Cotton Market

New York, Aug. 18 .- There was renewal of figuidations and pressure, in the cotton market early today, owing to weak Liverpool cables, the weakness of foreign exchanges Saturday and reports of unsettled couditions in the goods market.

The opening was '37 to 65 points lower and active months soon sold 62 to 70 points under Saturday's closing with October touching 20.00 and January 39.03, making low ground for the movement.

Cotton feature opened weak. October, 30.20; December, 80.40; January, 30.10; March, 30.05; May,

Burglar Escapes After Biting Host

SAN FRANCISCO, Aug. 18 -- Jordan Hehan. 267 Sixth steet, was awakened by a burglar in his room early in the morning. He jumped out of bed and grappled with the visitor. The burglar bit him on the hands and finally escaped. Heban went to the Central Emergency hospital, where his injuries were treated. An hour later Policemen J. Muldoon and Robert Sheehan arrested Nick Jils in the room of Roman Paulos, 259 Sixth street. Jils was charged with burgiary. The policemen believe he is the man who bit

WHO'S BHOTHER

High Point, N. C. August 17, 1919. Guess you think I'm dead-no. just busy-all the time. Have inended writing you long before this -just could not get at it. Grace has been after me a number of timeto take one half bour and writetried it once or twice- but goodness -the phone would ring, and that would be the last of it -You know my business is "FLOWERS"and when they are wanted it is us ually for a special occasion and must be delivered prompty-and that is one of the things we pride ourselves ou - "promptness"

Do you know, many a night we have to get up after we have retired next morning. It was kind of hard at first, but we soon got used to it and now don't mind it.

Grace is in Baltimore visitingbeen up there three weeks - expect her home the week sometime. She is a big help to me could not get along without her assistance when we are rushed for she knows the arrangement of flowers to perfection I have another greenhouse up since I last wrote you. It is going

to be a great help to me.

I have the targe house pinnted to carnations exclusively, with the exception of the cade, where I have some Sweet Peas which will be in bloom for Christmas I hope This is the first season I have been able to plant that house as it should be guess you don't know it, but, car hations and pear take the same night temperature and most other plants need it warmer Heretofore . have grown everything in the same house, and with pretty good success but this winter, if nothing happens will have the best carnations in he country,

The new house is planted to Chryunthemums the year) Perns, Saup dragons, etc. - After the Mums are out will plant sweet peas in their place-which will give blooms all winter. Lanve a cutting bench in one end of the house, where I root all my own carnation plants and bed ding plants-titave to start geraniumns and Coleus next week or so Have a bench for not plants-Also have a heated concrete frame covered with glass where I grow fern pancy plants, etc., and for storage. All my crops for the winter are 00 per cent better than ever before one reason, and the main one, is the composi-was able to make it

Chrysantheniums and carnations-James Muholland of Traffic Squad B, the two last will be in bloom about I will be glad to see them, for they

This is Certain-teed Week August 18 to 23

This is a "big" week the country over-a week especially set apart by Certain-teed dealers to assist you in properly starting your new home and in setting your present house in order for the fall and winter.

Every home and building needs Certain-teed extra quality roofing or paint; possibly the interior woodwork needs touching up a bit, or the floors need a coat of wax or varnish.

You will find it to your advantage to visit your Certain-teed dealer this week and learn from him how you can carry out your plans at the least expense and with the best results.

Your Certain-teed dealer will advise you in making the selection which will best fit your need.

And whenever you have painting cr roofing work done, make sure to specify Certain-teed. You will then be assured of the best and most lasting results,
