

Charleston Lady Gained 19 Pounds by Taking Dreco

She Was Weak, Nervous, Run-down, Could Not Sleep, Had No Appetite, Suffered from Headaches and Her Liver Was Sluggish—The New Remedy Relieved All These Troubles for Her.

"My health is better than it has been for years, and I feel like a different person," are the words of that well-known and highly respected Charleston lady who resides at 55 George street, and who is employed by one of the well known down town stores, Mrs. Wm. R. Threatt.

I was nothing but skin and bones. It would seem I had no color in my cheeks and felt tired and listless all the time. I was very weak and highly nervous and my sleep was broken every night. Headaches often attacked me and also dizzy spells caused me much anxiety.

"My appetite was poor, but the worst of all was that no matter how little I ate it always disagreed with me, causing pains in my stomach, that bloated-up feeling which comes from gas in the stomach and general uneasiness.

"There was so much praise being given to the new root and herb medicine, Dreco, I decided to try it, and to say that I am happy over the results is to express it mildly. I have just weighed, and to my utter astonishment I now weigh 107 pounds, an actual gain of 19 pounds since I started taking Dreco, but that is not all, for my stomach troubles are gone and I eat big, hearty meals and nothing ever disagrees with me now. I don't know what it is to have a

headache or dizzy spell, and my nerves are quieted and I sleep the whole night through without waking. I go about my work with new energy and am not tired out when the day is over. Yes sir, I am proud of what Dreco did for me, and you certainly have my permission to publish this in the papers."

Many people do not realize that a disordered stomach is at the bottom of a great many troubles. The stomach is one of the most important organs yet, the most abused. A disordered stomach is soon followed by a long trail of other troubles such as constipation, headaches, dizziness, foul breath, bad taste in the mouth, the nerves get on edge and soon the liver and kidneys become involved.

Go today to Ring Drug Co. or any other good druggist; get a package of Dreco and give it a chance to make you well and keep you healthy.

Says Chemist is Public Benefactor

"Being a doctor, and suffering for many years with stomach trouble, I feel I cannot do justice to so great a public benefactor in writing. Mayr's Wonderful Remedy is everything you have claimed for it. I can now eat and relish victuals I have not dared to eat in many years. Am feeling like newly born." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Hart Drug Co. and druggists everywhere.
