from a ten days trip to Omaha, where he attended a meeting of the National Association of Professional Baseball Clubs.
