FORT AND FLEET.

al Government to have been put in neys.

CHARLESTON'S SACRIFICES. When the war began the citizens siles known in warefare. From the sound, but when struck by a brickof Ckarleston divided with the Confederate Government. Within a From the 28th of October to the 2d fusion by a shower of this queer the war was two years old silverware was being melted up, church bells sent to the cannon foundry, and every one of the 140 shot struck utes, and the retreat was made in sacrifice in some direction. When the Confederate Government wanted lead the water pipes of Charleston were torn out of house and street and contributed to the extent of 60,000 pounds. When iron was wanted the gas pipes were cheerfully parted with. Every house was a temporary hospital; and every household felt it a duty to dviide its provisions and, bedding with men who were fighting for the
