New Fall Modes in Shoes

Each season brings new changes in the shoe modes. Each season brings even better modes than the season before. Efir's has always tried to anticipate just what the new seasons would bring with them, and to that end we are offering you a display that we believe will cover any and everything that the new fall season has brought with it. We invite your inspection of our display, and we assure you that we feel that we have accomplished something in this display. No matter just what you have in mind, you will find it here and waiting for you. Our tremendous buying power makes it possible for us to offer you these changing styles at more than mode rate prices. We invite your inspection, and also your comparison of our prices with others. Come in during this anniversary sale, and see the other things that we have not advertised.
