It is impossible to suppose uniform conduct covering a series of years respondent at Sofia stating that the prime to be the result of an insanity consisting Servians attacked the third Bulgarian $M_{\rm e}$ of an occasional incapability of appre-regiment escorting an ambulance train inting obligations when in "a state of and bayonetted the wounded soldiers depression." The prisoner's conduct which it contained. The correspondent has been that of an adroit criminal. The also states that Prince Alexander subthis been that of an advoit criminal. The also states that Frince Alexander sub-doctors both say that he may have mits to the terms of the Sultan, em-known right and wrong as to the acts bodied in the latter's reply to the with which he is charged. One of them Prince's appeal for help, and begs the helieves him only partially responsible. Sultan to aid him at once. The Way to Save Money The other says "He is irresponsible from a disordered brain from conduct-ing himself as a same person should, and that with possibly not an absolute ignor-mer of right and wrong, he is when his brain is in a state of depression unable to deright or to resist wrong. His rea-son is in obeyance or percented. He counts to be a conduct is not be a conduct is his private af-mismanaged his public as his private af-hars. The reasons given by the ex-pert witheres for their opinions are constructed as mortal peculiarities The other says: excentric actions mental peculiarities trenchments, and in the whole engage ment had 500 men killed and wounded as xiety with regard to health, apparent A reconnoisering force sent in the distribution in the parameter A reconnoisering force sent in the distribution in the parameter A reconnoisering force sent in the distribution in the parameter A reconnoisering force sent in the distribution in the parameter A reconnoisering force sent in the distribution in the parameter A reconnoisering force sent in the distribution in the parameter A reconnoisering force sent in the distribution in the parameter A reconnoisering force sent in the distribution in the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sent in the distribution is a sentence of the parameter A reconnoisering force sentence of the parameter A reconnoisering force sentence is a sentence of the parameter A reconnoisering force sentence of the parameter A reconnoisering force sentence is a sentence of the parameter A reconnoisering force sentence is a sentence of the parameter A reconnoisering force sentence is a sentence of the parameter A reconnected by the parameter A reconnected the family of defendant. All these tired within the Servian lines." forts are consistent with sanity, and the SEMLIN, Nov. 19.-Trustworty reports Lator of them may explain all the rest. But if the defendant be of unsound at Sewnirza vesterday was three times but if the defendant be of unsound noril he is yet responsible, unless in-satisfy is in diself in every case in de-tries for day act committed by the in-sate for any act committed by the in-sate for any act committed by the in-sate for any act committed by the in-tries for any act committed by the in-tries for any act committed by the in-sate for any act committed by the in-tries for any act comm the real sector of the court where the sector of the court where the sector of the battle from the beginning to the end. The Services and afterward a brown horse. It is believed the white horse was shot from under him.
