MORRISON'S tariff bill don't seem to be just the thing to harmonize the Democrats. But if the present members of Congress understood the wants of their constituents when elected, they will reform the tariff and all will be well. If, however, they failed to inform themselves on this important matter, but few of them will go back.

tion of county commissioners in June will indicate whether or not the Democrats of North Carolina the Democrats of North Carolina the Democrats of North Carolina the Democratic of North Carolina the June will indicate whether or not the Democrats of North Carolina will go into the campaign this year miled, in whichevent their chances against them.
